Professional Services

MANICURING/NAIL TECHNOLOGY

ABOUT THE PROGRAM

The program focuses on instruction in all phases of professional nail technology such as nail design and artistry, manicure and pedicure procedures, acrylic nails, gel nails, business/computer principles and product knowledge. Graduates are prepared to sit for the NC State Board of Cosmetic Arts examination.

CCCC Career Community

Students interested in Professional Services like to use their creativity to help people. They are outgoing and love working one-on-one with a wide variety of people. They can work in groups or teams but prefer to work independently. They are detail-oriented, empathetic, and artistic. Graduates find jobs in helping professions like teaching, mental health, cosmetic arts, and culinary arts.
