Fall 2023

Welcome!

The fall semester has begun! Welcome new and returning students to Central Carolina Community College! The CCCC Library has prepared this newsletter to help you have a successful semester. From helpful tech boosts, and fun events to specialized guides for your programs, there's something here for everyone!

As always, librarians will be available throughout the year to assist you with research for your papers and classwork. Stop by your local CCCC campus to speak with a librarian today or schedule an appointment at a time that works best for you.

Who's Who from the CCCC Archives

Help us preserve CCCC's history! Join us on September 26th at the CCCC Lee Campus Library from 11 to 3 pm for a walk down memory lane.

Pop in and take a look at the photos and slide show on display. While here, help us identify students, faculty, and staff from the college's past!

Tech4U

Due to high demand, the CCCC Library has started a waiting list for laptop checkouts. If you are a student in need or are facing technological setbacks, please fill out this form to be added to the list.

Additionally, we have scientific and graphing calculators to fit the needs of a variety of classes. These can be checked out at any of our three campuses.

New Libguides

Our collection of [LibGuides](#) has now been overhauled and updated for your ease of use. Not familiar with libguides? Our LibGuides provide additional instruction and assistance with finding resources in a particular subject field, class, or assignment.

Each Libguide has received a new coat of digital paint and a fresh layout for ease of use. All links, book suggestions, and ebooks have been updated to give you the newest resources possible.
