**Presidential Scholarship.** Students must have been enrolled in a transfer program, have completed at least 30 hours and have a 3.0 g.p.a or higher. Students can apply for the scholarship [here](#).

## TRANSFER NETWORK

### Central Carolina Transfer Network

Numerous studies have indicated many community college students wishing to transfer are at a disadvantage because they do not have family members or friends who have experience with the transfer process. “Students are largely on their own, and when they do make it to a university...there can be unreceptive cultures” (Fink qtd. In Mangan 2023). To help alleviate this problem, CC faculty have agreed to serve as resources for their Alma Maters. By serving as resources, students can tap into their instructor's network, which they wouldn't normally have access to. To access the network, go [here](#). If you are willing to join this network of faculty willing to help students transfer, please contact Don Miller at [dmill398@cccc.edu](mailto:dmill398@cccc.edu)
