Central Carolina Community College Foundation  
Annual Report and 2018 Calendar

# Make an Impact

The 2016 - 2017 fiscal year was another outstanding year for the Central Carolina Community College Foundation, thanks solely to each of you — our caring and amazing donors who so graciously give to better the lives of our students.

Highlights of this year included the awarding of over \$200,000 in scholarship monies to deserving students, the naming of the School of Engineering for Sanford Contractors, the naming of the Department of Paralegal Studies for the Staton Family of Sanford, and the naming of the Certificate of Library Management for The Chapin Family Trust. In addition, the Foundation hosted three successful golf classics, as well as numerous other events to help generate much needed unrestricted revenue for the college.

Our main focus with the Foundation is to provide financial support to the college so that every student, faculty, and staff member can thrive here during their time at CCCC. In return, the college is able to impact and assist in the development of the communities in which we serve through providing lifelong educational opportunities for all.

You, our donors, encourage and motivate us daily to continue to strive for the excellence at the college. Thank you, from the bottom of our hearts, for being a part of the CCCC Foundation and making the college one of the top community colleges in the state.

With your help, we expect 2017-2018 to be an even stronger year!

Expect Success,

**DR. EMILY C. HARE**  
Executive Director  
CCCC Foundation

**CHRIS EHRENFELD**
