

NEWS FROM THE LIBRARY

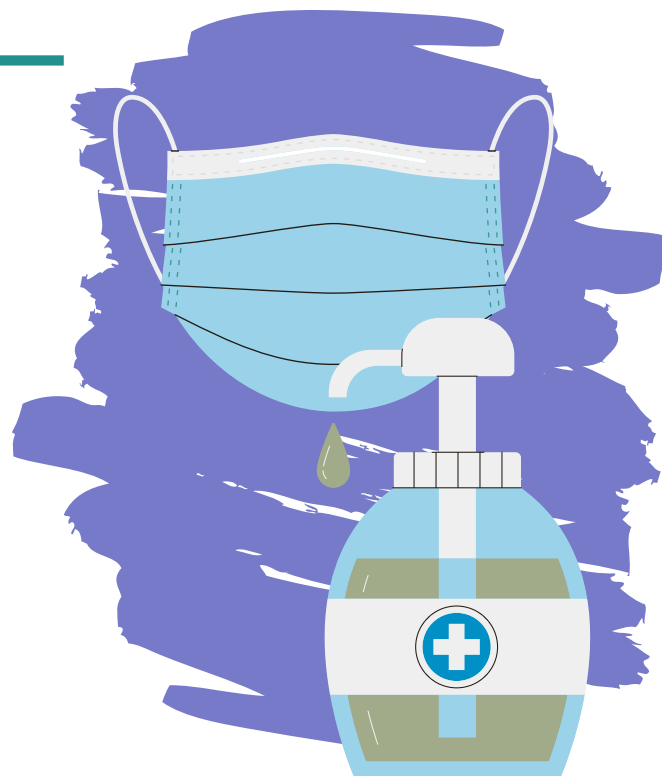

Vol. 21, No. 3

Fall 2021

Welcome Back!

Welcome back to another exciting semester at CCCC! We're happy to see you all face to face once again! We're working extremely hard to keep the library a safe, clean and welcoming environment for your research and study needs.

To help us keep the library safe, please join us in following some health and safety precautions. While in the library, please wear a mask over both your nose and mouth. We have masks and sanitization stations available for your convenience. Additionally, please let us know when you have finished with a table or computer so that we can sanitize the space for the next student. With your help, we can keep the library a safe place for all students. If you have any questions or need assistance, please contact the library at cccclib@cccc.edu.

Online Student IDs and Curbside Pickups

For your convenience, you can request your student IDs online and either pick them up on your chosen campus or receive them via mail delivery. To request your ID online, please fill out this [form](#). Photos must be in color and front facing with nothing obscuring your face, such as sunglasses, hats, or selfie filters.

Curbside pickup services are available during regular library hours. To schedule a curbside pickup, contact Samantha O'Connor at socon214@cccc.edu for the Lee campus or Barbara Bera at bbera261@cccc.edu for the Harnett campus.

Laptops Checkouts

Semester long laptop checkouts are available for students in need or facing technological setbacks. You can [apply online](#) and have your name added to our laptop waiting list. Once the form is filled out, we will contact you when a laptop is available.

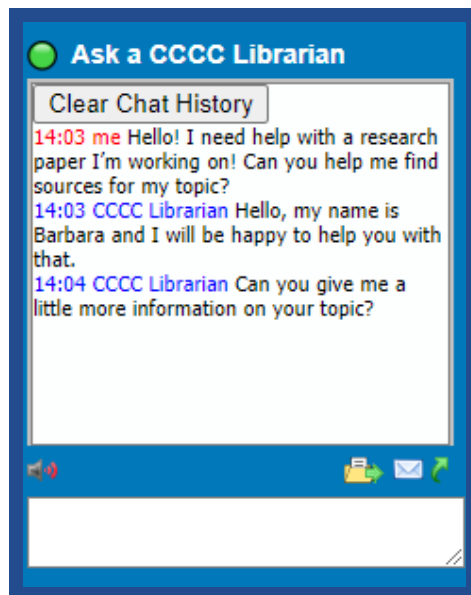

Laptops are in high demand and are available on a first come, first serve basis. The library will be receiving more laptops at a future date.
