Duke University  
First Health  
UNC Health  
WakeMed  
Womack Army Medical Center

## Occupational Statistics

Median Salary: USA \$81,350

Median Salary: NC \$77,480

Median Salary: Region \$82,210

## CCCC Career Community

Students interested in Health Sciences like to help people feel better. They can work independently, but prefer to work in groups or teams. They are detail-oriented, compassionate, and think critically to solve problems. They work well in stressful situations and do not get queasy around blood or bodily fluids. Graduates find jobs working in medical or wellness environments.
