# NEWS FROM THE LIBRARY

## Welcome Back!

Welcome new and returning students to another amazing semester at Central Carolina Community College! We hope everyone has been able to adjust and settle into their new schedules!

As always, librarians will be available throughout the year to assist you with research for your papers and classwork. Additionally, we have some exciting things planned as the semester progresses, so keep an eye open for announcements in the future. See you soon!

## 3D Printing Available

Did you know that the Harnett campus library has a 3D printer available for students to use to print 3D models? You're just a few clicks away from printing your own model!

Check out the 3D Printing Libguide available online for more information about the printing service, how to submit a design for printing and even resources to help you design your own 3D model! Still have questions? Contact Morgan Pruitt at mpruitt@cccc.edu

## Free Printing!

Printer ink can be a costly drain on your budget, especially when you need to print out notes or your papers every week. The Lee and Harnett library campuses now have free printing! Just open your documents on one of the library computers and simply select 'print'. If you have any questions, please contact the library at cccclib@cccc.edu or via the 'Ask a CCCC Librarian' chat.

## Ask a Librarian Chat

Need some assistance finding sources for your research papers? The 'Ask a Librarian Chat' is just a click away. Research assistance, citation help, information on databases, and topic selection are just a few examples of the services offered through the chat. The Ask a CCCC Librarian chat service is available 24/7 to help with any questions you may have. Chat with a librarian today! Ask your questions at https://www.cccc.edu/library/. We make research on your schedule possible.

# Name our Skeleton Contest!

We need your help! No *bones* about it, our library skeleton has been without a name for far too long! Suggest names for the skeleton using this <u>form</u>. Library Staff will narrow it down to our top favorite names. Students can then vote for their favorite from those choices.

We're looking for names that will tickle our *funny bones*! The more *humerus* the better!

# Laptops Checkouts

Need a laptop to help you with your college career? Semester-long laptop checkouts are available for students in need or facing technological setbacks. You can <u>apply online</u> and have your name added to our laptop waiting list. Once the form is filled out, we will contact you when a laptop is available.
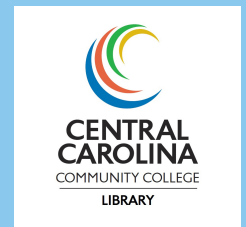

Laptops are in high demand and are available on a first come, first serve basis.

# Lee, Harnett and Chatham Events

Stay up to date with all the events and programs available at all three libraries! Registration is available on the event page for online events. Events change monthly so check back often to see what new events are coming up!

Scan the QR codes to see what's going on at your library!
