NEWS FROM THE LIBRARY

Welcome!

Welcome to the heart of knowledge and collaboration - the Central Carolina Community College Library! As we embark on another exciting semester, we're thrilled to be your go-to resource for academic success and exploration. Our library is more than just a collection of books; it's a dynamic hub where students come together to learn, connect, and grow. From helpful tech boosts, and fun events to interlibrary loan services, there's something here for everyone!

As always, librarians will be available throughout the year to assist you with research for your papers and classwork. Stop by your local CCCC campus to speak with a librarian today or schedule an appointment at a time that works best for you.

Interlibrary Loans

The library is bigger than you think! The CCCC Library has access to books and articles from other local community colleges in North Carolina and public and university-level libraries across the United States!

Book and article requests can be made easily online. Requests are typically fulfilled within 5 to 10 days.

Tech4U

The CCCC Library has laptops available for semester-long checkout for students facing technological setbacks! To receive one of these laptops, please fill out the Foundation Laptop Request Form and follow the instructions provided there.

Additionally, we have scientific and graphing calculators to fit the needs of a variety of classes. These can be checked out at any of our three campuses.

Online Chat and Physical Equipment

The 'Ask a Librarian Chat' is available for students who need research assistance, information on databases, and topic selection. The 'Ask a CCCC Librarian' chat service is available 24/7 to help with any questions you may have. Chat with a librarian today! We make research on your schedule possible.

Additionally, all campuses are equipped with desktop computers, printers, copiers, and scanners that can be used while in the library.

Other Upcoming Activities

The CCCC Lee and Harnett Campus Libraries will now be holding the same makerspace activities on the same dates throughout the semester! Upcoming activities include stress balls, scratchboard artwork and more!

For an updated list of upcoming events, please check out the Lee and Harnett Library Event Calendar and the Chatham Community Library Events Calendar.

Calendars are updated monthly with new activities, events, and workshops. See you soon!
