## "The NC Retirement System ... ? ... How To Do It Right Guide"

Presenter

**Steve Scroggs**

Former Assistant Superintendent, Chapel Hill

The NC Retirement System is by far the best benefit provided to state workers. The system is well funded and is well run. But how can you maximize your benefits, what are all those options and how can you navigate ORBIT? The real trick is understanding how everything fits together and what is covered. Steve will answer all of those questions plus information about sick leave, annual leave, bonus leave and other incentives will all be covered.
