- Nancy Turner and Joanne Batten received funding for a computer program for curriculum scheduling.

- Jan Strickland received money to send 15 Harnett campus early childhood students to attend a conference.

- Steve Lympany received funds for his LASE summer project.

- Funding was arranged for Melissa Staley to hold an NC Math Association meeting at the civic center.

- Jim Foster received money for High School Instructional Days.

Award proposals are due to Polly Bouldin by Feb. 29. If you need a form see Polly.

## An Invitation to SACS

I'm sorry, but with all of the "SACS" jokes that I've had to listen to, I couldn't resist.

Dr. Joyner does want to share some important information about our self-study, however, and has invited us to a meeting on Monday, Feb. 19, at 3:15 p.m. in the civic center lecture hall. All self-study committee members are encouraged to attend, and it is extremely important for all principal committee chairs, assistant chairs, sub-committee chairs and members of the Steering Committee to be at this meeting.

Please call if there are any questions, and I look forward to seeing you on Monday.

— Ann McCracken

## SACS Meeting

The Editorial and Publication Committee and the editors of all principal committees will meet in the Board Room Tuesday, Feb. 20, at 3:30 p.m.
