

Dear Community Friend,

On March 16th (rain date of April 16th), Lee Early College's Parent Teacher Student Organization (LEC-PTSO) will be hosting a family friendly fundraising event. The event will be held at Kiwanis Park from 9:30am-1:30pm, and will feature a 5k color fun run/walk, a basket raffle, vendor tables and a variety of family friendly games and activities. We are excited about the opportunity to increase awareness for our school in the community, and to raise money that will benefit LEC students through improving their educational environment.

Lee Early College High School (LEC) is an *academically advanced public high school* with more than 280 students in grades 9 through 12. Students who apply, and are accepted, have the opportunity to complete an Associate of Arts (AA), Associate of Science (AS), or Applied Associate of Science (AAS) degree by the time they graduate from high school. During their time at LEC, students will take a blend of high school and dual enrollment college courses that will allow them to earn *both a high school diploma and a two year college degree*. Lee Early College was founded with the intent of attracting students who often are underrepresented in college: minorities, students from low-income families and those whose parents never attended college.

We would like our Family Festival and Color Fun Run/Walk to be as successful as possible; therefore we are asking local businesses to consider becoming an event sponsor. This is a great opportunity to make a difference for students in our community as our school keeps 100% of the profit generated from our event.

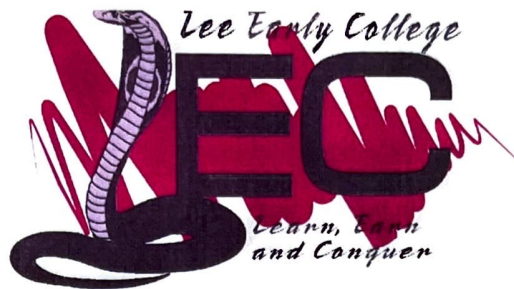

We have included our business sponsor form with this letter. If your business is interested, please complete the form and return it to us by March 1, 2024. If you have any ideas or requests not included on the form, please do not hesitate to contact us directly to discuss them!

Lastly, our Family Festival and Color Fun Run/Walk will be open to the public and aims to involve the community. Those interested in participating in the 5k can register online by visiting runsignup.com.

Thank you in advance for your support!

Sincerely,

Lee Early College PTSO
