Removing a Button from the Course Menu

1. Make sure Edit Mode is ON.
2. Click the drop down button on the button you would like to remove.
3. Click Delete.
4. A box will appear and ask if you are sure you want to delete it. Please be aware that if you remove a content area button, you will not be able to restore the content unless you have a previous archive available.
5. If you are sure that you want to remove the button, click OK.
