Exploration Camps Summer 2015

Adventures in Mathematics and Reading
This exciting course will focus on Math and Reading Adventures by boosting basic math and reading skills in a fun way. Learn tricks, play games, explore online resources all while building your confidence in math and reading. See how simple strategies can help with basic facts and learn interactive ways to improve phonics, fluency, vocabulary and comprehension skills.

Adventures in Art
Art week will be packed with a variety of art activities to inspire and challenge the artist within. Students will get hands-on experience in an array of art media, from clay, to painting, to drawing. *Instructor: Darlene Brady*

Babysitter Certificate
This camp gives participants a Babysitter Certificate that can be used to show prospective clients that the participant has taken a hands-on structured class for the care of the infant to adolescent child and is certified in Heartsaver CPR. *Instructor: Kim Tew*

Ballroom Dance
The goal of this class is to introduce students to different styles of basic ballroom dance. Leading and following skills will be developed as students learn new dance steps. Rules in dance etiquette will be part of the lesson plan.

Creative Speaking and Writing
Learn to create an impressive presentation that informs, persuades, inspires, and conveys a compelling message. Through practice and feedback, master the techniques for delivering consistent and successful presentations. Create powerful visual aids to add impact, and learn the tools and techniques needed to grab and hold the interest of an audience. Overcome your public speaking fears and gain the confidence to deliver polished presentations of any kind.

CSI: Crime Scene Investigation
Experience the exciting and spellbinding world of crime scene investigations through CSI. CSI brings an incredible learning adventure where students become forensic investigators, solving mysteries through forensic science and technology. Students step into the shoes of a crime scene investigator and learn how to identify and gather evidence. Working together, collect fingerprints and casting of footprints, and use them in hopes of cracking the case.

Culinary Teen Baking
A class for students ages 10-15 who share a passion for cooking and possibly a career as a Pastry Chef. Students will prepare various items including sweet and savory appetizers, breads, and desserts. Lunch is included in this camp. Students will need to wear kitchen safe closed toe shoes and an apron or smock.

Culinary Teen Cooking
A class for students ages 10-15 who share a passion for cooking and possibly a career in Culinary Arts. Students will prepare various items including entrees, appetizers, and desserts. Lunch is included in this camp. Students will need to wear kitchen safe closed toe shoes and an apron or smock.

Entrepreneur Boot Camp
In this three-day camp, peers, experts and one-on-one mentors will help entrepreneurial teams refine their business plan and develop an investor presentation and elevator pitch. Mentors introduce a variety of resources, including potential investors. Entrepreneurs can walk away ready to pitch possible backers.

Exercise Activity Day on the Pittsboro Trail
This camp includes exercise activity on the Pittsboro trail as well as an outdoor seminar on how regular exercise helps people to live healthier lives. The days will be filled with motivating interactive activities to show that exercise can be fun.
Instructor: Charlene Purcell

Explore and Learn Summer Camp
This camp will engage students in learning about nature, the fragile balance of our environment, and interactions with outside surroundings. Several field trips and presentations are planned.
Instructor: Andy Upshaw

Enroll NOW!

Scholarships are available for the 2015 Summer Youth Enrichment Series (YES).

First Come, First Serve!

$1000 in scholarships for each county – Chatham, Harnett and Lee!

Only one child per family will be awarded a scholarship.

To be awarded a scholarship, contact the Student Support Center at (919) 718-7500!

Four Stories in 4 Days
We will examine Mystery, Suspense, and Sci-Fi writings on four fun-filled days. Journals will be used to focus on the development of ideas, and photographs, drawings, films, and music will be used to enhance the writing experience. We will discuss our favorite authors and the techniques used to rewrite a story, as well as examine critical thinking strategies and how they can be applied to plot development. Working individually and in small groups, we will create characters, clues, imagery, and mood and be critiqued by the instructor and classmates. End the week by presenting your project to the class. Join us for a summer to remember...a writer's project designed to inspire creativity.

Healthcare Career Exploration
The goal of this camp is to expose participants to healthcare careers with hands-on activities in Dental Hygiene, Dental Assisting, Nursing, Nursing Assistant, Laboratory Assistant, Medical Assisting, Medical Office Administration, and Veterinary Medical Technology. Participants will participate in animal CPR, blood pressure checks, dental health checks, and much more.

Kids Cooking Camp
A cooking class for young students who share a passion for cooking. Students will prepare various items including healthy snacks, lunches, and desserts. Lunch is included in this camp. Students will need to wear kitchen safe closed toe shoes and an apron or smock. *Instructor: Regina Hargett*

Mathematics and Reading Refresher
You will be challenged to recall previously learned math concepts, improve on them, and learn new mathematical formulas, and also practice fluency and high-level comprehension techniques while improving reading speeds.

The Singer-Songwriter Course
This class provides a comprehensive curriculum in the discipline of popular music songwriting. Students will develop skills in melody, harmony, arranging, and lyrics. Study will include what it takes to write a hit song and how to sell and market music in today's world.
