WHAT IS THE CRC?

The CRC is a workplace skills credential developed by ACT Inc. It identifies three essential workplace skill areas: Reading for Information, Locating Information, and Applied Mathematics.

WHY SHOULD I GET THE CRC?

Employers want workers with these skills because they are the foundation for all other workplace skills and training.

HOW DO I EARN A CERTIFICATE?

Take the CRC assessments at CCCC. Short-term, cost-free targeted classes can prepare you to succeed.
