CONTINUING EDUCATION POLICIES

Tuition and Fees/Fee Schedule

Course fees are noted with each course listing. Payment of these course fees is required before the first class session. Some courses have additional charges for supplies, insurance, or other essential expenses, which are also listed with the course descriptions. Students are responsible for purchasing any special materials required for classes. No registration is complete without the payment of all applicable fees or receipt of official authorization for payment from third parties responsible for payment. Methods of payment include cash, check, money order, or credit card (MasterCard or Visa).

The North Carolina General Assembly has set the following fees for Continuing Education classes:

**Fee Schedule**
- $65.00 for 1–24 hours
- $120.00 for 25–50 hours
- $175.00 for 51 or more hours

Refunds
- Refunds for Continuing Education courses are made as follows: 100% if requested before a course begins or if the course is cancelled; 75% if requested after a course begins, but before 10% of the total class meetings.

Registration
- Register at least one week prior to the first class meeting for all Continuing Education courses. The college reserves the right to cancel a course based on enrollment. All registrations must be received before a course reaches 10% of its scheduled hours.

Course Repetition Policy
- Repeating occupational courses more than one time at the regular registration fee is prohibited by state regulations. Students taking a course more than twice in a five-year period will be required to pay the total cost of the course. This rule applies to courses taken since July 1, 1993. This regulation does not apply to licensure and certification courses.

- Students may enroll in personal enrichment classes an unlimited number of times provided space is available and new students in a particular class are not displaced. Preference will be given to first-time enrollees. Repeat students will be allowed to enroll on the first scheduled class date if space permits.

Continuing Education Units (CEUs)
- The Division of Continuing Education will award Continuing Education Units (CEUs) for appropriate programs. The Commission on Colleges defines the CEU as follows: “One Continuing Education Unit (CEU) is ten (10) contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction.” CEUs reported to the Department of Public Instruction require a certificate of credit issued by the Division of Continuing Education. Students should notify instructors at the beginning of a course if CEUs are needed for public instruction certification.

The college may make program adjustments in instructional delivery and may provide supplemental services to enable students with disabilities to participate in activities compatible with students’ conditions and interests.

• Every candidate for General Educational Development (GED) should have a fair opportunity to demonstrate his/her knowledge and skills under appropriate test conditions. For some candidates, a disability may interfere with their ability to fully demonstrate what they know under standard testing conditions.

• Accommodations in testing are available for adults with documented physical disabilities as well as learning disabilities, attention-deficit/hyperactivity disorder, and emotional or psychological disabilities. Each request is considered on an individual basis.
