Automotive Restoration Training
Do you have an antique car, muscle car, or just a project car that you want to restore but don’t have the shop and tools to do the job? If so, you might be interested in the automotive restoration class at the ESTC. Automotive Restoration covers the basic skills applicable to automobile restoration, street rod, and custom car building as well as commercial auto body repair. Skills covered include dent removal, repairing rust damage, use of body filler, metal and fiberglass repair, basic wire and oxy-acetylene, fabricating and installing patch panels, trim removal, and installation as well as other skills fundamental to the auto repair industry. Students are required to supply all necessary hand tools for their projects; CCCC will provide the major auto body tools, including air tools as well as supplies such as sandpaper. Students must supply their own body filler, primer, and paint. For additional information and schedules of upcoming classes, contact the ESTC at (919) 776-5601 or (919) 777-7779.

Motorcycle Safety Training
Basic Rider Course (BRC) is designed for students who want to learn to ride a motorcycle and for re-entry riders who have not ridden in a long time. BRC students will ride motorcycles provided by the college. The BRC class meets on Friday 6:00P to 10:00P, Saturday and Sunday 8:00A to 6:00P, and 100% attendance is required. BRC graduates receive an exemption from the NC DMV riding exam when applying for a motorcycle license. Most insurance companies now offer discounts for BRC graduates.

Motorcycle safety classes are offered at the CCCC Emergency Services Training Center (ESTC). The ESTC is located off Hwy 78 between Sanford and Tramway on 3000 Airport Road at the Old Sanford/Lee County Airport site. Classes are limited to 12 students and are filled on a first come basis. Pre-registration and pre-payment are required! To pre-register by credit card, please call (919) 776-5601. To pre-register in person, please go to the Emergency Services Training Center at 3000 Airport Road. The class registration fee is $120.00. There is a 48 hour minimum cancellation notice in order to receive a fee refund.

Emergency Medical Technician Training
The Emergency Services Training Center offers the following EMT classes throughout the calendar year: Medical Responder (MR), Emergency Medical Technician (EMT), Emergency, and Emergency Medical Technician-Paramedic (EMT-P). All of the EMS classes are approved by the North Carolina Office of EMS and qualify the student for the OEMS state certification exam. Call Jerry Cornelison at the ESTC at (919) 777-7776 for additional class information, including dates and times.

Firefighter Academy
The fourth Central Carolina Community College Firefighter Academy will begin in 2013. This full-time program is for individuals who wish to attain the skills necessary for employment as a firefighter. The Academy is a rigorous and challenging course of study consisting of a total of 833 hours. Class hours will vary but will generally meet 8:00A to 5:00P Monday through Thursday and 8:00A to 3:30P on Fridays. Graduates of the Firefighter Academy will receive EMT Basic, Firefighter I & II, HAZMAT Level One Responder, Technical Rescuer General, and Technical Rescue VMR certifications. Students will also receive training in ICS, Rapid Intervention, Safety and Survival, Interview Techniques, and Physical Agility. The Academy is conducted in a college type atmosphere with uniforms required. For additional information on this exciting firefighter training opportunity contact Joey Shue, Fire/Rescue Training Coordinator at (919) 777-7778 or visit the ESTC at 3000 Airport Road in Sanford. Application forms and information are also available at www.cccc.edu/ESTC.

**CAREER READINESS CERTIFICATE (CRC)**

Getting a North Carolina Career Readiness Certificate (CRC) allows career seekers and workers to show employers that the workers or career seekers possess the basic skills that jobs and employers require.

Even if a high school diploma or a college degree is possessed by career seekers or workers, possessing a CRC verifies that careers seekers or workers can handle the kinds of tasks—finding information, reading instructions and directions, even working with figures—that are common in today’s workplace.

**HOW IT WORKS**

**Building on a Proven Program**

The Certificate is based on established WorkKeys® assessment tests. (WorkKeys® is a comprehensive skills assessment tool recognized by thousands of companies in the U.S. and by state and federal agencies.) To earn a Career Readiness Certificate, individuals undergo testing related to reading, applied mathematics, and locating information through the WorkKeys® skills assessment system.

**A Chance to Advance**

Individuals can earn three levels of Career Readiness Certificates based on their test performance in Applied Mathematics, Locating Information, and Reading for Information.

- **Bronze level:** Signifies that a recipient possesses skills for approximately 30% of the jobs profiled by WorkKeys in these three specific skill areas.
- **Silver level:** Signifies that a recipient possesses skills for approximately 65% of jobs profiled by WorkKeys in these areas.
- **Gold level:** Signifies that a recipient possesses skills for 85% of jobs profiled by WorkKeys in the three areas.

**CRC ASSESSMENTS**

As mentioned above, CRC assessments test applicants in three major areas: Reading for Information, Locating Information, and Applied Mathematics. The different levels earned – bronze, silver and gold – signify increasing levels of difficulty in each area.

**HOW TO EARN CERTIFICATION**

Career seekers can obtain a Career Readiness Certificate by taking the WorkKeys® Assessments. Individuals who do not initially achieve the certificate can pursue targeted training and education through the Human Resources Development (HRD) Program. For more information on how the Career Readiness Certificate may be earned, call Patricia Stone-Hackett at (919) 777-7716 or pstone-hackett@ccc.edu

**Career Readiness Certification Assessment Schedule**

- **May 22, 2012**  
  1:00P – 4:30P
- **June 12, 2012**  
  1:00P – 4:30P
- **July 10, 2012**  
  1:00P – 4:30P
- **August 8, 2012**  
  9:00P – 12:30P
