Ecotourism Seminars

CCCC has joined with the Chatham Conservation Partnership to promote an Ecotourism program by offering seminars and guided field trips throughout the summer, highlighting Chatham County's natural areas and opportunities for birding, canoeing, and hiking while emphasizing the importance of conserving natural resources.

Other offerings in the works will include, but not be limited to, a Tour of the B. Everett Jordan Dam with the U.S. Army Corps of Engineers; and various canoe trips along the waterways of Chatham County.
