

## **Automotive Restoration Training**

Do you love antique cars, muscle cars, hot rods, and street rods? Do you have a project car that you want to restore, have the basic skills, but lack the tools and shop space? CCCC can help you turn your dream into reality. CCCC offers an open shop basic Auto Restoration class where you can have access to instruction in the basic aspects of restoration procedures as well as the necessary body shop tools and space to work on your project. The Auto Restoration classes meet on Monday and Thursday evenings from 6:00P to 10:00P for 5 weeks at the Emergency Services Training Center, located at 3000 Airport Road in Sanford. The course registration fee is \$150.00 and includes the use of major body shop tools, basic supplies, and student insurance. Students are responsible for supplying regular hand tools as well as paint, primer, and body filler for their projects. CCCC does not have space for students to leave their projects so students must bring them to class each evening. Classes are limited to 10 students and are filled on a first-come basis. Pre-registration and payment are required. Classes are scheduled on an as-needed basis and may be cancelled in the event of insufficient enrollment. **For additional information or to be placed on a waiting list, please call the ESTC at (919) 777-7767.**

## **Emergency Medical Technician Training**

The Emergency Services Training Center offers the following EMT classes throughout the calendar year: Medical Responder (MR), Emergency Medical Technician (EMT), and Emergency Medical Technician-Paramedic National Accredited Program (EMT-P). All of the EMS classes are approved by the North Carolina Office of EMS and qualify the student for the OEMS state certification exam. Call Jerry Cornelison at the ESTC at (919) 777-7776 for additional class information, including dates and times.

## **Firefighter Academy**

The next Central Carolina Community College Firefighter Academy will begin in August 2014. This full-time program is for individuals who wish to attain the skills necessary for employment as a firefighter. The Academy is a rigorous and challenging course of study consisting of a total of 1000+ hours. Class hours will vary but will generally meet 8:00A to 5:00P, Monday through Thursday; and 8:00A to 3:30P on Fridays. Graduates of the Firefighter Academy will receive EMT Basic, Firefighter I & II, HAZMAT Level One Responder, Technical Rescuer General, and Technical Rescue VMR certifications. Students will also receive training in ICS, Rapid Intervention, Safety and Survival, Interview Techniques, and Physical Agility. The Academy is conducted in a collegiate atmosphere with uniforms. A college placement test is required.

**For additional information on this exciting firefighter training opportunity contact Joey Shue, Fire/Rescue Training Coordinator at (919) 777-7778 or visit the ESTC at 3000 Airport Road in Sanford. ## Basic Rider Course (BRC)

This course is designed for students who want to learn to ride a motorcycle and for re-entry riders who have not ridden in a long time. BRC students will ride motorcycles provided by the college. Weekend BRC classes meet on Fridays, 6:00P to 10:00P; and Saturdays and Sundays, 8:00A to 6:00P. Weekday classes vary. See schedule for additional information on dates and times. 100% attendance is required for all BRC courses. BRC graduates receive an exemption from the NC DMV riding exam when applying for a motorcycle license. Most insurance companies now offer discounts for BRC graduates. The class registration fee is \$140.00. There is a 48 hour minimum cancellation notice in order to receive a fee refund.
