FEDERAL WORK STUDY APPLICATION
2010-2011

The Federal Work-Study Program provides part-time jobs to students who demonstrate financial need. The work-study jobs are awarded in the same manner that other aid awards are made. The jobs are usually on campus during the year. Students may work up to 20 hours per week depending on the amount of work-study funds they have been approved to earn during the academic year. Students must complete a time sheet and turn it in at the Financial Aid Office on the last day of each month. Students are paid at least the minimum wage and receive a paycheck on the last day of the next month for the previous month worked.
