2017-2018 Selective Service Registration Status

The Federal Processor was unable to confirm your Selective Service registration status. Current federal law requires males between the ages of 18-25 register for Selective Service to receive Federal Student Aid. Our office must confirm your Selective Service registration or exemption status before you can receive any financial aid funds. Please indicate which statement best applies to you and return this form to the Financial Aid Office.

- I am exempt from registering with Selective Service because:
 - I am under the age of 18
 - I was born before 1960
 - I was born a female and not required to register
 - I am a resident of the Federated States of Micronesia, Marshall Islands, or a permanent resident of the Trust Territory of the Pacific Islands (Palau).
- I entered the United States after I reached the age of 26 (please provide proof of birthdate and date of entry to US)
- I am a Veteran of the U.S. armed forces. (Please submit a copy of your DD214 or current full time active duty orders)
- I have already registered with Selective Service. (Please attach your registration confirmation)
 *If you are between the ages of 18 and 25, you are required to register with the Selective Service. You can register online at www.sss.gov.
- I failed to register with Selective Service and am over the age of 25. Please attach a personal typed statement explaining the reason for not registering with Selective Service and provide supporting documentation. You must request a "Status Information" letter from Selective Service which will include information regarding the status of your eligibility. Please contact Selective Service at (847) 688-6888 or down the "Request for Status Information Letter" at www.sss.gov.
