

Celebrate Green Central!

Trade Show and Home Tour October 16-17th CCCC Campus, Pittsboro

The CCCC Green Building and Renewable Energy Program will be hosting a Celebrating Green Central event October 16-17. The trade show will highlight local businesses that contribute to our local green, sustainable community and will begin on **Friday evening from 5-8** during our Open Campus celebration, complete with a band, solar thermal and solar electric demonstrations, a biofuels production laboratory, farm visits and the inaugural firing of the student made outdoor pizza oven.

On Saturday, CCCC will be hosting the tour kickoff of the Chatham leg of the North Carolina Sustainable Energy Association Home Tour. Participants will be coming by CCCC to pick up tour maps and visit the trade show. The **Saturday Trade Show hours are 9 am to 1pm, home tour hours are 10 to 4**. The College will promote and market the weekend's activities via a website and regional media outlets. Sponsors will be accorded special, prominent recognition on our promotional materials and website.

Your sponsorship will fund the kickoff event and support tour advertising. The CCCC Green Building Foundation will accept all monetary gifts. All sponsors will receive a charitable contribution letter from the non-profit Foundation.

___ Exhibiting Vendor, \$50 per table

___ Tour site, \$150 per site

___ Contributor, You decide the amount!

___ I will contribute a door prize:

We look forward to sharing the good news about local businesses that support our sustainable future.

If you have any questions please contact Laura Lauffer, Sustainability Coordinator at CCCC Chatham,

919 542 6495 ext 236, or llauffer@ccc.edu

Your non-refundable \$50 fee includes one table and two chairs. Electricity is available; please bring extension cords and all necessary items required to complete your display.

Set up begins at 3pm on Friday, October 16th. Please drop off your items curbside at Building TWO and park your vehicle in the lot directly in front of the building. You may safely leave your items set up overnight.

Breakdown can take place on Saturday, October 17th no sooner than 1:00pm.

Please make your check payable to the CCC Foundation, and indicate Green Building Program in the memo line. Mail immediately to:
