Appendix B:
The Substantive Change Prospectus

Use this information to determine the content and process for submitting a prospectus for a “Procedure One” substantive change requiring approval prior to implementation.

The Prospectus must be accompanied with a completed Cover Sheet.

Do not use this information for
- mergers, consolidations, change of ownership, acquisitions, and change of governance, control, form, or legal status (http://www.sacscoc.org/pdf/081705/Mergers.pdf),
- direct assessment competency-based educational programs (http://www.sacscoc.org/pdf/081705/DirectAssessmentCompetencyBased.pdf), or
- level changes (http://www.sacscoc.org/subchg/policy/ApplicationLevelChange.docx).

Before developing a prospectus, please review all of the information below concerning the content of the prospectus and how to submit the prospectus. When developing a prospectus, respond to all of the applicable requests for information.

Please remember that the prospectus should address the specific substantive change for which you are requesting approval. For example, if you are seeking approval for an off-campus site where adult, employed students will be enrolled in a graduate degree program, address specifically only the student support services that those students will need and describe how the support will be provided. Do not describe student support services that those students will not need such as athletic programs, dormitories, cafeterias, and other on-campus services that they cannot access.

How to Submit the Prospectus

Each submission must include the following in the order listed:

1. Transmittal letter signed by an institutional representative which briefly explains the submission
2. “Cover Sheet for Submission of Substantive Changes Requiring Approval” form (available on the Substantive Change webpage at www.sacscoc.org/SubstantiveChange.asp)
3. Name, telephone number, and email address of the person who may be contacted concerning questions about the prospectus.
4. A list of degrees and majors which the institution is authorized to grant (photocopy from the catalog is acceptable)
5. A list of existing approved off-campus sites and their addresses. Note: an approved site is one for which a prospectus has been submitted and which SACSCOC has approved to offer 50% or more of a program. A site where 25-49% of a program is offered is not considered to be an “approved” site; it is a site for which only notification has been accepted by SACSCOC.
6. Prospectus (should be no longer than 25 pages plus appendices)

Submit only one copy of the above materials to the President of SACSCOC at the address listed on the Cover Sheet.

Submit the Transmittal Letter and Cover Sheet in hard copy (paper).

Submit the body of the prospectus itself in hard copy (paper), flash drive, CD or DVD.

Documents will not be accepted via e-mail.
Special Note: SACSCOC will accept documentation submitted for approval to a system office or to a state coordinating or governing board, provided such documentation includes all the information required in a prospectus as listed below. However, the submission must include the completed Cover Sheet and Transmittal Letter and must contain an index correlating the documentation submitted to another entity with the corresponding information required in a prospectus.

Submissions lacking a clear, easily used index will not be accepted and will be returned to the institution without review. Faculty qualifications must be documented using the Faculty Roster Form, utilizing the Faculty Roster instructions. Curriculum vitae submitted in lieu of a faculty roster will not be accepted and will result in the submission being returned to the institution without review.

Please note that SACSCOC reserves the right to make amendments to the requirements outlined below for certain types of changes.

• Describe assessment methods for determining achievement of student learning outcomes for the degree completion program.
• Describe admission requirements for students entering the degree completion program.
• Describe the format for offering the degree completion program (for example, compressed format, accelerated format, etc.).
