Services

**Student IDs & Library Cards**
Get your ID printed in the Library on the Harnett and Lee campuses. This ID will function as your Library card. Students at the Chatham campus may have their ID printed in the main building. Chatham students must have a CCCC barcode added to their Chatham Community Library card to access student library resources on the Chatham campus and other campus libraries.

**Interlibrary Loan (ILL)**
Students may request books and journal articles not available in our collection by completing the Interlibrary Loan request form on our web page. Students are limited to 10 ILL materials checked-out at one time.

**Reserved Materials**
The Library keeps certain course materials and books in high demand on reserve, including the *Study Manual for the Test of Essential Academic Skills (TEAS)*.

Students may retrieve these materials at the Information Desk at the Lee or Harnett campuses, or at the Reference Desk at the Chatham campus.

Loan periods for reserve materials vary. Some materials may only be used in the library. Please verify an item’s due date at the time of check out to avoid incurring penalties.

**Overdue fees for reserve materials: $1.00 per day**

Students may use the Lee Library Maker Cart for project materials such as paper cutters, hot glue guns, 3-D pens, and more. Ask for more information about the Maker Cart at the Information Desk.

Students in Anatomy and Physiology classes may check out human anatomy models at the Lee campus Library for in-library use. Learn more about these resources at the Information Desk.
Services

Computers
Library computers come equipped with Internet access and Microsoft Office, as well as software applications necessary for completing class assignments. Each campus library provides a scanner for student use.

Students may check out laptops from the Information Desk at the Lee and Harnett Libraries for in-library use. Campus-wide Wi-Fi Internet access is available for users.

Study Areas
The Library provides multiple options for quiet study.

Silent zone: Study carrels provide space for one student to work individually with no noise.

Quiet zone: Study tables provide space for one to two students to work quietly with some conversation.

Collaborative zone: Large tables in the law section of the Lee library are available for group work and large projects when paralegal classes are not in session.

Lee and Harnett Library study rooms: All of our study rooms are equipped with big screen computers, high resolution webcams, and white boards to provide collaborative space for dynamic group work.

Students may reserve study rooms in advance from any computer or mobile device by visiting cccc.libcal.com.

Policies and Procedures

Computer Use Policy
Library computers are provided to conduct research and to communicate with others in support of the college’s educational mission. Students, faculty, staff, public patrons, and campus visitors are expected to use computer resources in an ethical, legal, and responsible manner. By logging onto library computers, users acknowledge that they are aware of and agree to the CCCC Acceptable Use Policy. Any use of library computers that violates college policy, violates federal, state, or local laws, alters computer and/or network settings, promotes commercial activity, intends harm or distress to others, or is obscene or malicious in nature is prohibited. Computer access is a privilege, not a right. Violations may result in loss of access and/or disciplinary action.

Library Etiquette
- Please leave any food or drinks by the exits
- Turn your phone off or set it to vibrate
- Take any phone calls outside the library
- Book a study room at the Information Desk for group work
Mission and Goals

Mission
The CCCC Libraries support the college mission by empowering students, faculty, and staff with the skills to effectively find, evaluate and use information, and by providing access to quality information and technology resources.

Goals
1. To provide individual and group course-integrated library instruction that facilitates critical thinking, connected learning, and personal growth; classes are delivered in-person and online.

2. To provide distance education learners with resources and services equivalent to those offered to on-campus students.

3. To provide welcoming and well-maintained physical and virtual spaces conducive to learning and studying.

4. To develop a high quality collection of print and digital resources in support of the college curriculum.

5. To provide easy access to our information resources and to additional materials available from other institutions.

6. To provide current technological tools which facilitate equal access to electronic resources.

7. To connect to the college and local community by engaging in outreach activities and maintaining a positive visible presence on campus.
