Autumn

By Charlotte L. Riser

When the trees their summer splendor
Change to raiment red and gold,
When the summer moon turns mellow,
And the nights are getting cold;
When the squirrels hide their acorns,
And the woodchucks disappear;
Then we know that it is autumn,
Loveliest season of the year.

New Library at Pittsboro Campus

Central Carolina Community College Libraries and the Chatham County Public Library are planning a new merged library on the Pittsboro Campus that will serve both community college students and the community at large. A Joint-Use Library Inter-institutional Agreement has been approved by the CCCC Board of Trustees and the Chatham County Commissioners. A library consultant has completed a Space Needs Study that describes the needs and space allocation for the new facility and a web site has been developed that contains documents and information for the public.

The web site is located at:

Just a Reminder about Library Cards

Students: A student ID is required to check out items from the library and to use items on reserve in the library. Please bring your ID card to the circulation desk to be entered into the library system.

Faculty and staff: A library card is required to check out items from the library including AV equipment. If you do not already have a card in the library, please come to the circulation desk to get one.

A new password for off campus access to NC LIVE went into effect August 1, 2006. Please come by or call the library for this password. The CCCC password is available to faculty, staff, and registered students.

To help achieve this goal, a variety of instructional classes are available for students, faculty, and staff. The instructional services librarian will help determine the best class for the type and level of instruction needed. Individual instruction is available.
