

## **TRiO Student Support Services Programs**

*Student Support Services (SSS) programs provide opportunities for academic development, assist students with basic college requirements, and motivate students toward the successful completion of their postsecondary education. Student Support Services (SSS) projects also may provide grant aid to current SSS participants who are receiving Federal Pell Grants. The goal of SSS is to increase the college retention and graduation rates of its participants.*

**TRiO Ronald E McNair Postbaccalaureate Achievement Programs**

*McNair programs prepare eligible participants for doctoral studies through involvement in research and other scholarly activities. Participants have demonstrated strong academic potential. Institutions work closely with participants as they complete their undergraduate requirements. Institutions encourage participants to enroll in graduate programs and then track their progress through to the successful completion of advanced degrees. The goal is to increase the attainment of Ph.D. degrees by students from underrepresented segments of society.*
