The Sustainable Agriculture curriculum is designed to provide the entrepreneurial and technical skills necessary to manage a profitable, environmentally sound, community based small farm or agricultural business. Coursework in the sustainable vegetable production certificate program focuses on the foundational principles for sustainable vegetable production from soil preparation to marketing a premium quality product. Graduates are prepared to work in vegetable production systems and related fields, such as farm market manager, produce manager or garden technician in retail settings.

Program Length: 2 semesters
Career Pathway Options: Associate in Applied Science in Sustainable Agriculture.

Allied Health Technologies

Associate Degree Nursing

Credential: Associate in Applied Science in Associate Degree Nursing

A45110

The Associate Degree Nursing curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Coursework includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

Limited Enrollment Curriculum:
1. In the nursing programs, applicants are accepted based upon a merit-based, selective admissions process.
2. Enrollment is limited to the number of approved spaces allocated by the North Carolina Board of Nursing.
3. Admission criteria for the nursing program are reviewed annually and are subject to change.
4. Nursing is a practice discipline with cognitive, sensory, affective, and psychomotor performance requirements. Further information regarding the physical and cognitive expectations of a student nurse and CORE performance standards (critical thinking, interpersonal, communication, mobility, motor skills, hearing, visual, and tactile) may be found in the Nursing Student Guideline Handbook.
5. Students who enroll in the nursing program should be aware that the application for licensure at the completion of the program might be denied or restricted by the North Carolina Board of Nursing. As the regulatory agency, the Board of Nursing does not become involved in reviewing the applicant’s conviction record until such time as application is made to take the national licensure examination. Denial or restriction can be for the following reasons:
   a) The student practiced fraud or deceit in attempting to procure a license to practice nursing;
   b) The student has been convicted of a misdemeanor/felony (excluding a minor traffic violation);
   c) The student is mentally or physically incompetent or uses any drug to a degree that interferes with fitness to practice
nursing; and

d) The student engages in conduct, which endangers the public health.

6. Clinical Affiliation Requirements: The contract between CCCC and a clinical agency requires that the college abide by the existing rules and regulations of the agency. The college follows agency protocol regarding drug screening and criminal background checks. Clinical contracts require that every student submit to and complete a medical form through own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and acceptance and/or progression in the program will be denied.

7. A complete Nursing Program Application must be submitted by the spring deadline.

8. It is the applicants’ responsibility to ensure that they are aware of the above limitations and that all requirements are met by the established deadline.

Entrance Standards: See General Admission Standards in the electronic catalog (Gen. Info section).

Program Specific Entrance Standards:

1. All Nursing Students

A. Selective, Merit-Based Admission Process

1. A student can apply to any of the CCCC nursing programs but can only be evaluated for selective admissions for one program during any one designated selection time period.

2. Once a student completes all college admission criteria and those nursing criteria designated as “Required” he/she is determined to be a qualified applicant for the selection pool. Only after the applicant has completed the required Nursing Program Application will the applicant be ready to submit the application and worksheet for score tally. Applicants with highest combined points in the required and optional sections will be offered admission.

3. Applicants who have the Nursing Program Application in by the deadline will be ranked by tallied points and offered admission in order of ranking. Selection applications will be accepted mid-January through mid-February for each fall enrollment. In the event that all spaces are not filled, applications for late consideration will be accepted during the months of May and August. See college website announcements for specific acceptance time periods.

4. Advanced LPN-to-ADN applicants should submit their application after completion of all required criteria. An individualized entry point will be determined, and selective admission procedures utilized to determine acceptance.

5. If applicants have the same total point count, the applicant’s highest Test of Essential Academic Skills (TEAS) Test Score(s) will be the determining factor in the following order:

a) First use the applicant’s total Composite Score (Combined Reading, Math, Science, and English Scores);

b) If the total Composite Score is equal, then the highest Science Score will be the determining factor;

c) If the Science Score is equal, the Highest Reading Score will be the determining factor.

d) If the Reading Score is equal, the Highest Math Score will be the determining factor;

e) If the Math Score is equal, the Highest English Score will be the determining factor.

6. If a student has had two previous entries into any nursing program, he/she will not be allowed to enter into any of Central Carolina Community College’s nursing curriculums for three years after the date of last enrollment. The applicant will be referred for academic and/or remediation planning to promote success upon re-entry.

B. Required Admission Criteria (All Applicants)

1. Pre-requisite Courses:

a) Pre-requisite Chemistry, Algebra, and Computer Literacy: Applicants must show evidence of completion of chemistry, algebra, and computer application courses at the high school level or above with a grade of “C” or better on each within five years of program application deadline. College courses that may be used to satisfy these requirements are:

Chemistry (select one):
- CHM 090 Chemistry Concepts
- CHM 092 Fundamentals of Chemistry
- CHM 130/130A General Organic and Biochemistry
- CHM 131/CHM 131A Introduction to Chemistry
- CHM 151 General Chemistry I

Algebra (select one):
- MAT 070 Introductory Algebra
- MAT 080 Intermediate Algebra
- MAT 110 Mathematical Measurements
- MAT 115 Mathematical Models
- MAT 140 Survey of Mathematics
- MAT 161 College Algebra

Computer Literacy (select one):
- CIS 110 Introduction to Computers
- CIS 111 Basic PC Literacy

b) Pre-requisite Biology:

Applicants must show evidence of completion of biology courses at the college developmental level or above with a grade of “C” or better within five years of program application deadline. College courses that may be used to satisfy these requirements are (select one):

- BIO 090 Foundations of Biology
- BIO 094 Concepts of Biology
- BIO 110 Principles of Biology
- BIO 111 General Biology I

c) For courses repeated, letter grades received in the most recent course will be used to assign points for selective admissions scoring purposes. Courses must have a grade of “C” or above to receive points.

d) Proficiency exams with a grade of “B” or appropriate CLEPs will be accepted for credit or fulfillment of the pre-requisite course requirement. Selective admission points for accepted proficiency and CLEPS will be calculated based upon a letter grade of “C.”
e) Completed AP course points will be awarded based upon the exam scores as follows: An AP exam score of 5 = 4 quality points, 4 = 3 quality points, and a 3 = 2 quality points multiplied by credit hours of the college curriculum course that it substitutes for.
f) Completed VOCATS course points will be awarded based upon the exam score of 80 or above. The score will be converted to a letter grade of “A” = 94-100, “B” = 86-93, and “C” = 80-85 with quality point assignments of 4, 3, and 2 respectively multiplied by credit hours of the college curriculum course that it substitutes for. The VOCAT score must be submitted within two years of high school graduation to be considered for course credit and point awards for selective admissions scoring.

2. Placement Test Scores (All test scores must be less than five years old or the student must have earned a “C” or better in the corresponding developmental courses or have received transfer credit for ENG 111 and MAT courses level 110 or above):
   a) CPT reading score of 80 or ACT score of 18 or SAT verbal score of 450 or completion of developmental reading requirements.
   b) CPT English score of 86 or ACT score of 18 or SAT verbal score of 450 or completion of developmental English requirements.
   c) CPT arithmetic score of 55 or ACT score of 18 or SAT mathematics score of 450 or completion of developmental arithmetic/mathematics requirements.
   d) CPT algebra score of 55 or ACT score of 18 or SAT mathematics score of 450 or completion of developmental algebra/mathematics requirements.

3. Test of Essential Academic Skills (TEAS)
   a) The Test of Essential Academic Skills (TEAS) will be administered on scheduled testing dates at the student’s expense.
   b) The applicant will be referred for remediation assistance based on a low TEAS composite score and/or component sub-scores. The student may re-test after successful completion of required remediation, college placement tests, developmental courses, and pre-requisite courses.
   c) TEAS test scores are valid for three years.
   d) Applicants must meet the minimal TEAS Composite Score. (The TEAS Composite Score will be used for selective admissions scoring purposes. The TEAS sub-scores will be used for pre-nursing and nursing remediation.)

4. GPA Cumulative and Semester
   a) Grade point averages of at least 2.5 cumulative and 2.0 semester on last semester of coursework completed at a secondary or postsecondary institution within the last five years is required for admission consideration.
   b) Must not be on academic probation or suspension status.
   c) Prior Health Care Program completion with appropriate listing/licensure is required for consideration at the designated entry points in the nursing programs:
   d) Provide proof of successful completion of a state approved Nurse Aide I Training and Competency Evaluation Program (NAT/CEP) and active listing on the North Carolina Department of Health and Human Services (NCDHHS) Nursing Assistant I Registry with no substantiated finding of abuse, neglect, or misappropriation of resident property in a nursing home or other health care facility. This active, non-restricted listing must be maintained throughout both application process and program enrollment. NC DHHS-approved NAI courses are preferred, however the CCCC Nursing Department Chair will determine, on a case-by-case basis, if a course administered by another state or agency meets the requirement.
   e) LPN-to-ADN Transition: Provide evidence of successful completion of a state approved practical nursing program and an active, non-restricted licensure as a licensed practical nurse in the state of North Carolina or another state in the multi-state compact.

6. The Test of English as a Foreign Language (TOEFL)
   a) TOEFL scores are required of any naturalized citizen or non-United States citizen where English is their second language to provide evidence of adequate proficiency in the English language.
   b) The minimum acceptable paper-based TOEFL score is 550. The minimum acceptable computer-based TOEFL score is 213. The minimum acceptable internet-based TOEFL score is 80.
   c) This test is offered at multiple testing sites nationally and is at the student’s expense.

7. Adult/Infant/Child CPR
   a) American Heart Association Certification in Adult-Infant-Child CPR and AED for Healthcare Providers that includes both testing and performance criteria is required of all applicants.
   b) CPR/AED certification is required for admission selection process and must be maintained throughout both the application process and program enrollment.

C. Optional Admission Criteria

1. GPA
   a) Points will be awarded based on a cumulative grade point average (through first semester for current high school seniors) or actual last college GPA.
   b) Only cumulative high school or college GPAs within the last five years will be considered.
   c) Students must have been enrolled in a minimum of 6 semester credit hours during the last semester for cumulative GPA consideration.
   d) Points will be awarded based upon the following cumulative GPA ranges: 2.5-2.99; 3.0-3.49; and 3.5-4.0.
   e) Cumulative GPAs over five years old and under 2.5 will not be assigned points for selective admission scoring purposes.

2. Residency Points will be assigned for selective admission scoring if the applicant is a legal North Carolina Resident for tuition purposes and resides in the three county service areas of Lee, Chatham, and Harnett counties.

3. Health Fields Work Experience Points will be assigned for selective admission scoring if the applicant has at least 6 months or at least 1040 hours of successful work or
accepted volunteerism in an approved health field within the last three years.

Health fields are identified as: Cardiac Care Technician, Cardiac Sonographer, Certified Medical Assistant, Certified Dental Assistant, Certified Dental Hygienist, Dialysis Technician, EKG Technician, Emergency Medical Technician, Health Care Technician, Licensed Practical Nurse, Medical laboratory Technician, Military Corpsman, Nursing Assistant I, Nursing Assistant II, Occupational Therapy Technician, Paramedics, Patient Care Technician, Pharmacy Technician, Phlebotomist, Physical Therapy Technician, Psychiatric Technician, Rehabilitation Technician, Respiratory Therapist Technician, Surgical Technician, and X-ray Technician.

4. High School Medical Career/Health Occupations Classes Points will be assigned for selective admission scoring if the applicant has successfully completed the high school Medical Career/Health Occupations Classes I and II with a grade of “C” or better within the last three years.

5. Curriculum Courses
a) Optional points will be assigned for selective admission scoring if the applicant has completed the required general education courses of the associate degree curriculum.
b) These courses are:
BIO 165 Anatomy & Physiology or high school AP Biology course/exam;
BIO 166 Anatomy & Physiology or high school AP Anatomy & Physiology course/exam;
PSY 150 Introduction to Psychology;
PSY 241 Developmental Psychology;
SOC 210 Introduction to Sociology;
ENG 111 Expository Writing or high school AP English course/exam;
ENG 112, ENG 113, OR ENG 114;
CIS 111 Basic PC Literacy or high school Computer Applications I & II/VOCATS;
Humanities elective
c) BIO 165, BIO 166, PSY 150, PSY 241, and CIS 111 and/or identified substitute high school AP must be completed within the last five years for point consideration. A student may request and attempt a proficiency examination for courses previously completed more than five years before application. Successful completion of a proficiency examination will allow the student to receive credit for the course.
d) College curriculum course points will be awarded based upon the course credit hours multiplied by quality points achieved. Letter grades of “A” = 4 quality points, “B” = 3 quality points, and “C” = 2 quality points. Letter grades of “D” and “F” receive no points for selective admission scoring.
e) Completed AP course points will be awarded based upon the exam scores as follows: An AP exam score of 5 = 4 quality points, 4 = 3 quality points, and a 3 = 2 quality points multiplied by credit hours of the college curriculum course that it substitutes for.
f) Completed VOCATS course points will be awarded based upon the exam score of 80 or above. The score will be converted to a letter grade of “A” = 94-100, “B” = 86-93, and “C” = 80-85 with quality point assignments of 4, 3, and 2 respectively multiplied by credit hours of the college curriculum course that it substitutes for. The VOCAT score must be submitted within two years of high school graduation to be considered for course credit and point awards for selective admissions scoring.
g) Point awarded for BIO 165 and BIO 166 or high school AP substitutes will be doubled in the scoring process.

II. Additional Admission Requirements for Advanced LPN-to-ADN Admission
1. Admission is based upon all required and optional selective admission criteria previously addressed.
2. Admission is dependent on space availability at the specific point of entry determined for admission.
3. Applicants must show evidence of graduation from a state-approved school of practical nursing.
4. All applicants must pass the LPN General Achievement Profile test or the LPN Specialized Testing to Evaluate Preparedness (STEP) with a composite final score equal to or above the national passing score for consideration for advanced LPN-to-RN admissions. The Department Chairperson and admissions counselor will then determine point of entry based upon LPN/STEP sub-score achievements and deficits. The student will incur any testing expense and may take the test only three times in a three year period. The applicant will be referred for remediation based upon a low LPN/STEP composite score and/or sub scores. The time frame between each retesting attempt will be based upon successful completion of all required remediation.
5. Once the LPN/STEP is passed, all applicants must next take the Medication Calculation Test. Students may take this test only three times in a three year period to achieve a score of 86% for acceptance consideration. The applicant will be referred for remediation based upon a low Medication Calculation test score. The time frame between each retesting attempt will be based upon successful completion of all required remediation.
6. After successful completion of the Medication Calculation Test, any applicant that has been out of practical nursing school or active nursing practice for over five years must then take the Skills Validation Test. Students may take the skills validation test only three times in a three-year period to achieve a score of 86% for acceptance consideration. The applicant will be referred for remediation based upon low Skills Validation Test/Performance results. The time frame between each retesting attempt will be based upon successful completion of all required remediation.
7. Applicants must submit a copy of a current, unrestricted North Carolina LPN license or license from a state within the multi-state compact.
8. Applicants must present letters on official letterhead from an administrative supervisor of the health care agency where the applicant is/has been most recently employed and/or the nursing chairperson of the practical nursing
program attended. The applicant:

a) Must have been employed as an LPN with documentation of at least one year full-time clinical experience with direct patient care in a health care agency within the last two years, or

b) Must provide documentation of direct patient care in a practical nursing program for at least six months of the twelve months immediately prior to admission, or

c) Must provide documentation of at least one year combined full-time clinical experience with direct patient care employed in a health care agency and a practical nursing program within the last two years, and

d) Must provide documentation that the applicant’s employment/clinical practice has met minimal competence levels for that of a licensed practical nurse or nursing student.

e) The Nursing Department Chair will determine where applicants who do not meeting the above work experience criteria are placed.

9. Applicants must have successfully completed all general education courses required in the first year of the Associate Degree Nursing Program with a grade of “C” or better.

e) Courses with a five-year time limit are:
   BIO 165 Anatomy and Physiology I (4 semester hours) & BIO 166 Anatomy and Physiology II (4 semester hours),
   PSY 150 General Psychology (3 semester hours),
   PSY 241 Developmental Psych (3 semester hours),
   CIS 111 Basic PC Literacy (2 semester hours)

A student may request and attempt a proficiency examination for courses previously completed more than five years before application. Successful completion of a proficiency examination will allow the student to receive credit for the course.

f) Other required course is: ENG 111/111A Expository Writing/Lab (3 + 1 semester hours)

g) Course exemption ACA 115 Success and Study Skills (1 semester hour) unless identified as required pre-entry remediation.

10. If an advanced placement LPN does not meet the above admission criteria and/or validation testing, he/she may apply for regular admission as a first-year new entry student in the Associate Degree Nursing Program.

III. Re-admission or transfer into the nursing program:

1. The student must qualify under the admission criteria in effect at time of re-admission or transfer.

a) A student may be required to re-enter a nursing course earlier in the curriculum sequence if the student is lacking major course content.

b) All nursing courses completed more than 3 years prior to re-admission or transfer must be repeated.

c) BIO 165 Anatomy & Physiology I, BIO 166 Anatomy & Physiology II, PSY 150 General Psychology, PSY 241 Developmental Psychology, and CIS 111 Basic PC Literacy completed more than five years prior to entry, re-admission, or transfer must be repeated or a proficiency test completed successfully.

d) Withdrawal or academic failure within the Associate Degree Nursing Program will require the student to reapply as a new student.

e) Advanced placement is dependent upon space availability.

f) The Nursing Department Chairperson will evaluate transferability of all nursing courses. Transfer courses must be equivalent to courses required at the receiving college in theory, lab, and clinical experiences. The student must provide copies of outlines and syllabi of nursing courses to the department chairperson. Students lacking essential content may be required to audit a portion of a course, challenge the content, demonstrate skills, or repeat the course as deemed necessary. The final decision for transfer credit for nursing courses rests with the chairperson.

g) Applicants must submit a letter explaining the circumstances of any previous exit from a nursing or allied health program. This letter must be sent from the previous department chair. CCCC’s nursing department chair and dean of student services must approve students who were dismissed, expelled, or suspended for any reason. Students who withhold previous exit information may be dismissed from the program.

IV. Requirements after Acceptance:

1. Mandatory Acceptance Session: When notified of acceptance, applicants must attend a mandatory orientation session with the Nursing Department Chair and faculty to discuss program requirements, schedules, payment due dates, and to order uniforms.

2. Clinical Affiliation Requirements: The contract between CCCC and a clinical agency requires that the college abide by the existing rules and regulations of the agency. The college follows agency protocol regarding drug screening and criminal background checks. Clinical contracts require that every student submit to and complete a medical form through his/her own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and acceptance will be denied.

3. Medical Forms: Applicants are required to submit a completed college approved student medical health form to the nursing department chairperson at least 90 days before entering the program. The student medical form must include satisfactory health history, physical examination, and immunization report. Failure to submit a completed medical form will result in loss of nursing admission status and class space will be assigned to another applicant. NO student will be permitted to participate in clinical without having submitted his/her completed medical form.

4. Liability/Malpractice Insurance: Insurance fees must be paid to the Business Office by due date established before entry into the program and each subsequent year enrolled.

Academic Standards: See General Academic Standards in (Gen. Info section).
Program Specific Academic Standards: See additional Program Specific Academic Standards in the Nursing
Student Guidelines Handbook and specific nursing course syllabus.

1. Nursing curriculum students once enrolled must maintain an overall and semester quality point average of 2.0 or better, and must obtain a grade of "C" or better in all nursing courses. Students are encouraged to earn higher grades to help ensure that they are prepared to pass the National Council Licensure Examination (NCLEX), which is required to practice as a nurse.

2. Nursing and progressive related courses must be taken in succession as they appear in the catalog.

3. Nursing students must meet the standards related to demonstration of emotional and physical health within the framework of nursing practice and must adhere to all other policies set forth in the Nursing Student Guidelines Handbook.

4. Nursing students must not be on academic probation or suspension status.

Total Semester Hours Credit Required for Graduation: 73

2013-2015 College Catalog – Central Carolina Community College
Dental Assisting
Credential: Diploma in Dental Assisting D4524000

The Dental Assisting curriculum prepares individuals to assist the dentist in the delivery of dental treatment and to function as integral members of the dental team while performing chair-side and related office and laboratory procedures.

Coursework includes instruction in general studies, biomedical sciences, dental sciences, clinical sciences, and clinical practice. A combination of lecture, laboratory, and clinical experiences provides students with knowledge in infection/hazard control, radiography, dental materials, preventive dentistry, and clinical procedures.

Graduates may be eligible to take the Dental Assisting National Board Examination to become Certified Dental Assistants. As a Dental Assistant II, defined by the Dental Laws of North Carolina, graduates work in dental offices and other related areas.

Limited Enrollment Curriculum:
The Dental Assisting program is a limited enrollment curriculum and program applicants are accepted based upon a selective admissions process. Admission criteria for the Dental Assisting program are reviewed annually and are subject to change.

A. All Dental Assisting Students

Admission
A student can apply to the Dental Assisting program once eligibility requirements have been met. Acceptance is based on a competitive selective admissions process. Students are not allowed to enter into any of the Central Carolina Community College’s Dental Assisting curriculum if they have had two previous entries into any Dental Assisting program. Prospective students must attend a mandatory information session prior to submitting an application to the Dental Assisting program.

Applicants are required to contact the Dental Programs Admissions Counselor to obtain a Dental Program Application, a current set of Dental Assisting Admission Guidelines, and to be scheduled into a mandatory information session. After an applicant has completed all general college admission requirements and all Dental Assisting entrance required criteria, he/she must submit a completed Dental Program Application. Applicants who have completed the Dental Program Application by the deadline will be ranked by tallied points and offered admission in order of ranking. A second date may be announced for additional application to be considered for unfilled spaces.

A student can apply to only one of the CCCC Dental Programs during any designated selection time period. It is the applicants’ responsibility to ensure that they are aware of all regulations and that all requirements are met by the established deadline.

Placement Test Scores
Placement Tests and all developmental courses must be taken prior to admittance to DA program. All test scores must be less than five years old: Each applicant should score at least the following scores on the CPT placement test or ACT or SAT or have completed the developmental requirements for reading, English, arithmetic or algebra. Indicated below are the scores required to place into English 102 and MAT 110:

- CPT Reading score of 80 or ACT score of 18 or SAT verbal score of 450 or completion of developmental reading requirements.
- CPT English score of 86 or ACT score of 18 or SAT verbal score of 450 or completion of developmental English requirements.
- CPT Arithmetic score of 55 or ACT score of 18 or SAT verbal score of 450 or completion of developmental arithmetic requirements.

GPA
Students must have a 2.0 semester and a 2.5 cumulative GPA at the time of making application to the program and maintain a 2.5 GPA at the time of entering program from a secondary or post-secondary institution.

TEAS (Test of Essential Academic Skills)
All required college placement tests or developmental courses must be successfully completed before the applicant may attempt the Test of Essential Academic Skills (TEAS). There is a fee required to take the Test of Essential Academic Skills (TEAS).

The TEAS will be administered on scheduled testing dates at student’s expense. Each applicant may take the exam three times within three years. Only the two most recent attempts will be used towards the selective admissions process. Students can complete remediation between attempts. Remediation options are as follows: developmental courses, college credit courses, and/or continuing education courses or other strategies related to the subject areas. TEAS scores are valid for three years and must be current when submitting a Dental Programs application. There is no minimum score required, but the percentage correct in the areas of Math, Reading and English will be used for admissions consideration.

Pre-requisite Biology, Math and Computer Literacy
Applicants must have completed Biology, Algebra, and a computer literacy course to submit a Dental Program application. Each course must be taken within the last five years with a grade of “C” or better.

Biology= high school, developmental, or college level BIO course (example: BIO 094, BIO 110, BIO 111, BIO 163)
Algebra=high school, developmental or college level Algebra course (example: MAT 110 or higher)
Computer proficiency may be satisfied by completion of a high school computer course OR completion of a college level computer course OR completion of a computer proficiency exam. (example: Computer Apps, Digital Communications, CIS 110, CIS 111)

The Test of English as a Foreign Language (TOEFL)
TOEFL scores are required for all Non-US Citizens as evidence of adequate proficiency in the English language. The exception to testing is foreign students from countries where English is the official language. The minimum acceptable paper-based TOEFL score is 550. The minimum acceptable computer-based TOEFL score is 213. This test is offered at multiple testing sites nationally and is at the student’s expense.

Medical Forms/Hepatitis B Shots
Applicants are required to submit a completed college approved student medical health form to the Dental Assisting Program Director at least 45 days before entering the program. The student medical form must include satisfactory health history, physical examination, and immunization report. Failure to submit a completed medical form will result in loss of Dental Assisting admission status and class space will be assigned to another applicant. NO student will be permitted to participate in clinic without having submitted a completed medical form.

Hepatitis B shots (3 series shot) required through second series prior to first Fall semester and completed by Spring semester.

Adult/Infant/Child/AED CPR
CPR Certification by the American Heart Association (AHA) or American Red Cross in Adult-Infant-Child CPR and AED for Healthcare Providers that includes both performance and testing of criteria is required prior to program entry. CPR Certification must be current at time of Dental Program application and maintained while in the program.

Mandatory Acceptance Session
When notified of acceptance, applicants must attend a mandatory orientation session with the Dental Assisting department.

Liability/Malpractice Insurance
Insurance fees must be paid to the Business Office before entry into the program and each subsequent year enrolled.

Re-admission or transfer into the Dental Assisting program
The student must qualify under the admission criteria in effect at time of re-admission or transfer. A student may be required to re-enter a Dental Assisting course earlier in the curriculum sequence if the student is lacking major content.

All Dental Assisting courses completed more than 3 years prior for re-admission or transfer must be repeated.
Withdrawal or academic failure within the Dental Assisting Program will require the student to reapply as a new student.
Advanced placement is dependent upon space availability.
The Dental Assisting Program Director will evaluate transferability of all Dental Assisting courses. Transfer courses must be equivalent to courses required at the receiving college in both theory and clinical experiences. The student must provide copies of course syllabi and outlines for those Dental Assisting courses taken to the department chairperson. Students lacking essential content may be required to audit a portion of a course, challenge the content, demonstrate skills, or repeat the course as deemed necessary. The final decision for transfer credit for Dental Assisting courses is determined by the Dental Assisting Program Director.

Applicants must submit a letter explaining the circumstances of any previous exit from a Dental Assisting program. The letter must be sent from the previous Dental Assisting Program Director. CCCC’s Dental Assisting Program Director and Dean of Students must approve students who were dismissed, expelled, or suspended for any reason. Students who withhold previous exit information may be dismissed from the program.

Academic Standards:
Program Specific Academic Standards: See additional Program Specific Standards in the Dental Assisting Student Guidelines Handbook and specific Dental Assisting course syllabus.

Dental Assisting students must maintain an overall and semester GPA 2.0 or better, and must have a grade of “C” or better in all courses required by the Dental Assisting curriculum.

Dental Assisting and progressive related courses must be taken in succession as they appear in the catalog. Dental Assisting students must meet the standards related to demonstration of emotional and physical health within the framework of Dental Assisting practice and must adhere to the other policies set forth in the Dental Assisting Student Guidelines Handbook. Dental Assisting students must not be on probation or suspension status.

Dental Hygiene
Credential: Associate in Applied Science
Degree in Dental Hygiene
A45260

The Dental Hygiene curriculum provides individuals with the knowledge and skills to access, plan, implement, and evaluate dental hygiene care for the individual and the community.

Students will learn to prepare the operatory, take patient histories, note abnormalities, plan care, teach oral hygiene, clean teeth, take x-rays, apply preventive agents, complete necessary chart entries, and perform other procedures related to dental hygiene care.

Graduates of this program may be eligible to take national and state/regional examinations for licensure which are required to practice dental hygiene. Employment opportunities include dental offices, clinics, schools, public health agencies, industry, and professional education.

Limited Enrollment Curriculum:
The Dental Hygiene program is a limited enrollment curriculum and program applicants are accepted based upon a selective admission process. Admission criteria for the Dental Hygiene program are reviewed annually and are subject to change.

Program Entrance Standards:
Admissions Process:
A student can apply to the Dental Hygiene program once eligibility requirements have been met. Acceptance is based on a competitive selective admissions process. Students are not allowed to enter into the Central Carolina Community College’s Dental Hygiene curriculum if they have had two previous entries into any Dental Hygiene program.

Prospective students must attend a mandatory information session prior to submitting an application to the Dental Hygiene program. Applicants are required to contact the Dental Programs Admissions Counselor to obtain a Dental Program Application and current set of Dental Hygiene Admission Guidelines, and to be scheduled into a mandatory information session.

After an applicant has completed all general college admission requirements and all Dental Hygiene entrance required criteria, he/she must submit a completed Dental Program Application. Applicants who have completed the Dental Program Application by the deadline will be ranked by tallied points and offered admission in order of ranking. A second date may be announced for additional applications to be considered for unfilled spaces. A student can apply to only one of the CCCC Dental Programs during any designated selection time period. It is the applicants' responsibility to ensure that they are aware of all regulations.
and that all requirements are met by the established deadline.

**Placement Test Scores**
Placement tests and all developmental courses must be taken prior to admittance to the Dental Hygiene program. All test scores must be less than five years old or the student must have earned a “C” or better in the corresponding developmental courses or have received transfer credit for ENG 111 and MAT courses level 110 or above. Each applicant should earn at least the following minimum scores on the CPT placement test or ACT or SAT or have completed the developmental course requirements for reading, English, arithmetic or algebra. Minimum scores required to place into ENG 111 and MAT 110 are as follows:

ENG 111 placement:
CPT Reading score of 80 or ACT score of 18 or SAT verbal score of 450 or completion of developmental reading requirements.
CPT English score of 86 or ACT score of 18 or SAT verbal score of 450 or completion of developmental English requirements.

MAT 110 placement:
CPT Arithmetic score of 55 or ACT score of 18 or SAT verbal score of 450 or completion of developmental arithmetic requirements.

**GPA**
Students must have a 2.0 semester and a 2.5 cumulative GPA at the time of making application to the program and maintain a 2.5 GPA at the time of entering program from a secondary or post-secondary institution.

**TEAS (Test of Essential Academic Skills)**
All required college placement tests or developmental courses must be successfully completed before the applicant may attempt the Test of Essential Academic Skills (TEAS). There is a fee required to take the Test of Essential Academic Skills (TEAS).

The TEAS will be administered on scheduled testing dates at student’s expense. Each applicant may take the exam three times within three years. Only the two most recent attempts will be used towards the selective admissions process. Students can complete remediation between attempts. Remediation options are as follows: developmental courses, college credit courses, and/or continuing education courses or other strategies related to the subject areas. TEAS scores are valid for three years and must be current when submitting a Dental Programs application. There is no minimum score required, but the percentage correct in the areas of Math, Reading and English will be used for admissions consideration.

**Pre-requisite Biology, Chemistry, Algebra and Computer Literacy**
Applicants must have completed, or be in the process of completing, high school Biology, Chemistry, Algebra I and computer Literacy course to submit a Dental Program Application. Each course must be taken within the last five years with a grade “C” or better.

Biology = high school, developmental, or college level BIO course (example: BIO 094, BIO 110, BIO 111, BIO 163, BIO 175, BIO 180)
Chemistry = high school, developmental, or college level CHM course (example: CHM 090, CHM 130/13A, CHM 151)
Algebra = high school, developmental or college level Algebra course (example: MAT 110 or higher)

Computer proficiency may be satisfied by completion of a high school computer course OR completion of a college level computer course OR completion of a computer proficiency exam.
(example: Computer Apps, Digital Communications, CIS 110, CIS 111)

Official transcripts for completed courses must be submitted by application deadline.

**The Test of English as a Foreign Language (TOEFL)**
TOEFL scores are required for all Non-US Citizens as evidence of adequate proficiency in the English language. The exception to testing is foreign students from countries where English is the official language. The minimum acceptable paper-based TOEFL score is 550. The minimum acceptable computer-based TOEFL score is 213. This test is offered at multiple testing sites nationally and is at the student’s expense.

**Medical Forms/Hepatitis B Shots**
Applicants are required to submit a completed college approved student medical health form to the Dental Hygiene Program Director at least 45 days before entering the program. The student medical form must include satisfactory health history, physical examination, and immunization report. Failure to submit a completed medical form will result in loss of Dental Hygiene admission status and class space will be assigned to another applicant. NO student will be permitted to participate in clinic without having submitted a completed medical form. Hepatitis B shots (3 series shot) required through second series prior to the first Fall semester and completed by the first Spring semester.

**Adult/Infant/Child /AED CPR**
CPR Certification by the American Heart Association (AHA) or American Red Cross in Adult-Infant-Child CPR and AED for Healthcare Providers that includes both performance and testing of criteria is required prior to program entry. CPR Certification must be current at the time of Dental Program application and maintained while in program.
### Mandatory Acceptance Session
When notified of acceptance, applicants must attend a mandatory orientation session with the Dental Hygiene department.

### Liability/Malpractice Insurance
Insurance fees must be paid to the Business Office before entry into the program and each subsequent year enrolled.

### Re-admission or transfer into the Dental Hygiene program
The student must qualify under the admission criteria in effect at time of re-admission or transfer. A student may be required to re-enter a Dental Hygiene course earlier in the curriculum sequence if the student is lacking major content. All Dental Hygiene courses completed more than 3 years prior for re-admission or transfer must be repeated. Withdrawal or academic failure within the Dental Hygiene program will require the student to reapply as a new student. Advanced placement is dependent upon space availability.

The Dental Hygiene Program Director will evaluate transferability of all Dental Hygiene courses. Transfer courses must be equivalent to courses required at the receiving college in both theory and clinical experiences. The student must provide copies of course syllabi and outlines for those Dental Hygiene courses taken to the department chairperson. Students lacking essential content may be required to audit a portion of a course, challenge the content, demonstrate skills, or repeat the course as deemed necessary. The final decision for transfer credit for Dental Hygiene courses is determined by the Dental Hygiene Program Director.

Applicants must submit a letter explaining the circumstances of any previous exit from a Dental Hygiene program. The letter must be sent from the Dental Hygiene Program Director at the former institution. CCC’s Dental Hygiene Program Director and Vice-President of Student Services must approve students who were dismissed, expelled, or suspended for any reason. Students who withhold previous exit information may be dismissed from the program.

### Program Specific Academic Standards:
See the Dental Hygiene Student Policies and Procedures Manual and specific Dental Hygiene course syllabi.

Dental Hygiene students must maintain an overall and semester GPA 2.0 or better, and must have a grade of “C” or better in all courses required by the Dental Hygiene curriculum. Dental Hygiene and progressive related courses must be taken in succession as they appear in the catalog. Dental Hygiene students must meet the standards related to demonstration of emotional and physical health within the framework of Dental Hygiene practice and must adhere to the other policies set forth in the Dental Hygiene Student Policies and Procedures Manual. Dental Hygiene students must not be on probation or suspension status.

Human Services Technology

Credential: Associate in Applied Science

Degree in Human Services Technology  A45380

The Human Services Technology curriculum prepares students for entry-level positions in institutions and agencies which provide social, community, and educational services. Along with core courses, students take courses which prepare them for specialization in specific human service areas.

Students take courses from a variety of disciplines. Emphasis in core courses is placed on development of relevant knowledge, skills, and attitudes in human services. Fieldwork experience provides opportunities for application of knowledge and skills learned in the classroom.

Graduates are qualified for positions in mental health, childcare, family services, social services, rehabilitation, correction, and educational agencies.

Student Success – Select One *Effective 2014 Fall
Credential: Certificate in Licensed Practical Nurse Refresher
C45390

The Licensed Practical Nurse Refresher curriculum provides a refresher for individuals previously licensed as Practical Nurses and who are ineligible for reentry into nursing practice due to a lapse in licensure for five or more years. Individuals entering this curriculum must have been previously licensed as a practical nurse. Coursework includes common medical-surgical conditions and nursing approaches to their management, including mental health principles, pharmacological concepts, and safe clinical nursing practice. Graduates are eligible to apply for reinstatement of licensure by the North Carolina Board of Nursing. Employment opportunities include hospitals, long term care facilities, clinics, physicians’ offices, industry, and community health agencies.

Limited Enrollment Curriculum:
1. Enrollment is limited to the number of approved spaces allocated by the North Carolina Board of Nursing. NUR 105 is offered on a demand and space available basis.
2. Admission criteria for the nursing program are reviewed annually and are subject to change.
3. Nursing is a practice discipline with cognitive, sensory, affective, and psychomotor performance requirements. Further information regarding the physical and cognitive expectations of a student nurse and CORE performance standards (critical thinking, interpersonal, communication, mobility, motor skills, hearing, visual, and tactile) may be found in the Nursing Student Guideline Handbook.
4. Students who enroll in the nursing program should be aware that the application for re-licensure at the completion of the program might be denied or restricted by the North Carolina Board of Nursing. As the regulatory agency, the Board of Nursing does not become involved in reviewing the applicant’s conviction record until such time as application for re-licensure is made. Denial or restriction can be for the following reasons:
a) The student practiced fraud or deceit in attempting to procure a license to practice nursing;
b) The student has been convicted of a misdemeanor/ felony (excluding a minor traffic violation);
c) The student is mentally or physically incompetent or uses any drug to a degree that interferes with fitness to practice nursing;
d) The student engages in conduct, which endangers the public health.
5. Clinical Affiliation Requirements: The contract between CCCC and a clinical agency requires that the college abide by the existing rules and regulations of the agency. The college follows agency protocol regarding drug screening and criminal background checks. Clinical contracts require that every student submit to and complete a medical form through own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a
student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and acceptance and/or progression in the program will be denied.
6. It is the applicants’ responsibility to ensure that they are aware of the above limitations and that all requirements are met by the established deadline.

Program Specific Entrance Standards:
1. Complete and submit a college application and a Nursing Program Application to the nursing admissions counselor.
2. Provide verification of previous licensure as a licensed practical nurse.
3. Provide an official transcript validating completion of an approved licensed practical nursing program.
4. Provide copies of any documentation from the North Carolina Board of Nursing directing the applicant to take the NUR 105 course for reinstatement of licensure.

Requirements after Acceptance:
1. Accepted applicants must attend an information session with the nursing department chairperson and/or lead instructor and/or a representative of student services to discuss program requirements and schedules and to order uniforms.
2. Applicants must submit proof of current Adult/Infant/Child CPR
   a) American Heart Association Certification in Adult-Infant-Child CPR and AED for Healthcare Providers that includes both testing and performance criteria.
   b) CPR/AED certification is required for admission selection process and must be maintained throughout both the application process and program enrollment.
3. Clinical Affiliation Requirements: Clinical contracts require that every student submit to and complete a medical form through own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and acceptance will be denied.
4. Medical Forms: Applicants are required to submit a completed college approved student medical health form to the nursing department chairperson at least 30 days before entering the program. The student medical form must include satisfactory health history, physical examination, and immunization report. Failure to submit a completed medical form will result in loss of nursing admission status and class space will be assigned to another applicant. NO student will be permitted to participate in clinical without having submitted his/her completed medical form.
5. Liability/Malpractice Insurance: Insurance fees must be paid to the Business Office by due date established before entry into the program and each subsequent year enrolled.

Program Specific Academic Standards:
1. Students will not be allowed to enter any nursing curriculum or repeat any curriculum course more than twice.
2. Students must achieve a grade of “C” or better in all major courses in the curriculum to progress.
3. Nursing students must meet the standards related to demonstration of emotional and physical health within the framework of nursing practice and must adhere to all other policies set forth in the Nursing Student Guidelines Handbook.
4. Nursing students must not be on academic probation or suspension status.
5. CIS Basic PC Literacy (2 semester hours) or CIS 110 Intro to Computers (3 semester hours) completed more than 5 years prior to entry, re-admission, or transfer must be repeated.

Program Length: 2 semester

**Medical Assisting**

**Credential: Associate in Applied Science**

**Degree in Medical Assisting**

**A45400**

The Medical Assisting curriculum prepares multi-skilled health care professionals qualified to perform administrative, clinical, and laboratory procedures. Coursework includes instruction in scheduling appointments, coding and processing insurance accounts, billing, collections, medical transcription, computer operations; assisting with examinations/treatments, performing routine laboratory procedures, electrocardiography, supervised medication administration; and ethical/legal issues associated with patient care.

Graduates of the Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited medical assisting programs may be eligible to sit for the American Association of Medical Assistants’ Certification Examination to become Certified Medical Assistants. Employment opportunities include physicians’ offices, health maintenance organizations, health departments, and hospitals.

Program Specific Entrance Standards
1. Complete all developmental courses. (All test scores must be less than five years old or the student must have earned a “C” or better in the corresponding developmental courses or have received transfer credit.

   a) CPT reading score of 80 or ACT score of 18 or SAT verbal score of 450 or completion of developmental reading requirements.

   b) CPT English score of 86 or ACT score of 18 or SAT verbal score of 450 or completion of developmental English requirements.

   c) CPT arithmetic score of 55 or ACT score of 18 or SAT mathematics score of 450 or completion of developmental arithmetic requirements.

2. Attend a scheduled information session or interview with a medical assisting instructor.

3. A physical examination and immunization update are required. Once a student has been tentatively accepted, forms to be used by the physician will be provided by the College.

4. Students transferring into the program must have a 2.5 GPA or better.

5. Complete CPR Certification, Health Care Provider through The American Heart Association or the American Red Cross, are the only acceptable organizations

Program Specific Academic Standards:
1. Students must achieve a grade of “C” or better in all major courses in the curriculum to progress.

Program Length: 5 semesters

Career Pathway Options: Associate in Applied Science in Medical Assisting; Diploma in Medical Assisting

Program Sites:
- Chatham Campus - Day Program, 1st year
- Harnett Campus - Day Program, 1st year
- Lee Campus – Online/Evening, 2nd year

Medical Assisting
Credential: Diploma in Medical Assisting
D45400

The Medical Assisting curriculum prepares multi-skilled health care professionals qualified to perform administrative, clinical, and laboratory procedures.

Coursework includes instruction in scheduling appointments, coding and processing insurance accounts, billing, collections, medical transcription, computer operations; assisting with examinations/treatments, performing routine laboratory procedures, electrocardiography, supervised medication administration; and ethical/legal issues associated with patient care.

The Central Carolina Community College Medical Assisting Programs are accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), on recommendation of the Curriculum Review Board of the American Association of Medical Assistants' Endowment (AAAME). Commission on Accreditation of Allied Health Education Programs, 35 East Wacker Drive, Suite 1970, Chicago, IL 60601-2208, (312)553-9355.

Graduates of CAAHEP accredited medical assisting programs may be eligible to sit for the American Association of Medical Assistants’ Certification Examination to become Certified Medical Assistants. Employment opportunities include physicians’ offices, health maintenance organizations, health departments, and hospitals.

(All placement test scores must be less than five years old.)

Program Specific Entrance Standards
1. Complete all developmental courses. (All test scores must be less than five years old or the student must have earned a “C” or better in the corresponding developmental courses or have received transfer credit.
   a) CPT reading score of 80 or ACT score of 18 or SAT verbal score of 450 or completion of developmental reading requirements.
   b) CPT English score of 86 or ACT score of 18 or SAT verbal score of 450 or completion of developmental English requirements.
   c) CPT arithmetic score of 55 or ACT score of 18 or SAT mathematics score of 450 or completion of developmental arithmetic requirements.
2. Attend a scheduled information session or interview with a medical assisting instructor.
3. A physical examination and immunization update are required. Once a student has been tentatively accepted, forms to be used by the physician will be provided by the College.

Nursing Assistant Credential: Nursing Assistant Certificate C45480

The Nursing Assistant curriculum prepares individuals to work under the supervision of licensed health care professionals in providing nursing care and services for clients of all ages.

Course work emphasizes personal care, vital signs, communication, nutrition, medical asepsis, catheterization, tracheostomy care, dressing changes, oxygen therapy, and the legal scope of practice for Nursing Assistants.

Graduates of this curriculum may be eligible to be listed on the registry as a Nurse Aide I and Nurse Aide II and will satisfy the Prior Health Care Program completion requirement specified in the selective admission process for CCC’s Practical Nursing and Associate Degree Nursing programs. Graduates may be employed in home health agencies, hospitals, clinics, nursing homes, extended care facilities, and doctors’ offices.

Prerequisites: CPR Certification, TB Screening, and Vaccinations required 2 weeks prior to first day of class.

Clinical Affiliation Requirements: The contract between CCCC and a clinical agency requires that the college abide by the existing rules and regulations of the agency. The college follows agency protocol regarding drug screening and criminal background checks. Clinical contracts require that every student submit to and complete a medical form through own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and progression in the program will be limited.

Program Length: 2 semesters
Career Pathway Options: Nursing Assistant Certificate; Practical Nursing Diploma; Associate in Applied Science Degree in Associate Degree Nursing
Program Sites: Harnett Campus—Day

Course Requirements for Nursing Assistant Certificate

A. Required Major Core Courses (14 SHC) C-L-CL-SHC
NAS 101 Nursing Assistant I 3-4-3-6
NAS 102 Nursing Assistant II 3-2-6-6
NAS 103 Home Health Care 2-0-0-2

B. Other Major Hours Required for Graduation (3 SHC) C-L-SHC
PSY 150 General Psychology 3-0-3

Total Semester Hours Credit Required for Graduation: 17
Practical Nursing
Credential: Diploma in Practical Nursing
D45660

This curriculum prepares individuals with the knowledge and skills to provide nursing care to children and adults. Students will participate in assessment, planning, implementing, and evaluating nursing care. Graduates of this program are eligible to apply to take the National Council Licensure Examination – Practical Nurse Examination (NCLEX-PN), which is required for practice as a Practical Nurse. Employment opportunities include hospitals, rehabilitation, long term care, home health facilities, clinics, and physicians’ offices.

Limited Enrollment Curriculum:
1. In the nursing programs, applicants are accepted based upon a merit-based, selective admissions process.
2. Enrollment is limited to the number of approved spaces allocated by the North Carolina Board of Nursing.
3. Admission criteria for the nursing program are reviewed annually and are subject to change.
4. Nursing is a practice discipline with cognitive, sensory, affective, and psychomotor performance requirements. Further information regarding the physical and cognitive expectations of a student nurse and CORE performance standards (critical thinking, interpersonal, communication, mobility, motor skills, hearing, visual, and tactile) may be found in the Nursing Student Guideline Handbook.
5. Students who enroll in the nursing program should be aware that the application for licensure at the completion of the program might be denied or restricted by the North Carolina Board of Nursing. As the regulatory agency, the Board of Nursing does not become involved in reviewing the applicant’s conviction record until such time as application is made to take the national licensure examination. Denial or restriction can be for the following reasons:
a) The student practiced fraud or deceit in attempting to procure a license to practice nursing;
b) The student has been convicted of a misdemeanor/felony (excluding a minor traffic violation);
c) The student is mentally or physically incompetent or uses any drug to a degree that interferes with fitness to practice nursing;
d) The student engages in conduct, which endangers the public health.
6. Clinical Affiliation Requirements: The contract between CCCC and a clinical agency requires that the college abide by the existing rules and regulations of the agency. The college follows agency protocol regarding drug screening and criminal background checks. Clinical contracts require that every student submit to and complete a medical form through own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and acceptance and/or progression in the program will be denied.
7. A complete Nursing Program Application must be submitted by the appropriate deadline.
8. It is the applicants’ responsibility to ensure that they are aware of the above limitations and that all requirements are met by the established deadline.

Entrance Standards: See General Admission Standards in the electronic catalog (Gen. Info section).

Program Specific Entrance Standards:

I. All Nursing Students

A. Selective, Merit-Based Admission Process
1. A student can apply to any of the CCCC nursing programs but can only be evaluated for selective admissions for one program during any one designated selection time period.
2. Once a student completes all college admission criteria and those nursing criteria designated as “Required,” he/she is determined to be a qualified applicant for the selection pool. Only after the applicant has completed the required Nursing Program Application will the applicant be ready to submit the application and worksheet for score tally.
3. Applicants with highest combined points in the required and optional sections will be offered admission.
4. Selection applications will be accepted mid-January through mid-February for each fall enrollment. In the event that all spaces are not filled for fall consideration, applications for late consideration will be accepted during the months of May and August. Consideration applications for spring acceptance will be considered in May. In the event that all spring spaces are not filled, late consideration applications will be accepted in September and December. See college website announcements for specific acceptance time periods.
5. If applicants have the same total point count, the applicant’s highest Test of Essential Academic skills (TEAS)Test Score(s) will be the determining factor in the following order:
a) First use the applicant’s total Composite Score (Combined Reading, Math, Science, and English Scores);
b) If the total Composite Score is equal, then the highest Science Score will be the determining factor;
c) If the Science score is equal, the Highest Reading Score will be the determining factor.
d) If the Reading Score is equal, the Highest Math Score will be the determining factor.
e) If the Math Score is equal, the Highest English Score will be the determining factor.
5. If a student has had two previous entries into any nursing program, he/she will not be allowed to enter into any of Central Carolina Community College’s nursing curriculums for three years after the date of last enrollment. The application will be referred for academic and/or remediation planning to promote success upon re-entry.
B. Required Admission Criteria (All Applicants)

1. Pre-requisite Courses:

a) Pre-requisite Chemistry, Algebra, and Computer Literacy: Applicants must show evidence of completion of chemistry, algebra, and computer application courses at the high school level or above with a grade of “C” or better on each within five years of program application deadline. College courses that may be used to satisfy these requirements are:

   Chemistry (select one):
   - CHM 090 Chemistry Concepts
   - CHM 092 Fundamentals of Chemistry
   - CHM 130/130A General Organic and Biochemistry
   - CHM 131/CHM 131A Introduction to Chemistry
   - CHM 151 General Chemistry I

   Algebra (select one):
   - MAT 070 Introductory Algebra
   - MAT 080 Intermediate Algebra
   - MAT 110 Mathematical Measurements
   - MAT 115 Mathematical Models
   - MAT 140 Survey of Mathematics
   - MAT 161 College Algebra

   Computer Literacy (select one):
   - CIS 110 Introduction to Computers
   - CIS 111 Basic PC Literacy

b) Pre-requisite Biology

Applicants must show evidence of completion of biology courses at the college developmental level or above with a grade of “C” or better within five years of program application deadline. College courses that may be used to satisfy these requirements are (select one):

   - BIO 090 Foundations of Biology
   - BIO 094 Concepts of Biology
   - BIO 110 Principles of Biology
   - BIO 111 General Biology I

c) For courses repeated, letter grades received in the most recent course will be used to assign points for selective scoring purposes. Courses must have a grade of “C” or above to receive points.

d) Proficiency exams with a grade of “B” or appropriate CLEPs will be accepted for credit or fulfillment of the pre-requisite course requirement. Selective admission points for accepted proficiency and CLEPS will be calculated based upon a letter grade of “C”.

e) Completed AP course points will be awarded based upon the exam scores as follows: An AP exam score of 5 = 4 quality points, 4 = 3 quality points, and a 3 = 2 quality points multiplied by credit hours of the college curriculum course that it substitutes for.

f) Completed VOCATS course points will be awarded based upon the exam score of 80 or above. The score will be converted to a letter grade of “A” = 94-100, “B” = 86-93, and “C” = 80-85 with quality point assignments of 4, 3, and 2 respectively multiplied by credit hours of the college curriculum course that it substitutes for. The VOCAT score must be submitted within two years of high school graduation to be considered for course credit and point awards for selective admissions scoring.

2. Placement Test Scores (All test scores must be less than five years old or the student must have earned a “C” or better in the corresponding developmental courses or received transfer credit for ENG 111 and MAT courses level 110 or above.):

a) CPT reading score of 80 or ACT score of 18 or SAT verbal score of 450 or completion of developmental reading requirements.

b) CPT English score of 86 or ACT score of 18 or SAT verbal score of 450 or completion of developmental English requirements.

c) CPT arithmetic score of 55 or ACT score of 18 or SAT mathematics score of 450 or completion of developmental arithmetic/mathematics requirements.

d) CPT algebra score of 55 or ACT score of 18 or SAT mathematics score of 450 or completion of developmental algebra/mathematics requirements.

3. Test of Essential Academic Skills (TEAS)

   a) The Test of Essential Academic Skills (TEAS) will be administered on scheduled testing dates at the student’s expense.

   b) The applicant will be referred for remediation assistance based upon a low TEAS composite score and/or component sub-scores. The student may re-test after successful completion of required remediation, college placement tests, developmental courses, and pre-requisite courses.

   c) TEAS test scores are valid for three years.

   d) Applicants must meet the minimal TEAS Composite Score. (The TEAS Composite Score will be used for selective admissions scoring purposes. The TEAS subscores will be used for pre-nursing and nursing remediation.)

4. GPA Cumulative and Semester

   a) Grade point averages of at least 2.5 cumulative and 2.0 semester on last semester of coursework completed at a secondary or postsecondary institution within the last five years is required for admission consideration.

   b) Must not be on academic probation or suspension status.

5. Prior Health Care Program completion with appropriate listing/licensure is required for consideration at the designated entry points in the nursing programs:

   Provide proof of successful completion of a state approved Nurse Aide I Training in Competency Evaluation Program and active listing on the North Carolina Department of Health and Human Services (NC DHHS) Nursing Assistant I Registry with no substantiated finding of abuse, neglect, or misappropriation of resident property in a nursing home or other health care facility. This active, non-restricted listing must be maintained throughout both the application process and program enrollment. NC DHHS-approved NAI courses are preferred, however the CCCC Nursing Department Chair will determine, on a case-by-case basis, if a course administered by another state or agency meets the requirement.

6. The Test of English as a Foreign Language (TOEFL)

   a) TOEFL scores are required of any naturalized citizen or
non-United States citizen where English is their second language to provide as evidence of adequate proficiency in the English language.

b) The minimum acceptable paper-based TOEFL score is 550. The minimum acceptable computer-based TOEFL score is 213. The minimum acceptable internet-based TOEFL score is 80.

c) This test is offered at multiple testing sites nationally and is at the student’s expense.

7. Adult/Infant/Child CPR

a) American Heart Association Certification in Adult-Infant-Child CPR and AED for Healthcare Providers that includes both testing and performance criteria is required of all applicants.

b) CPR/AED certification is required for admission selection process and must be maintained throughout both the application process and program enrollment.

C. Optional Admission Criteria

1. GPA

a) Points will be awarded based on a cumulative grade point average through first semester for current high school seniors or actual last college GPA.

b) Only cumulative high school or college GPAs within the last five years will be considered.

c) Students must have been enrolled in a minimum of 6 semester credit hours during the last semester for cumulative GPA consideration.

d) Points will be awarded based upon the following cumulative GPA ranges: 2.5-2.99; 3.0-3.49; and 3.5-4.0.

e) Cumulative GPAs over five years old and under 2.5 will not be assigned points for selective admission scoring purposes.

2. Residency

Points will be assigned for selective admission scoring if the applicant has successfully completed the high school curriculum course that it substitutes for. The VOCAT score must be submitted within two years of high school graduation to be considered for course credit and point awards for selective admissions scoring.

c) BIO 165, BIO 166, and PSY 110 and/or identified substitute high school AP must be completed within the last five years for point consideration. A student may request and attempt a proficiency examination for courses previously completed more than five years before application. Successful completion of a proficiency examination will allow the student to receive credit for the course.

d) College curriculum course points will be awarded based upon the course credit hours multiplied by quality points achieved. Letter grades of “A” = 4 quality points, “B” = 3 quality points, and “C” = 2 quality points. Letter grades of “D” and “F” receive no points for selective admission scoring.

e) Completed AP course points will be awarded based upon the exam scores as follows: An AP exam score of 5 = 4 quality points, 4 = 3 quality points, and 3 = 2 quality points multiplied by credit hours of the college curriculum course that it substitutes for.

f) Completed VOCATS course points will be awarded based upon the exam score of 80 or above. The score will be converted to a letter grade of “A” = 94-100, “B” = 86-93, and “C” = 80-85 with quality point assignments of 4, 3, and 2 respectively multiplied by credit hours of the college curriculum course that it substitutes for. The VOCAT score must be submitted within two years of high school graduation to be considered for course credit and point awards for selective admissions scoring.

g) Point awarded for BIO 165 and BIO 166 or high school AP substitutes will be doubled in the scoring process.

II. Re-admission or transfer into the nursing program:

1. The student must qualify under the admission criteria in effect at time of re-admission or transfer.

2. A student may be required to re-enter a nursing course earlier in the curriculum sequence if the student is lacking major course content.

3. All nursing courses completed more than 3 years prior to re-admission or transfer must be repeated.

4. BIO 165 Anatomy & Physiology I, BIO 166 Anatomy & Physiology II, and PSY 110 Lifespan Development
completed more than 5 years prior to entry, re-admission, or transfer must be repeated. A student may request and attempt a proficiency examination for courses previously completed more than five years before application. Successful completion of a proficiency examination will allow the student to receive credit for the course.

5. Withdrawal or academic failure within the Practical Nursing Program will require the student to reapply as a new student.
6. Advanced placement is dependent upon space availability.
7. The Nursing Department Chairperson will evaluate transferability of all nursing courses. Transfer courses must be equivalent to courses required at the receiving college in theory, lab, and clinical experiences. The student must provide copies of outlines and syllabi of nursing courses to the department chairperson. Students lacking essential content may be required to audit a portion of a course, challenge the content, demonstrate skills, or repeat the course as deemed necessary. The final decision for transfer credit for nursing courses rests with the chairperson.
8. Applicants must submit a letter explaining the circumstances of any previous exit from a nursing or allied health program. This letter must be sent from the previous department chair. CCCC’s nursing chair and dean of student services must approve students who were dismissed, expelled, or suspended for any reason. Students who withhold previous exit information may be dismissed from the program.

III. Requirements after Acceptance:
1. Mandatory Acceptance Session: When notified of acceptance, applicants must attend a mandatory orientation session with the nursing department chair and faculty to discuss program requirements, schedules, payment due dates, and to order uniforms.
2. Clinical Affiliation Requirements: The contract between CCCC and a clinical agency requires that the college abide by the existing rules and regulations of the agency. The college follows agency protocol regarding drug screening and criminal background checks. Clinical contracts require that every student submit to and complete a medical form through own healthcare provider and a multi-state criminal background check and urine drug screen through designated vendors. If a clinical site denies a student clinical affiliation due to results of either of these requirements, the student will not be able to meet the program/course requirements and acceptance will be denied.
3. Medical Forms: Applicants are required to submit a completed college approved student medical health form to the nursing department chairperson at least 90 days before entering the program. The student medical form must include satisfactory health history, physical examination, and immunization report. Failure to submit a completed medical form will result in loss of nursing admission status and class space will be assigned to another applicant. NO student will be permitted to participate in clinical without having submitted his/her completed medical form.
4. Liability/Malpractice Insurance: Insurance fees must be paid to the Business Office by due date established before entry into the program and each subsequent year enrolled.

Academic Standards: See General Academic standards in the catalog (Gen. Info section).

Program Specific Academic Standards: See additional Program Specific Academic Standards in the Nursing Student Guidelines Handbook and specific nursing course syllabus.

1. Nursing curriculum students once enrolled must maintain an overall and semester quality point average of 2.0 or better, and must have a grade of “C” or better in all nursing courses. Students are encouraged to earn higher grades to help ensure that they are prepared to pass the National Council Licensure Examination (NCLEX), which is required to practice as a nurse.
2. Nursing and progressive related courses must be taken in succession as they appear in the catalog.
3. Nursing students must meet the standards related to demonstration of emotional and physical health within the framework of nursing practice and must adhere to all other policies set forth in the Nursing Student Guidelines Handbook.
4. Nursing students must not be on academic probation or suspension status.

Veterinary Medical Technology

Credential: Associate in Applied Science Degree in Veterinary Medical Technology  
A45780

The Veterinary Medical Technology curriculum prepares individuals to assist veterinarians in preparing animals, equipment, and medications for examination and surgery; collecting specimens; performing laboratory, radiographic, anesthetic, and dental procedures; assisting in surgery; and providing proper husbandry of animals and their environment.

Course work includes instruction in veterinary anatomy, nutrition, parasitology, pathology, physiology, radiology, terminology, zoology, office practices, laboratory techniques, dentistry, and small and large animal clinical practices. Students also take courses in English, humanities, psychology, mathematics, chemistry, and computer technology.

Graduates may be eligible to take state and national examinations administered by the North Carolina Veterinary Medical Board. Graduates may be employed in veterinary clinics; diagnostic, research, or pharmaceutical laboratories; zoos; academic institutions; or other areas associated with animal care.

Program Specific Entrance Standards:
1. A grade of “C” or better in high school or college biology.
2. Each applicant is required to attend an informational session and tour of the VMT facilities conducted by an admissions counselor and/or VMT faculty. A signed agreement indicating willingness to comply with all VMT specific policies is required of each student prior to entering the VMT program.
3. Each accepted student is required to obtain 40 hours of work/voluntary experience in the veterinary field and is required to attend a VMT-specific Orientation Session prior to entering the program.
4. Upon acceptance, each student is required to submit a student medical form (provided by the College) from his/her physician documenting good health and current vaccination against common childhood diseases and tetanus. In addition, rabies pre-immunization is strongly recommended.
5. Satisfactory Placement Test Scores are required. (All test scores must be less than five years old or the student must have earned a “C” or better in the corresponding developmental courses.) See the Veterinary Medical Technology Guidelines for current required placement scores.
6. Applicants who have attended any college (including CCC) within the past 5 years must have an overall GPA of 2.0 or better and a most recent semester GPA of 2.0 or better. (Exceptions may be made due to extenuating circumstances.)
Program Specific Academic Standards:
1. Acceptance into the Veterinary Medical Technology degree program, A45780, is required for enrollment in VET courses.
2. VET and progressive related courses must be taken in succession as they appear in the Semester Curriculum for Veterinary Medical Technology, unless approved on a case-by-case basis by the Vet Med Department Chair.
3. VMT students who do not receive a grade of C or better in courses with a prefix of VET will not be allowed to continue in the program and must apply for readmission the next year (space available).
4. Students are not allowed to enter the VMT curriculum more than twice (i.e., only one readmission into the VMT program is allowed.)
5. VMT students must meet the standards related to demonstration of physical and emotional health within the framework of Veterinary Medical Technology practice and must adhere to all other policies set forth in the VMT Handbook.

North Carolina Community College System
University of North Carolina System

Associate in Arts Degree
A1010000

This program prepares the student to transfer courses or the degree in its entirety to a four-year senior institution. The Associate in Arts Degree stresses Communication, social and behavioral sciences, humanities, and fine arts.

To earn the Associate in Arts degree, students must successfully complete each course with a grade of “C” or better. The Associate in Arts degree is portable and transferable as a block from Central Carolina Community College to all constituent institutions of the University of North Carolina with junior status if admitted into the institution.

Program Length: 4 semesters
Career Pathway Options: Associate in Arts Degree, Baccalaureate Degree at a Senior Institution
Program Sites:
Lee Campus – Day, 1st and 2nd Year, Evening, 1st and 2nd Year
Chatham Campus – Day, 1st and 2nd Year, Evening, 1st and 2nd Year
Harnett Campus – Day, 1st and 2nd Year, Evening, 1st and 2nd Year
Distance Education - 1st and 2nd Year - All Campuses

Course Requirements for Associate in Arts Degree
I. General Education (44 SHC)

A. Composition (6 SCH) C-L-CR
ENG 111 Expository Writing 3-0-3
ENG 112 Argument-Based Research 3-0-3

Diploma of Transfer Readiness
(Transfer Core Diploma)
D1010000

This diploma is issued upon the successful completion of the Associate in Arts (AA) general education core. The Comprehensive Articulation Agreement (CAA) states that students completing the general education transfer core will be considered to have fulfilled the institution-wide, lower division general education requirements of the receiving institution. This diploma shall include 44-45 semester hours of general education core courses approved for transfer to The University of North Carolina constituent institutions.

Program Length: 3 semesters

Career Pathway Options: Associate in Arts or Associate in Science Degree; Baccalaureate Degree at a Senior Institution

Program Sites: Chatham Campus - Day and Selected Evening Courses; Harnett Campus - Day and Selected Evening Courses; Lee Campus - Day and Evening Programs; Distance Education

Comprehensive Articulation Agreement
North Carolina Community College System
University of North Carolina System

Credential: Associate in Fine Arts
A10200

The course work in the Associate in Fine Arts program includes literature, humanities, social/behavioral science, mathematics, and natural science. Graduates should possess a sound fundamental knowledge of the fine arts and basic experience in practicing the fine arts. The Associate in Fine Arts program focuses heavily on the fine arts and is recommended for those who plan to continue a Bachelor of fine Arts degree program. Two concentrations are offered: Focus in Art and Focus in Drama.

The Associate in Fine Arts in Art degree is designed to prepare students to transfer to a Bachelor of Fine Arts degree program at a senior college or university. While based on the Associate in Arts--University Transfer degree, the Associate in Fine Arts degree credential is not a formal component of the Comprehensive Articulation Agreement. Graduates may be eligible to transfer up to 64 semester hours of academic credit in approved transfer courses with a grade of “C” or better in each course and an overall GPA of at least 2.0 on a 4.0 scale through bilateral agreements between Central Carolina Community College and participating senior institutions. Courses offered through bilateral agreements may not transfer to all receiving institutions. To earn the Associate in Fine Arts degree, students must successfully complete each course with a grade of “C” or better.

Graduates completing the Associate of Fine Arts degree will have demonstrated the ability to achieve academic and other learning goals in their study area enhancing employment opportunities. Upon completion of the program, the student will receive an Associate in Fine Arts degree.

Program Length: 4 semesters
Career Pathway Options: Associate in Arts Degree, Baccalaureate Degree at a Senior Institution
Program Sites: Siler City Center, Pittsboro Campus

### Arts and Sciences (College Transfer)

#### Associate in General Education

**Associate in General Education**

**Pre-Major Associate in Arts Degrees**

**Arts and Sciences**

**Comprehensive Articulation Agreement**

**North Carolina Community College System**

**University of North Carolina System**

**Associate in General Education**

**A10300**

The Associate in General Education degree is designed for the academic enrichment of students who wish to broaden their education, with emphasis on personal interest, growth and development.

**Program Length:** 4 semesters

**Career Pathway Options:** Associate in General Education Degree

**Program Sites:**
- Lee Campus – Day, 1st and 2nd Year, Evening, 1st and 2nd Year
- Chatham Campus – Day, 1st and 2nd Year, Evening, 1st and 2nd Year
- Harnett Campus – Day, 1st and 2nd Year, Evening, 1st and 2nd Year
- Distance Education - 1st and 2nd Year - All Campuses

**Course Requirements for Associate General Education Degree**

**I. General Education (44 SHC)**

<table>
<thead>
<tr>

<td>3-0-3</td>
</tr>
<tr>
<td>COM 120 Interpersonal Communication</td>
<td>3-0-3</td>
</tr>
<tr>
<td>COM 231 Public Speaking</td>
<td>3-0-3</td>
</tr>
</tbody>
</table>

Total Degree Hours Required: 65/66 SHC
D. Natural Sciences (4 SHC)
Select one course from the approved general education core in the following areas:

- **AST 111** Descriptive Astronomy 3-0-3
- **AST 111A** Descriptive Astronomy Lab 0-2-1
- **BIO 110** Principles of Biology 3-3-4
- **BIO 111** General Biology I 3-3-4
- **BIO 112** General Biology II 3-3-4
- **BIO 120** Introductory Botany 3-3-4
- **BIO 130** Introductory Zoology 3-3-4
- **BIO 140** Environmental Biology 3-0-3
- **BIO 140A** Environmental Biology Lab 0-3-1
- **CHM 131** Introduction to Chemistry 3-0-3
- **CHM 131A** Introduction to Chemistry Lab 0-3-1
- **CHM 151** General Chemistry I 3-3-4
- **CHM 152** General Chemistry II 3-3-4
- **GEL 111** Introductory Geology 3-2-4
- **GEL 113** Historical Geology 3-2-4
- **PHY 110** Conceptual Physics 3-0-3
- **PHY 110A** Conceptual Physics Lab 0-2-1
- **PHY 151** College Physics I 3-2-4
- **PHY 152** College Physics II 3-2-4
- **PHY 251** General Physics I 3-3-4
- **PHY 252** General Physics II 3-3-4

E. Mathematics (6 SHC)
Select at least one course in introductory mathematics; the other unit may be selected from other quantitative subjects, such as computer science and statistics.

- **CIS 110** Introduction to Computers 2-2-3
- **CIS 115** Introduction to Programming and Logic 2-2-3
- **MAT 140** Survey of Mathematics 3-0-3
- **MAT 151** Statistics I 3-0-3
- **MAT 161** College Algebra 3-0-3
- **MAT 162** College Trigonometry 3-0-3
- **MAT 171** Precalculus Algebra 3-0-3
- **MAT 172** Precalculus Trigonometry 3-0-3
- **MAT 175** Precalculus 4-0-4
- **MAT 263** Brief Calculus 3-0-3
- **MAT 271** Calculus I 3-2-4
- **MAT 272** Calculus II 3-2-4
- **MAT 273** Calculus III 3-2-4

II. Other Major Hours Required for Graduation (49-50 SHC)*
Select **49-50 SHC** from any college level course published in the Central Carolina Community College catalog numbered 100 or above, except those with a COE prefix. Students must satisfy all prerequisite requirements specified for a course. A maximum of 7 SHC in health, physical education, college orientation, and/or study skills may be
selected. Course prefixes found in the CCCC catalog that qualify as elective credits in this category include the following:

<table>
<thead>
<tr>
<th>ACA</th>
<th>ACC</th>
<th>AGR</th>
<th>AHR</th>
<th>ALT</th>
<th>ANS</th>
</tr>

Associate in Science
Pre-Major Associate in Science Degrees
Arts and Sciences
Comprehensive Articulation Agreement
North Carolina Community College System
University of North Carolina System

Associate in Science Degree
A1040000

This program prepares the student to transfer courses or the degree in its entirety to a four-year senior institution. The Associate in Science Degree stresses natural and physical sciences, mathematics, communication, and the social sciences.

To earn the Associate in Science degree, students must successfully complete each course with a grade of "C" or better. The Associate in Science degree is portable and transferable as a block from Central Carolina Community College to all constituent institutions of the University of North Carolina with junior status if admitted into the institution.

Program Length: 4 semesters
Career Pathway Options: Associate in Science Degree, Baccalaureate Degree at a Senior Institution
Program Sites:
Lee Campus - Day and Evening, 1st and 2nd Year
Chatham Campus - Day - 1st Year, Selected Evening Courses
Harnett Campus - Day - 1st Year, Selected Evening Courses
Distance Education - Selected Courses

Course Requirements for Associate in Science Degree

I. General Education (44 SHC)
A. Composition (6 SHC)
   C-L-SHC
ENG 111 Expository Writing 3-0-3
ENG 112 Argument-Based Research 3-0-3
OR
ENG 113 Literature-Based Research 3-0-3
OR
ENG 114 Professional Research and Reporting 3-0-3

B. Humanities/Fine Arts (9 SHC)
Choose courses from at least three different areas. One course must be a literature course (ENG). 3 SHC of speech/communication (COM) may substitute for 3 SHC of Humanities/Fine Arts in AA and AS degree programs.
Speech/Communication may not substitute for the literature requirements.

ART 111 Art Appreciation 3-0-3
ART 114 Art History Survey I 3-0-3
ART 115 Art History Survey II 3-0-3

C. Social/Behavioral Sciences (9 SHC)
Select courses from each of three disciplines. One course must be a history course.
