**2014 – 2015**

# Letter from the Board President

## Dear Friends:

Central Carolina Community College's mission is to serve "as a catalyst for individual, community, and economic development by empowerment through accessible lifelong learning." Central Carolina Community College certainly meets the challenge of serving the citizens of Chatham, Harnett, and Lee counties — and beyond.

Thanks to your gifts, the Central Carolina Community College Foundation is helping to make dreams come true by providing educational opportunities for students so that they can live productive lives. The CCCC Foundation has had a successful year and we're grateful to all of our donors for your financial support to our students.

Thank you for investing in Central Carolina Community College. Thank you for making a positive impact to strengthen our college, our students, and our communities.

Sincerely,

**Barber Holmes**  
President, Board of Directors  
Central Carolina Community College Foundation
