LYNDA TURBEVILLE
Chair, CCCC Foundation
Board of Directors

DEAR FRIENDS,

First, thank you again for your continued investment and support of the Central Carolina Community College Foundation. It is hard to believe that the 2018 – 2019 academic year has come to a close, yet it was another tremendous year for the Foundation and the College.

As you scroll through this calendar report, you will see there is a lot worth celebrating including:

- The naming of our new Veterinary Medical Technology Building for Robert and Nannie Lou Dalrymple
- The naming of our Dental Program for Dr. Antonio S. Braithwaite
- The Foundation awarded over \$325,000 in scholarship assistance and assisted over 187 students with Dream Keeper funds totaling over \$34,000

We are steadfast in our commitment to ensuring our students succeed and that the college stays at the forefront of academic innovation. We are mindful that every dollar donated to the Foundation represents the investment of a donor in strengthening not only our college, but our communities in which we live.

Every day on our campuses, we see the impact of our donors' generosity and investments. So, on behalf of the students, faculty, and staff of CCCC and the CCCC Foundation, thank you for your commitment to building a stronger community college to serve you.

Thank you for changing the lives of our students.

See you on campus!

“

I am very thankful to have received the Banded Brothers scholarship for the 2018 – 2019 academic year at CCCC! Not only did this scholarship completely cover my tuition costs for the year, it also allowed me to use the remaining funds toward essential textbook resources. Thank you so much to the CCCC Foundation and its donors for your generosity!”

“

The Foundation Scholarship allowed me to complete my schooling while maintaining a 3.8 GPA upon graduating from the VMT program. Without the Foundation's support, I would not have been able to focus on school due to financial constraints. The Foundation Scholarship allowed me to succeed both fiscally and through my education.
