Below this, there are four navigation links: "Home", "Explore Industries & Careers", "Plan Your Education", and "Launch Your Career", each with a small downward arrow. Below the navigation bar is a section for "Cypress RESUME". On the left of this section is a graphic of three overlapping resume sheets. ## LEE & HARNETT: SUMMER READING

Whether you're relaxing at the beach or slogging through ten hours in the office, unwind with a few good books this summer by signing up for the Library's Summer Reading Challenge! Set your own goal, keep track of the books you read, and win prizes. Stop by the Lee or Harnett campus libraries to sign up or get suggestions of good books to add to your reading list.

**Summer Reading runs May 20th through July 31st.**

## HARNETT: SUMMER GARDEN

Staff at the Harnett Campus have been working hard to prepare the library's summer garden. This year, they planted cucumbers, tomatoes, green peppers, jalapenos, kale, spinach, and zucchini. In addition to the blueberry bushes and herb garden from last year, they have also added stevia. The staff at Harnett are very grateful to the faculty that have been helping them water the garden, but more volunteers are always welcome!

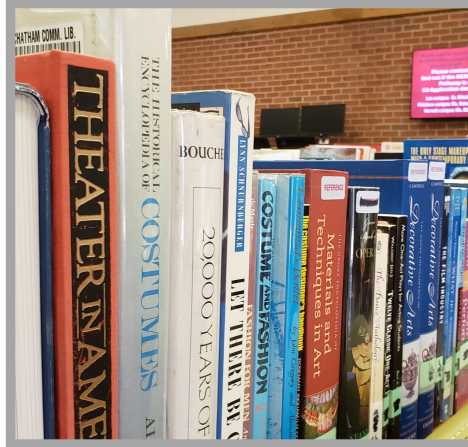

## LEE & HARNETT: BOOK SALE

---

The Lee & Harnett Campus Libraries have started cleaning up their bookshelves to make room for new books this fall. We have a huge selection of books and we are adding more each day. Each book costs only 5 cents or 25 cents for all you can carry.

We have books covering nearly every subject including many of the curriculum programs offered here at CCCC. The book sale will be ongoing until all books have been sold.
