CCCC is an Equal Opportunity College

Central Carolina Community College serves the public without regard to race, sex, color, creed, age, disability, religion, or national origin.

Central Carolina Community College has approved the following policy to guide its delivery of services to students with disabilities: No individual at Central Carolina Community College shall, by reason of disability, be excluded from participation in or be denied the benefits of or be subjected to discrimination within any program or activity for which he is otherwise qualified. Programs

Student success, community service, and educational leadership distinguish Central Carolina Community College. The college takes great pride in its long history of innovative program development to meet the ever-changing educational needs of its students and the communities and businesses it serves.

Curriculum

Central Carolina Community College offers Associate in Arts, Associate in Fine Arts, and Associate in Science degree programs that transfer to four-year colleges and universities, two-year programs that lead to an Associate in Applied Science degree, and one-year programs that lead to a diploma and/or a certificate. Articulation agreements with four-year colleges and universities enable graduates to move seamlessly into additional education, if that is their goal.

Many decisions precede the implementation of any new curriculum program. Surveys are used to determine student interest and the availability of employment. Advisory committees are organized in order that community interest, advice, and counsel may be solicited. Funds must be available for instructors and necessary equipment and instructional space must be available. Only after the approval of the Board of Trustees and the State Board of Community Colleges may a new program be implemented.

A strong asset of the North Carolina Community College System is the flexibility in programs. When the job...
market no longer provides employment for graduates in certain areas, programs can be phased out so more critical labor needs may be met. It is not the purpose of the college to adopt a fixed curriculum; rather, its aim is to modify all programs to meet the ever-changing needs in the fields of employment.

The college reserves the right to cancel any course or program in cases of low enrollment or decreased budget. The college reserves the right to change any curriculum, and such changes may be made without prior notice. This handbook is not to be read as part of a contractual relationship between the college and a student or prospective student.

Non-curriculum

The college also offers non-curriculum courses in basic education, technical, vocational, enrichment, and general interest areas. These non-curriculum courses do not count toward a college degree or diploma, but a certificate of completion is given and continuing education units are awarded. The Adult High School/GED program awards a diploma or certificate. Continuing Education classes award a diploma or certificate with continuing education units.

Lee Early College

The college’s Lee County Campus is home to Lee Early College, an innovative partnership with Lee County Schools. Students earn both a high school diploma and an associate degree in five years. The student body is diverse, but its members are united by their personal motivation and ability to thrive in a college setting.

Confucius Classroom

Central Carolina Community College offers a Confucius Classroom through an agreement with North Carolina State University’s Confucius Institute. An instructor from a Chinese university teaches Chinese language, history, and culture.

Facilities

Central Carolina Community College has full-service campuses in Chatham, Harnett and Lee counties as well as multiple centers that provide environments conducive to learning.

History and Leadership

For more than 50 years, Central Carolina Community College has thrived on an ongoing vision of leadership, service, and success. Over the years, that vision has been transformed into reality by planning, commitment, hard work, and community support.

From a single extension class offered in 1961 in Lee County, the school has grown to a fully accredited community college of high reputation serving the people, businesses, and industries of Chatham, Harnett, and Lee counties. Its distance education programs reach far beyond those physical boundaries to enrich students’ lives around the world.

In 1958, the North Carolina State Board of Education chartered the institution as Lee County Industrial Education Center. The first classes were held in 1961. Two years later, it became a part of the North Carolina Department of Community Colleges.

In 1965, the Center became Central Carolina Technical Institute, with authority to award associate degrees. The name was changed to Central Carolina Technical College in 1979 and then to its current name, Central Carolina Community College, in 1988.

A spirit of leadership spans the college’s history. Back in 1965, it was the first community college in the state to offer an Animal Hospital Technician curriculum, now Veterinary Medical Technology. In 2002, it became the first community college in the nation to offer an Associate in Applied Science in Sustainable Agriculture. Leadership is also shown in programs such as Laser and Photonics Technology, which is one of only about a dozen nationwide that trains on high-power lasers. The college is nicknamed “Green Central” for its commitment to environmentally friendly sustainable education.

In 2010, the U.S. Department of Energy recognized Central Carolina Community College as “a strong force for educational opportunities, economic progress and cultural enrichment in the communities it serves.” Also in 2010, Central Carolina Community College was ranked among the top 50 community colleges in the nation by Washington Monthly magazine.

The college is committed to sustainability in its programs and on its campuses. It is a signatory to the American College & University Presidents’ Climate Commitment (ACUPCC). It was the first North Carolina community college to sign on to the Association for the Advancement of Sustainability in Higher Education STARS rating system on sustainability. In 2011, it received a Silver ranking from AASHE for its achievements in this area. Only 61 colleges and universities in the United States and Canada earned this ranking, which was the highest awarded.

Central Carolina Community College’s educational, cultural, and economic impact is far-reaching. Its graduates, both curriculum and continuing education, give back to their communities through myriad careers from which the economic fabric of every community is woven. Many of its graduates continue their education and enter the workforce as highly educated professionals who strengthen their communities, counties, state, and nation.

The Central Carolina Community College family of administrators, faculty, staff, and students are building on the strong foundations laid in the past to achieve even greater accomplishments in the present and future. Welcome to our family!

General Admissions

General Admissions Standards and Procedures

All applicants to CCCC will be provisionally admitted to the college. To be officially accepted into a curriculum program, a student must complete all curriculum program admission requirements. Only students who have been officially accepted into a curriculum program will be eligible to receive federal aid, Veteran’s benefits, or third party sponsorship.

1. Complete and return the admission application.
2. Submit an official high school transcript or high school equivalency. Official transcripts are required. A transcript is an “official transcript” when it is received by the college through the mail directly from the high school, college, or other institution. It is the applicant’s responsibility to request that transcripts be sent.
3. Students who desire to have the Registrar’s Office evaluate any previous coursework for transfer credit evaluation must request such transcripts from previously attended institutions of higher education. If such transcripts are not requested by the student and received by the college, the student is therefore forfeiting any potential credit and must take all of the prescribed courses in their chosen program of study here at the college.
4. Satisfy the placement testing requirement by meeting the Multiple Measures waiver, submitting official placement test scores, or taking the placement test.

NOTE: Applicants who take the placement test, but do not meet the minimum required test scores may be required to take developmental courses. These courses, may lengthen the time required to complete the credential. See specific course descriptions and prerequisites/corequisites. The following students may be exempt from taking the placement test at CCCC:

- Students who have graduated high school within the last five years with a qualifying unweighted GPA and a fourth qualifying math course OR have acceptable SAT/ACT scores within the last five years. (Multiple Measures)
- Students who have acceptable SAT, ACT, Asset, Compass, or Accuplacer test scores within the last five years.
- Students who have transfer credits for English and Mathematics courses required for the curriculum major. (If students switch to a major requiring additional English and/or mathematics courses for which they do not have transfer credits, they may need to must take the placement test to determine appropriate proficiency level.)
- Students who enter CCCC under the terms of an articulation agreement with another college, provided they have completed the English and mathematics courses required for the articulated program.
- Students who have acceptable Advanced Placement (AP) credits for required English and mathematics courses.

4. Students using VA benefits must obtain all college transcripts from all previously attended institutions of higher education.
6. Students applying for all Health Science programs (Dental, Medical Assisting, Nursing, and Veterinary Medical Technology) must obtain all college transcripts from all previously attended institutions of higher education.
7. Supply additional information if requested. The admissions decision for the Associate Degree Nursing, Dental Assisting, Dental Hygiene, Medical Assisting, Practical Nursing, and Veterinary Medical Technology is made by an admissions committee consisting of program faculty and student services staff. Because these programs have limited enrollment, prospective students are advised to apply early. Please see the individual program curriculum descriptions for information. Additional admission procedures and requirements for certain programs are listed in this catalog. The programs are:

- Accelerated Associate in Arts
- Associate Degree Nursing
- Basic Law Enforcement Training (BLET)
- Cosmetology Instructor Training
- Dental Assisting
- Dental Hygiene
- Esthetics Instructor Training
- Medical Assisting
- Motorcycle Mechanics
- Nursing Assistant

Admissions and the Open Door Policy

All 58 campuses of the North Carolina Community College System operate under an “open door” admissions policy. This means that any person, whether a high school graduate or non-graduate, who is eighteen years old or older and who is able to profit from further formal education, will be served by the institution. An “open door” policy, however, does not mean that an applicant will not have to meet additional admissions requirements set for specific, individual curriculum programs. Such requirements can be found in the College Catalog (available online), a curriculum guide sheet, or from an admissions counselor. Students that withdraw from such programs must meet these specific program admissions requirements, plus any new or modified ones, again should they wish to attempt to re-enter the program. The College reserves the right to limit enrollment in a curriculum program to a number that can be accommodated by the resources of the College and to satisfy accreditation standards.

The College may refuse admissions to applicants who meet at least one of the following exceptions:

1. Admissions may be denied to any applicant during any period of time that he/she is suspended or expelled from any other educational entity.

2. Admission may be denied to any applicant to protect the safety of the applicant, student body, faculty/staff, and library patrons when there is an articulable, imminent, and significant threat by documenting (a) the detailed facts supporting the rationale for denying admission, (b) the time period within which the refusal to admit the applicant shall be applicable, and (c) the conditions upon which the applicant would be eligible to be admitted.

The Dean of Admissions, working through the Admissions staff, will recommend to the Vice president of student services if an applicant should be denied admission based on safety concerns. The Vice president of student services, who is designated as the Chief Admissions Officer of the College, will then notify the applicant in writing of the College’s admissions decision. Any appeals of admission denials should be made in writing directly to the Office of the College President.

Communicable Diseases

Neither infected students nor employees will be excluded from enrollment or restricted in their access to college facilities/services unless medically-based judgments establish that exclusion or restriction is necessary to the welfare of the individual or community.

Students who know that they are infected are to share this information on a confidential basis with the vice president of student services. Employees who are infected should contact the president. The college will then attempt to respond appropriately to health and educational needs.

Students or employees who have reasonable basis for believing that they are infected are expected to seek expert advice about their health circumstances and are obligated ethically and legally to conduct themselves responsibly for the protection of the community.

Communicable diseases may include, but are not limited to, chicken pox, hepatitis, measles, tuberculosis, meningitis, mononucleosis, whooping cough, AIDS, and other sexually transmitted diseases.

Career and College Promise

Career and College Promise provides seamless dual enrollment educational opportunities tuition-free for eligible North Carolina high school students in order to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills. Central Carolina offers Career and College Promise pathways aligned with the K-12 curriculum and career and college ready standards adopted by the State Board of Education.

International Students

CCCC is not currently accepting international applicants who do not reside in the United States. Central Carolina Community College does not issue with F-1 non-immigration student visas.

Special Credit Student(s)

An applicant 18 years or older may enroll as a special credit student without specifying an educational objective or program of study. To be admitted, the special credit student needs only to file an application. It is to the student’s advantage to declare an educational objective and to complete all of the admission procedures as soon as possible after enrollment. Special credit students are not eligible to receive financial aid or veteran’s benefits and must meet all prerequisite requirements for each course enrollment.

Counseling

Counseling services are available to all enrolled and prospective students. Students are invited to use the services as they plan, upgrade, modify, and/or consider changes in their educational goals. The counselors are highly qualified and are available to discuss concerns that may influence students’ educational programs. Counselors will arrange confidential conferences to discuss any concerns, to provide needed guidance, and/or to make individual referrals.

Testing

Student Services administers the North Carolina Diagnostic Assessment and Placement (NC DAP) test to students enrolled in a curriculum program or to special credit students interested in taking English, Mathematics, or other courses that require an English or Mathematics prerequisite/corequisite. The purpose of the test is to assess a student’s ability and readiness for the requirements of the curriculum. Placement test scores are used for academic advisement and course placement, to include developmental courses if needed. Students are highly encouraged to study prior to testing. Please see “General Admission Standards and Procedures” for testing exemptions.

Students enrolled in our Allied Health programs are
required to complete additional testing. Please see the program admissions counselor for further information.

The following placement testing policies will apply:
1. Students must present photo identification in order to take the NC DAP.
2. NC DAP scores will be valid to use for placement for five (5) years.
3. Students are permitted to take the NC DAP twice within five (5) years. If a student retests, the highest score on each section will be used for advisement and course placement.
4. Students are not permitted to take the NC DAP if they are currently enrolled in a developmental course.
5. NC DAP scores are transferable to other colleges with permission of the student.
6. Additional testing may be required for students, who based upon placement test scores, are placed into Mastering Mathematics and/or Mastering Reading.
7. It is the discretion of the Dean of Admissions and/or the Vice President of Student Services to grant or deny further retesting attempts or testing exemptions.

Career Center Services
Career services are available through the Career Center in Student Services. The Career Center assists students in selecting a curriculum major, preparing for a career, and transitioning from a student to a professional. The center offers online career assessments, a reference library, Internet research stations, and workshops and individual one-on-one sessions covering areas such as resume writing, cover letters, thank you notes, interviewing techniques, and job searches. The Career Center maintains partnerships with North Carolina Works Career Centers, Vocational Rehabilitation, Veterans Office and business and industries throughout the college’s service area.

Residence Status for Tuition Payment
The tuition charge for persons who have been legal residents of North Carolina for at least 12 months is less than for nonresidents. Chapter 116-143.1 of the N.C. General Statutes covers the requirements for determining resident status for tuition purposes. Chapter 116-143.1(b-d) is quoted as follows: “To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes. Every applicant for admission shall be required to make a statement as to his length of residence in the State.”

“To be eligible for classification as a resident for tuition purposes, a person must establish that his or her presence in the State currently is, and during the requisite 12-month qualifying period was, for purposes of maintaining a bona fide domicile rather than of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.”

“An individual shall not be classified as a resident for tuition purposes and, thus, not rendered eligible to receive the in-state tuition rate, until he or she has provided such evidence related to legal residence and its duration as may be required by officials of the institution of higher education from which the individual seeks the in-state tuition rate.”

Information relating to claimed North Carolina residence for tuition purposes will be required from all applicants claiming to be North Carolina residents, and a determination will be made by a Student Services dean or vice president as to whether or not the applicant qualifies for reclassification with in-state tuition rates. Should the ruling be contrary to the applicant’s expectation, the decision may be appealed in writing to the Residence Status Committee of the institution. Individuals on active military duty in North Carolina and their dependents may be granted waivers that are considered in-state for tuition purposes. The federally mandated Choice Act allows recently discharged military personnel who served at least 90 days of active duty service to be awarded in-state rates.

The burden of establishing facts, which justify classification of a student as a resident entitled to in-state tuition rates, is the responsibility of the applicant. Decisions by school officials will be based on requirements of the North Carolina General Statutes and regulations specified in the Manual to Assist the Public Higher Education Institutions for North Carolina in the Matter of Student Residence Classification for Tuition Purposes. Applicants with questions not covered by this section view residency should read detailed guidelines provided in the North Carolina State Residence Classification Manual which may be found at http://www.cccc.edu/registrar/residency/. The Residency Status determination is a part of the application; however, applicants will be required to complete a more in-depth form if reclassification is requested.

FEES

Student Insurance
Certain risks are inherent in any work involving regular contact with mechanical and electrical equipment. While stringent precautions will be taken to ensure safety, it is felt to be in the best interest of all students to provide some measure of insurance protection. All students in healthcare and personal service programs must have malpractice insurance.

The college will maintain a group policy providing insurance protection, and all students will be covered. The cost of accident insurance to the student is included in the student fee for curriculum students. International students are encouraged to secure more complete coverage.

Malpractice Insurance
A $10.00 malpractice insurance fee will be charged for the fall and spring semesters for students enrolled in applicable programs (total fee of $30.00 per academic year). There will be no malpractice insurance charged for the summer semester. For questions regarding the malpractice insurance policy, please contact the Business Office.

Breakage Fee
Breakage, damage, or loss due to student negligence, carelessness, or other mishandling of school supplies, materials, or equipment is the responsibility of the student. The student will be required to pay for such items and may be subject to disciplinary action.

Student Fee
Students registering for credit classes on campus during the fall and spring semesters are charged a student fee of $24 for six hours or less; those taking seven hours or more are charged $38. Summer term student fees are $6 per semester hour.

The student fee provides the revenue necessary for the Student Government Association to provide services and activities for the student body. Typically, the SGA provides the following benefits from the student activity fee: SGA calendar and handbook, parking stickers, activity days, dances, socials, guest speakers, intramural and intercollegiate athletics, as well as other events the Student Government Association might deem appropriate.

The student fee includes the cost of accident insurance. Students are covered for accidents that occur while traveling to and from college.

Persons 65 years of age or over are exempt from the student fee.

Computer Use and Technology Fee
The computer use and technology fee is used to support the procurement, operations, and repair of computer and other instructional technology including supplies and materials that support technology.
Curriculum students enrolled in 12 or more credit hours will be charged $16 per semester. Curriculum students enrolled in fewer than 12 credit hours will be charged $8 per semester. Occupational extension students will be charged $5 per fiscal year.

**Distance Education Fee**
A $15 distance education fee will be charged for each course taken online. Hybrid, web-assisted, and lab corequisite courses are exempt from this fee. This fee is used to support the licensing, hosting, and maintenance of online technologies used in distance education including the learning management system, plagiarism detection service, and streaming video content.

While no separate fees or costs associated with verification of student identity are required, students in select distance education courses who reside outside the three-county service area may elect, at instructor permission and their own expense, to utilize the web-based proctoring service offered by ProctorU. More information about the optional ProctorU service can be obtained by contacting the distance education office on the Sanford campus.

**Graduation Fee**
A $18 graduation fee will be charged to students who participate in graduation exercises. There is no charge to graduates who do not participate in graduation exercises. Graduation fees are used to cover costs for degrees, diplomas, certificates, caps, gowns, honorariums, flowers, musicians, etc.

**Student Housing**
The college does not operate dormitory facilities nor does it assume responsibility for housing and maintenance. The Student Services Department will provide lists of available housing to students on a non-discriminatory basis. Payment for such facilities is the responsibility of the student and must be made directly to the landlord.

**Vehicle Registration**
Students using the campus parking facilities will be required to register their vehicles with the Business Office. A numbered sticker will be issued for placement on the vehicle. The initial cost of vehicle registration is included in the student fee.
  • Students are required to park in the white-lined spaces only.
  • Students will be assessed a $5.00 fine when parking in the faculty and staff spaces or other designated, reserved, or no parking area (such as cosmetology patron parking or visitor parking).

**Policy on Student Publications**
All student publications, including, but not limited to, flyers, posters, memos, newsletters, promotional/publicity materials, and media advertisements, must be submitted to the organization’s advisor prior to duplication or publication. The advisor must then sign and date the original and maintain it in the organization’s files. Larger posters and flyers also should be signed and dated by the advisor and kept on file.

The advisor is responsible for the content of the student publications and should consult with the vice president of student services if there are any questions or concerns about content. The advisor should also check to verify accuracy (i.e., dates, times, locations) and assure that nothing contained in the publication violates campus policy. Publications considered controversial in the view of the advisor should be cleared by the vice president prior to publication. Media advertisements or publicity (i.e., newspaper, radio station, TV station, billboard, etc.) must be cleared and processed though the CCCC Marketing and Public Affairs Department.

**Policy on Solicitation and Fund Raising**
Individuals representing college groups, clubs, or associations may solicit funds, in-kind donations, or engage in other types of on-campus fundraising activities only after receiving prior approval of the campus provost where applicable and the vice president of student services. Solicitation and fundraising by any “For Profit” individual or group is prohibited.

All college-affiliated, off-campus fundraising activities require prior approval of the campus provost or the vice president of student services and the college president.

**Policy on Internet Acceptable Use**
Faculty, staff, students and community patrons are responsible for good behavior on College computer networks. Communications on the network are often public in nature. General College rules for behavior and communications apply. The network is provided for faculty and students to conduct research and communicate with others. Independent access to network services is provided to faculty and students who agree to act in a considerate and responsible manner. Access is a privilege, not a right. Access entails responsibility. Individual users of the institution’s computer networks are responsible for their behavior and communications over those networks. It is presumed that users will comply with the institution’s standards and will honor the agreements they have signed. Users are advised that they may encounter materials which may be considered offensive or objectionable in nature or content. Central Carolina Community College is unable to influence content on the World Wide Web and does not assume responsibility for any of these sources.

Network storage areas may be treated as public space. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on the institution’s servers will always be private.

Policy on Copyright – Computer Software
The college will rigidly comply with all copyright laws including that which applies to computer software. It is against college policy to utilize software in a college-owned or leased computer unless an individual site license, receipt or letter of permission from the copyright owner is on file in the Computer Resource Center.

RULES:
1. College employees and students shall not reproduce copyrighted software without the written permission of the copyright owner nor shall the computer be linked or otherwise configured to circumvent copyright law.
2. College employees and students shall not enter copies of “personal” programs into a college computer without permission from the director of computer services.

Paragraph “b” above notwithstanding, such “special works” may not be reproduced in their entirety; however, an excerpt comprising not more than two of the published pages of such special work and containing not more than 10% of the words found in the text, thereof, may be reproduced.

Spontaneity:
1. The copying is at the instance and inspiration of the individual teacher, and
2. The inspiration and decision to use the work and the moment of its use for maximum teaching effectiveness are so close in time that it would be unreasonable to expect a timely reply to a request for permission.

1. The copying of the material is for only one course in the school in which the copies are made.
2. Not more than one short poem, article, story, essay or two excerpts may be copied from the same author, nor more than three from the same collective work or periodical column during one class term.

C. Each copy includes a notice of copyright

RULES:
1. Infringement of copyright is subject to the principal remedies of injunction, damages, profits, and attorney’s fees.
2. U.S. Government works are excluded from copyright limitations.
3. Copying shall not be used to create or to replace or substitute for anthologies, compilations or collective works. Such replacement or substitution may occur whether copies of various works or excerpts there from are accumulated or are “reproduced and used” separately
4. There shall be no copying of or from works intended to be “consumable” in the course of study or of teaching. These include workbooks, exercises, standardized tests and test booklets and answer sheets and like consumable material.

Policy on Copyright – Video
The college will comply with video copyright limitations set forth in federal legislation for protection of original work of authorship.

DEFINITIONS:
Broadcast programs are television programs transmitted by television stations for reception by the general public without charge. School days are school session days which means one does not count weekends, holidays, vacations, examination periods, or other scheduled interruptions.

PROCEDURES:
A video broadcast program may be recorded off-air simultaneously with broadcast transmission and retained by an educational institution for a period of forty-five (45) consecutive calendar days after the date of recording. At the end of this time, all off-air recordings must be erased or destroyed immediately. Off-air recordings may be (a) used by individual teachers in the course of relevant teaching activities and (b) repeated only when instructional reinforcement is necessary. The use of the recording for instructional purposes must occur during the first ten (10) consecutive school days within the 45 calendar day retention period. After the first ten (10) consecutive school days, the off-air recording can only be used, up to the end of the 45 consecutive calendar days, for teacher evaluation purposes, (i.e., to determine whether to include the broadcast program) in the teaching curriculum and may not be used in the recording institution for student exhibition or any other non-evaluation purpose without authorization.

Off-air recordings may:
1. be made only at the request of an individual teacher
2. be used only by an individual teacher
3. not be recorded off-air more than once at the request of the same teacher, regardless of the number of times the program may be broadcast. A limited number of copies may be reproduced from each off-air recording to meet the legitimate needs of teachers under these guidelines. Each such additional copy is subject to all provisions governing the original recording. Off-air recordings need not be used in their entirety, but the recorded programs may not be altered from their original content. Off-air recording may not be physically or electronically combined or merged to constitute teaching anthologies or compilations. All copies of off-air recordings must include the copyright notice on the broadcast program as recorded.

FINANCIAL AID

Financial Aid
Financial aid options are available at Central Carolina Community College for degree-seeking students in qualified programs. CCCC awards federal and state grants, scholarships, and/or work-study employment. Eligible students may receive one or more of these types of financial aid to assist with tuition, fees, books, and other educational related expenses.

The Financial Aid Office utilizes the Free Application for Federal Student Aid (FAFSA) to determine student eligibility for financial aid. All students are encouraged to complete the FAFSA as early as possible each year.

Financial Aid Eligibility Requirements
In order to receive financial aid from federal programs and to continue one’s eligibility once aid has been awarded, the following criteria must be met:
• Be a U.S. citizen or eligible non-citizen;
• Not be in default of any prior student loan or owe monies to any Federal Student Aid Program;
• Be enrolled in an eligible degree program;
Financial Aid Enrollment Status Determination for Clock Programs

The determination of enrollment status (full, 3/4, 1/2, or less) is, by federal regulations, different for the following programs of study:

- BLET-Basic Law Enforcement Training (C55120)
- Esthetics Certificate (C55230)

The programs are paid based on clock hours, not credit hours. For more information regarding clock hour programs, visit our website at: http://www.cccc.edu/financialaid/policies/files/ClockHourProgramPolicy.pdf.

Financial Aid Application Process

Students interested in applying for federal and/or state financial aid must:

2. Review the FAFSA information carefully.
3. Sign the FAFSA with the FSA ID and submit the application; OR
   a. Request a paper FAFSA by calling 1-800-433-3242; for hearing impaired contact 1-800-730-8913.
4. Follow-up. Review the Student Air Report (SAR) once it is received from the Processing Center. The SAR form is for your records.

The Financial Aid Office will be unable to process the FAFSA application if the CCCC School Code is missing or inaccurate. The school code for Central Carolina Community College is: 005449.

Students will receive notification from the Financial Aid Office when or if:

- Additional information is required to complete the financial aid application.
- Eligibility status has been determined.
- Financial aid has been awarded.

Financial Aid Enrollment Classification

For all semesters of enrollment (fall, spring, summer), full-time credit hours in ONE major for financial aid is 12 or more credit hours. Financial Aid for students registered for fewer than 12 total credit hours in ONE major per semester will be prorated as follows:

- 12 or more credit hours = full time or 100% of your award
- 9 to 11 credit hours = ¾ time or 75% of your award
- 6 to 8 credit hours = ½ time or 50% of your award
- 1 - 5 credit hours = 25% of your award or less than half time

NOTE: Students who are enrolled for fewer than 6 credit hours in ONE major per semester may be eligible for only a small amount of Pell Grant or no Pell Grant at all. Students enrolled for less than 6 credit hours are NOT eligible to receive certain State and Federal grants. NC Community College Grant (NCCCG) and NC Education Lottery Grant (NCELS) are not awarded to students who are less than half-time credit hours. NCELS is awarded on a full or half-time amount only. NCELS and NCCCG are not funded in the summer.

Financial Aid Award Process

Students are notified of financial aid award decisions for the academic year once the financial aid file is complete. Financial aid notifications are available to the student through email and WebAdvisor unless the student opts in to paper disclosure. If a student opts in to paper disclosure, a paper letter will be mailed to student as well as email and WebAdvisor notifications.

To ensure prompt processing of the financial aid application, students must complete the FAFSA early and turn in all required paperwork to the CCCC Financial Aid Office by notated deadlines (available on the web site: www.cccc.edu/financialaid) each semester.

Types of Financial Aid

Financial aid is awarded based on student’s individual financial need and eligibility, and may include various types of aid. Financial aid is contingent on maintaining satisfactory academic progress.

Grants:

- Federal Pell Grants are awarded by the US Department of Education. Federal Pell Grants are the foundation of federal student financial aid. The amount of a student’s Pell Grant award is based on the Expected Family Contribution (EFC), cost of attendance, enrollment status, and whether the student attends school for a full academic year or less. A student may not receive Pell Grant funds at more than one school at a time.
- Federal Supplemental Education Opportunity Grants (FSEOG) is grants for undergraduates with exceptional financial need; that is, students with the lowest estimated family contributions (EFC). Students must qualify for the Federal Pell Grant to be eligible for this program. Funding for this program is limited. Early filing is strongly recommended to see if you qualify.
- North Carolina Community College Grants (NCCCG)
are for legal residents of North Carolina who are enrolled at least half time (six semester hours) and are maintaining satisfactory academic progress.

- North Carolina Educational Lottery Grants (NCELS) are awarded to NC residents who enroll for at least six credit hours as an undergraduate at an eligible NC College.
- Federal Work-Study Program offers employment opportunities to eligible students who wish to earn money to assist with educational costs. This grant is administered based on the availability of funds. If interested in this program, students should indicate this interest when completing the FAFSA and/or contact the Financial Aid Office.

Loans: CCCC does NOT participate in the Direct Loan or Educational Loan Programs.

Other Financial Assistance
Veterans Benefits may be available to eligible active duty, veterans and their dependents. Please see the Veterans Information section of the CCCC catalog on our website for more information.

Child Care Assistance Program Grants are available for students enrolled full-time. Grants are limited and are based on greatest need. Contact the Special Programs Coordinator for additional information.

Scholarships at CCCC are considered gift aid based on academic performance, talent or achievement. For a complete list of scholarships, go to www.cccc.edu/financialaid/scholarships.

Other outside scholarships and funds may be available to assist students. Some of these include employer-paid tuition, the Workforce Investment Act through the Employment Security Commission, Vocational Rehabilitation, Department of Social Services, and the NC Veterans Administration. Please see the appropriate agency to determine qualification for any of these programs.

Financial Aid Satisfactory Academic Progress
The Department of Education requires colleges participating in Student Financial Assistance (SFA) Programs to monitor SFA recipients to ensure that they are meeting satisfactory academic progress standards. Satisfactory academic progress will be calculated at the end of each academic term and will include all periods of enrollment.

Regulations require a student’s progress for financial aid purposes to be measured both quantitatively and qualitatively. In addition to a student’s cumulative grade point average, students are also required to pass a percentage of all attempted coursework and to complete their program of study within the maximum time frame established by the institution. To reasonably measure a student’s satisfactory academic progress for financial aid, the student’s total academic record must be evaluated whether they received financial aid for periods of enrollment and include credit hours earned at other post-secondary institutions and transferred into the student’s program of study at CCCC. This requirement applies to all students who apply for financial assistance from Federal, State, and Institutional aid.

In order to be eligible for financial aid, students must meet the following minimum guidelines:

1. Quantitative Standard: 67% Completion Rate and 150% Maximum Time Frame.

A. Completion Rate Requirement: Students must complete 67 percent of the total cumulative credit hours attempted to meet the minimum requirement. For example, if a student has attempted 50 credit hours, the student must earn credit for at least 33 hours (50 X .67 = 33). Course grades of AU, W, WF, F, and I are not considered completions and will adversely affect a student’s satisfactory academic rate calculations. Course grades of CE and EL are calculated in quantitative standard, but will not be included in the financial aid award calculation.

Successful completion is defined as receiving a grade of A, B, C, and D.

B. Maximum Time Frame: Students must complete an eligible program within a time frame not to exceed 1.5 times (150%) the normal published time frame. For example, if the academic program length is 70 credit hours, the maximum credit hours that may be attempted is 105 credit hours (70 X 1.5 = 105). One academic year of credit (30 credit hours) may be added for required remedial coursework.

2. Qualitative Standard: The minimum cumulative grade point average (GPA) requirement the student must maintain to receive and/or continue receiving financial aid assistance is 2.0. This includes all degree, diploma, and certificate programs.

Treatment of Selected Grades:
Withdrawals/Drops: Credit hours in which a student receives a grade of “W” and “WF” are included in the number of attempted hours, but do not count toward successfully completed hours. Students who withdraw may have difficulty meeting the satisfactory academic progress requirements.

Incompletes: Credit hours in which a student receives a grade of an “I” are included in the number of attempted hours, but do not count toward successfully completed hours. Student with incompletes may have difficulty meeting the satisfactory academic progress requirements at the time of evaluation, but may request re-evaluation upon completion.

Transfer Credit: Students transferring from another college will be considered making satisfactory progress at the time of enrollment at CCCC. A student’s maximum time to receive financial aid will be reduced by the equivalent transfer of credit hours towards his/her degree.

Audit and Never Attend: An audit “AU” or never attended “NA” grade is not considered attempted coursework. It is not included in the grade point average or completion rate determination. A student cannot receive financial aid for courses that he/she audits or is considered a no show.
Repeat Courses: For financial aid purposes, all hours attempted will continue to be counted in the student’s cumulative total of hours. Federal regulations will allow a student to repeat a “passed” course one time and still be eligible for financial aid.

Credit by Exam: While credit by exam “CE” is not included in enrollment status for purposes of awarding financial aid, the attempted and completed credits are counted in each component of the quantitative standard.

Eligibility Status:

Satisfactory: Satisfactory status is achieved when all criteria explained above is met.

Financial Aid Warning: Students who do not have the required grade point average and/or have not successfully completed 67% of their attempted credit hours will be placed on Warning Status for the following enrolled semester. A student may continue to receive financial aid for one semester while on financial aid warning provided they are otherwise eligible. Students should use this opportunity to re-establish satisfactory academic progress. If, at the end of the financial aid warning period, the student is meeting the minimum requirements for satisfactory academic progress, the financial aid warning is lifted. Students who fail to make satisfactory academic progress after the financial aid warning semester will be placed on financial aid suspension and will be ineligible for financial aid until satisfactory progress is met. A student may attend the next semester(s) (at the student’s expense) in order to meet the minimum standards for satisfactory academic progress. NOTE: Satisfactory progress will be monitored at the end of the semester to determine if the student will meet the standards of progress and will be eligible to continue to receive financial aid.

Financial Aid Suspension: A student on financial aid probation who has not attained at least a cumulative 67% completion rate and/or earned the minimum required grade point average of a 2.0 will be placed on financial aid suspension. A student who has attempted the maximum allowable credit hours for their program of study will also be placed on financial aid suspension. A student may attend the next semester(s) at the student’s own expense.

Notification of Financial Aid Warning and Suspension: The Financial Aid Office will send a letter/email of notification to any student who is placed on Warning Status or Probation Status.

Remaining Eligibility: Students who attend CCCC, without Federal Financial Aid, may regain financial aid eligibility by achieving a 67% completion rate and earning the required GPA based on hours attempted. A student may request consideration of eligibility for financial aid by completing an Appeal Form and submitting the required documentation to the Financial Aid Office.

Students who have exceeded the 150% regulation may also appeal by completing an Appeal Form and submitting the required documentation to the Financial Aid Office.

Appeal of Satisfactory Academic Progress

Standards: Students who have been suspended from receiving financial aid may appeal to the Financial Aid Office when there are extenuating circumstances beyond a student’s control. A student may submit written documentation to the Financial Aid Office by completing the Satisfactory Academic Progress Appeal Request form explaining the circumstances that have affected academic performance and what has changed that will allow him/her to make Satisfactory Academic Progress in a reasonable period of time prior to program graduation. Supporting documentation must be presented. Circumstances that may be considered include death in the family, accident, illness, military deployment, or other serious personal problems that were beyond the control of the student and can be supported with proper documentation from involved third party sources.

Returning students are evaluated on a continuing basis from the first enrollment at CCCC unless a mitigating circumstance is considered. Returning students who were previously enrolled under an academic progress policy other than the current academic progress policy will be required to meet the standards of the current policy upon returning.

Appeal Process: A student may appeal in writing to the Financial Aid Office using the Satisfactory Academic Progress Appeal Request form explaining why satisfactory academic progress requirements were not met and what has changed that will allow him/her to make Satisfactory Academic Progress. Supporting documentation for the extenuating circumstance is required and specified according to the student’s situation on the Satisfactory Academic Progress Appeal Request form. The Financial Aid Appeals Committee will review the appeal and a decision will be rendered within fifteen (15) business days of the next scheduled committee meeting. The student will be informed of the committee’s appeal decision by letter. The decision of the Financial Aid Appeals Committee is final.

Return of Title IV/State Funds Policy

Students who withdraw from all classes prior to completing more than 60 percent of the semester will have their eligibility for financial aid recalculated and may be required to repay all or a portion of any federal and/or state financial aid funds received for that semester. This policy applies to all students who withdraw, drop out, or are suspended from CCCC and who have received Title IV/State funds. Students are responsible for paying this debt. Students’ records will be placed on hold and he/she will not be allowed to register for classes until the bill is paid in full.

Standards of Progress, Attendance, and Conduct for Students receiving VA Educational Benefits

Public Law 93-508 requires that each educational institution approved for veterans to receive educational benefits (G.I. Bill) must establish written policies that
clearly state what is expected of the veteran in the areas of academic progress, class attendance, and conduct. These standards are as follows:

1. Academic Progress for VA Educational Benefits recipients
   Students receiving VA Educational Benefits must maintain a grade point average (GPA) of 2.0 each semester or term in which they are enrolled. Failure to maintain a GPA of 2.0 will result in probation for the subsequent term of enrollment. If, at the end of that probationary term the GPA is still less than a 2.0, VA Educational Benefits will be terminated. Benefits cannot be reinstated until such time as the student regains satisfactory academic progress. Information on CCCC’s grade system and GPA calculation is located in the college catalog.

2. Attendance
   Classroom attendance requirements are the same for veterans and non-veterans. Policies regarding class attendance are listed in the college catalog and the student handbook. Veterans who receive educational benefits and are dropped from class due to inadequate attendance may be terminated from receiving educational benefits. Failure to notify the veteran’s coordinator of any change in classes, including class hours, may result in an overpayment in educational benefits and a debt for the student.

3. Conduct
   Student conduct requirements are the same for veterans and non-veterans. Policies regarding student conduct are listed in the college catalog and in the student handbook.

Serviceman’s Opportunity College (SOC)
   CCCC is a Serviceman’s Opportunity College (SOC) and supports the concept that military personnel should be encouraged to begin their post-secondary education while serving their country.

   Under the Serviceman’s Opportunity College program, servicemen are encouraged to submit evaluations of CLEP test results, DANTES test results, military service school records, Military Occupation Specialty (MOS) evaluations, and prior college coursework for transfer credit. CLEP/DANTES must meet the recommended American Council on Education (ACE) minimum scores. All coursework considered for transfer must be equivalent to CCCC courses appropriate to the student’s program of study.

ACADEMIC INFORMATION

Central Carolina Community College offers Associate in Arts, Associate in Fine Arts, Associate in Science, and Associate in Applied Science degrees, as well as diplomas and certificates.

Transfer to Four-Year Institutions
   In accordance with the Comprehensive Articulation Agreement and Transfer Assured Admissions Policy between the North Carolina Community College System and the University of North Carolina (UNC) System, CCCC graduates who complete an Associate in Arts or Associate in Science degree are assured admission into one of the UNC system’s 16 public universities. CCCC also has transfer agreements with several colleges and universities outside the UNC System. Check with your academic counselor for more information on transfer credits.

Associate in Applied Science Degree (A.A.S.) Transfer
   Although the Associate in Applied Science Degree is designed for workforce training, many colleges and universities will accept transfer credit from CCCC Associate in Applied Science Degree students who wish to pursue a four-year degree. Credit that is granted may range from partial to a full two years of credit. A.A.S. students wanting to transfer are encouraged to meet with the CCCC college transfer counselor and with the appropriate admissions officer at the four-year college to discuss transfer credit.

Orientation
   All new students are expected to participate in an orientation process that is intentionally planned and guided by administration, the College Success & Student Transitions Department, the Student Services Department, the faculty, and the Student Government Association. CCCC’s “extended orientation” model consists of: (1) an on-campus orientation that will help students make an initial connection to the campus, administration, faculty, students and services, and policies; and (2) ACA “first-year experience” courses designed with a common core curriculum that help to introduce students to more intensive academic and college-related concepts to encourage persistence and college/career success. Students are required to enroll in the required ACA course during one of their first two terms of enrollment.

Registration
   All curriculum students must register prior to or at the beginning of each term. All students are expected to register during the time specified for that purpose on the college calendar. Each semester, returning students are encouraged to register early for the subsequent semester. Students are expected to pay tuition charges in full by the designated pay
Course Load

Students enrolled for 12 or more semester credit hours during the fall and spring semesters are designated as full-time students.

No additional tuition is charged for credit hours over and above 16. Normally, the course load range is from 16-19 semester credit hours.

Students may take no more than 19 semester credit hours during fall or spring semester without special permission of their advisor and the vice president of student learning or vice president of student services.

Students will not be permitted to register for more than 22 semester credit hours.

Students enrolled for six or more semester credit hours during the summer semester are designated as full-time students. Pell recipients must enroll in at least 12 semester credit hours to receive a full Pell award for a summer semester. Students may take no more than 12 semester credit hours during the summer semester without special permission of their advisor and the vice president Student Services or vice president of student learning. Students are not permitted to register for more than 14 semester credit hours during the summer semester.

Students experiencing academic difficulty will be advised to take a reduced course load. Employed students may also be advised to take a reduced course load contingent upon their academic standing.

Double Major

Students wanting to pursue two degrees at the same time may do so by seeing a counselor and completing a Change of Program form. On the form under the question of “New Program,” the name of both degrees to be pursued must be indicated. The current college catalog in effect on the date the form is completed will be used to determine the course requirements for the degree(s). Only the primary program may be used to determine financial aid eligibility.

Distance Education

CCCC’s comprehensive schedule of distance education courses provides a top-quality, fully-accredited educational alternative for the self-directed, independent learner who values quality, convenience, and flexibility. Distance education courses contain the same basic content, require the same academic rigor, and offer the same semester credits as traditional courses. The major difference between face-to-face courses and distance courses is the instructional delivery method. Courses are offered using three methods: online, hybrid, and web-assisted. Through distance education, travel to campus is minimal or not required at all. Hybrid and web-assisted course delivery reduces on-site sessions but still requires regular on-campus meetings. Distance courses are learner-focused, challenging, and demand as much or more time than traditional courses. Students who are considering enrolling in a distance program or a distance course should work closely with their faculty advisor or counselor.

Distance Education Online Courses

Online courses use the Internet, e-mail, and other electronic resources to provide opportunities for meaningful student-to-faculty and student-to-student interaction comparable to the traditional college classroom. Additional tools such as software applications, e-texts, and media-enriched digital content are common components. Students must have access to a reliable personal computer (home, office, or college campus) with Internet access and appropriate software and also have the ability to use it proficiently.

Online courses are not self-paced; students follow a structured assignment and exam schedule. Successful students are motivated to learn, have easy access to technology, and are comfortable using computers and the Internet.

At the semester start, students must complete the course-specific orientation including a required orientation quiz by the deadline to remain enrolled in the course. Failure to meet this orientation requirement will result in being withdrawn from the course at the student’s expense.

Distance Education Hybrid and Web-Assisted Courses

Hybrid and web-assisted courses blend traditional class meetings on campus with online experiences. In hybrid and web-assisted courses, the Internet, email, software applications, e-texts, and media-enriched digital content are common components. Hybrid courses are designed and facilitated that more time is spent online than in the face-to-face setting while web-assisted courses are the opposite; web-assisted courses require more on-campus than online.

Both delivery methods provide opportunities for student-faculty and student-student interaction. Requirements for these courses include attendance at regularly scheduled on-campus class meetings and access to a reliable personal computer (home, office, or college campus) with Internet access and appropriate software. Students need the ability to use technology for learning.

At the semester start students must complete the course-specific orientation including a required orientation quiz by the deadline to remain enrolled in the course. Failure to meet this orientation requirement or demonstrate attendance in a face-to-face class meeting will result in being withdrawn from the course at the student’s expense.

More complete information about course and credential offerings, requirements, and services can be found on the Distance Education webpage at www.cccc.edu/de.

Auditing Courses

A student who desires to take a course without credit may choose to audit the course by completing the Audit Declaration form, having it signed by either the instructor, department chair, or dean, turning it in at registration, and
pays full tuition. An audit student cannot change the course from audit to credit or from credit to audit after the last day to register or drop/add a course. A grade of “AU” will be assigned to the student upon completion of the course. \textbf{NOTE:} Pell and VA students cannot count audited courses for payment purposes.

Auditing a course is subject to permission of the instructor and is contingent upon space available in the class.

The registrar will ensure that all faculty receive a copy of the completed Audit Declaration Form in order to know who is auditing their classes.

\section*{Course Substitution}

Under extenuating circumstances, a student may apply to his advisor for approval of a course substitution. A course substitution may be granted upon review and recommendation of the department chair to the dean or provost and in consultation with the vice president of student learning.

Consideration of any substitution involving a required core course as stipulated in the curriculum standard must receive additional approval by the North Carolina Community College System office staff. For VA purposes, the VA counselor must be notified of all approved course substitutions.

The course used as a substitute must have credit hours that are at least equal to the number of credit hours of the original course. The substitute course must have relevance to the curriculum and should also have relevance to the course for which the substitution is made.

\section*{Independent Study}

Under extenuating circumstances, independent study may be scheduled for selected courses with the approval of the subject instructor, department chairperson, and the program dean.

\section*{Academic Advisors}

Students are assigned to academic advisors and success coaches upon enrollment. The role of the advisor is to serve as the primary contact with the student for his or her total academic activities while enrolled at CCCC. The role of the success coach is to provide additional academic advising/coaching that supports the overall advising process.

The student is expected to confer periodically with his advisor and/or to visit a success coach for an appointment (at least twice each semester) regarding academic standing, early registration, or any other areas of concern.

\section*{Alternative Credit}

A student may earn alternative credit in the following ways:

- Transfer of credit from one curriculum to another (Resident Credit Transfer)
- Transfer of credit from regionally accredited institutions
- Advanced Placement Examinations (AP)
- College Level Examinations Program (CLEP)
- Defense Activities for Non-Traditional Education Support Systems Examination (DANTES)
- Proficiency demonstrations
- Articulated credit from a vocational or technical high school course
- Experience

\section*{Amount of Alternative Credit Allowed}

At least 1/3 of credit for a certificate, diploma, or associate degree required for graduation must be an earned grade at Central Carolina Community College.

No more than 20\% of credit for a certificate, diploma, or associate degree required for graduation may be earned through credit by experience.

\section*{Resident Credit}

When a student transfers from one curriculum to another within the college, all courses applicable to the new program for which the student has earned credit will transfer as resident credit depending upon the curriculum guidelines and academic policies in effect at the time of transfer. Some courses may be ineligible for transfer based on time limitations set by specific curriculum programs.

\section*{Transfer Credit from Another Institution}

CCCC accepts transfer credit from regionally accredited institutions under the following rules:

- Higher education institutions (colleges) transfer credits may be accepted only from regionally accredited institutions.
- A course grade of “C” or better is required for all transfer credit.
- Students must request official transcripts to be sent to the Registrar’s Office for evaluation.
- When deemed necessary students must provide course descriptions and/or course syllabi if they are needed to determine credit eligibility.
- Some courses may be ineligible for transfer credit based on time limitations as set by specific curriculum programs.
- Credit will be granted on a course-by-course basis for courses closely paralleling those offered at the college and must meet the credit hours of the CCCC course for which transfer credit is granted. Transferred credit will not be calculated in the grade point average.

\section*{Advanced Placement (AP), CLEP, DANTES}

Students may request credit for subjects tested under advanced placement exams such as AP, CLEP, and DANTES. Subjects must be applicable to the student’s current curriculum program requirements and test scores must meet American Council on Education (ACE) recommendations. Such credit must be supported by official test score reports. The following rules apply:

- Students must request that official score reports to be
sent to the CCCCT Registrar’s Office for evaluation.
  • Credit will be granted only for scores earned within
    the last ten (10) years unless approved by the vice
    president of student learning.
  • Credit will be granted on a course-by-course basis for
    courses closely paralleling those offered at the college
    and must meet the credit hours of the CCCCT course for
    which transfer credit is granted.
  • Such credit will not be calculated in the grade point
    average.
  • An exam score of 3 or better is required to receive
    credit for an AP course.
  • Recommended ACE cut-off scores will be used for
    CLEP and DANTES.
  • Credit will not be calculated into the GPA

Credit by Examination

Students with prior proficiency in a course due to
previous educational or work experience may apply for
credit by examination. This option is available for selected
courses as determined by the department chair. A
proficiency demonstration may be a written exam, oral
exam, shop exercise, or lab exercise. The following rules for
the student apply:
  • Show evidence of preparedness for a proficiency
demonstration (e.g., high achievement in secondary school,
military service, and/or work experience) that must be
submitted to the department chairperson accompanied by a
written request for a review.
  • Obtain permission from the appropriate department
chairperson or vice president of student learning.
  • Register and pay tuition for the course.
  • Take the Proficiency Test during the first week of the
term.
  • Earn a grade of 85% or better.
  • Drop the course using the Drop/Add form if an
acceptable score is earned and then add the course as
Section “OP” (Proficiency) on the Drop/Add form.
  • Credit granted through a proficiency exam will not be
calculated in the grade point average.
  • Proficiency demonstrations may be taken only one
time for each course.
  • Credit for proficiency demonstration may not be
granted for a course being audited by the student.
  • The instructor will complete a Student Termination
form and assign a grade of “CE” (Credit by Examination).
Reason for termination will be “Passed by Proficiency.”
  • Credit will not be calculated into the GPA

Articulated CTE High School to Community
College Credit

Students may request articulated credit based on CTE
courses completed from a NC public high school. and who
meet the following criteria:
  • To receive articulated credit, students must enroll at the
    community college within two years of their high school
    graduation date.
  • Student must have earned a final grade of B or higher in
    high school CTE course.
  • Student must have earned a score of 93 or higher on the
    standardized CTE post-assessment.
  • Student will complete Articulated Credit form received
    from admissions counselor and submit to registrar.
  • Registrar will verify high school graduation date, CTE
course taken, course grade and post-assessment
(VoCATs) grade.
  • Awarded credit will be issued tech prep non-course
credit with a grade of CE which will not be included in
GPA calculations.

Credit by Experience

Students may request credit for work experience or
skills that directly correlate with competencies required in a
specific course under the following rules:
  • Requests for credit by experience must be properly
made and acted upon prior to the 10% point of the class and
must be made in writing on the Request for Credit by
Experience form.
  • Credit by experience may not be granted for
cooperative work experience courses.
  • The department chairperson or lead instructor will
guide the student in determining the appropriate
documentation necessary to evaluate the request.
  • Documentation required will vary depending upon the field
of study.
  • For guidance, the following are examples of the
appropriate documentation: official work history with job
responsibilities and proficiency ratings verified by
supervisors and human resource officers within the
company; a completed thesis verified by an official
transcript could serve as verification that a student should
receive credit for a technical writing course; electronically
recorded presentations (taped presentations could be
evaluated to determine credit by experience for an oral
communications class); and brochures announcing a pottery
exhibit and displaying the creations of the student could be
used for an art class.
  • Experiences, which may require a demonstration of
one’s ability, must be approved by the student’s curriculum
department chairperson or lead instructor, the subject area
department chairperson, and the vice president of Academic
Affairs.
  • Experiences must be officially documented per the
college’s request.
  • Veterans may apply credit for training received under
the armed forces college training programs and some
specialized and technical training completed under the
auspices of the armed forces. Appropriate documentation
must be provided.
  • The approved credit recommendation should be
submitted to the Registrar’s Office.
  • The registrar will record a symbol of “EL” on the
transcript with credit hours; however, no quality points will
be assigned.
• Documentation shall be kept on file for five (5) years in the Registrar’s Office.
• Credit granted for experience will not be calculated in the grade point average.

Prerequisites/Corequisites
Prerequisites and corequisites serve as safeguards to successful course and program completion in that they ensure proper knowledge and background for higher-level courses. In the case of corequisites, the goal is to ensure a proper educational experience when two courses depend upon one another for coherence and knowledge application. In rare cases, prerequisites or corequisites may be waived upon review and recommendation by the department chair to the dean or provost and in consultation with the vice president of student learning. Permissible reasons for waiver of local prerequisites (course taken prior to another course)/corequisites (course taken at the same time or prior to another course) are limited to the following:
• Grade of at least “C” in a course judged of similar or higher-level content to that of either the prerequisite/corequisite or the requested course.
• Demonstrated competency in the content of the prerequisite/corequisite obtained through professional application. In this case, the student must request credit by experience.
• Life experiences that are deemed equivalent to or that supersede the prerequisite or corequisite; a formal review of course level outcomes would occur and be maintained in the student’s records.
• Transfer in of a course that has a prerequisite or corequisite (example: a student transferring in with the local prerequisite of DRE-098 would not have to take DRE-098).
• Satisfactory completion of proficiency exams administered by CCCC (when such exams are available).
• Enrollment in another course deemed suitable to satisfy the corequisite.
• Student engaged in a job experience during the duration of the course that would provide a similar purpose of the corequisite.
• An associate or higher level degree when enrolling in beginning college level courses (e.g. ENG 111; PSY 150).
• For visiting students, written documentation from their college/university to enroll in a specified course that has a prerequisite.

Time Provisions for Completing a Curriculum Program
Students will abide by the college catalog and program of study requirements in place at the time of admission. Students may elect to adopt future college catalogs and program of study requirements if it is beneficial to completing degree requirements in a timelier manner.

Students who request a change of program must adopt the college catalog and program of study requirements in place when the change becomes active.
Consequently, older college catalogs cannot be used for degree completion once the change of program is active.

In accordance with CCCC’s mission and values, the college quests to educate, train, and graduate students who are competent, capable, and current in their chosen programs. Therefore, students who have not completed their program of study within five years of initial enrollment are subject to new or revised policies, provisions, rules, guidelines, electronic program of study, catalog, etc. in existence once the five-year term expires. NOTE: All students are subject to provisions and guidelines imposed by the state or outside accrediting agencies that impact changes in programs. Such changes are at the discretion of the state or outside accrediting agencies. When such happens, students may be required to adhere to the provisions of the revised program prior to the five-year expiration point.

This provision applies to all students and all curriculum programs (certificates, diplomas, degrees) and is subject to the following rules:
• When a student does not complete a program of study within five years, the department chair and appropriate faculty members may consider course-by-course credit within a student’s program and grant appropriate substitutions and credit with review by the dean/provost and final approval by the vice president of student learning.
• Requests for transfer credit for courses earned under special credit status or while enrolled in another program are also subject to five-year limitations. Such credit exceeding the five-year limit may be evaluated and considered for credit by the department chair and appropriate faculty members with review by the dean/provost and final approval by the vice president of student learning.

Grading System
CCCC operates on a required-subject grade point system in the curriculum areas. All subjects must be completed with satisfactory grades if the student is to be awarded a certificate of completion, diploma, or degree. This grade system is followed for all subjects in curriculum areas. Students enrolled in a course that includes integrated and/or co-requisite lecture and lab components will earn a single course grade.

A cumulative grade point average is maintained which includes all courses taken. If a course is re-taken, only the highest grade will be averaged in the cumulative grade point average; however, both grades will be recorded on the transcript.

How to Compute the Grade Point Average (GPA)
Academic quality must be achieved in order to graduate from any program at CCCC. The standard for students’ work is determined by the Quality Point system. Under this system, a letter grade is assigned a certain number of quality points (QPs) per credit hour; i.e., an “A” is given four QPs; a “B”, three QPs; a “C”, two QPs; a “D”, one QP; and “F”, no QPs. Quality points are computed by multiplying the number of credit hours per course by the value of the grade
earned. The grade point average (GPA) is then computed by dividing the total number of quality points by the total number of credit hours attempted.

**General Education Competencies**

The college is committed to teaching and learning excellence. Every degree program includes a minimum of fifteen semester hours credit of general education as prescribed by the North Carolina Community College System Curriculum Standards, and CCCC believes that every degree student should successfully master general education competencies regardless of the degree discipline. The general education competencies developed by the college represent the academic proficiencies believed necessary for graduates to be successful and productive employees as well as successful community citizens. In support of the college mission, CCCC students will be able to demonstrate:

1. Problem-solving skills that identify, analyze, and evaluate content and processes in order to implement effective solutions or strategies
2. Writing skills that exhibit clear, coherent topic development and proficient use of mechanics
3. Effective communication that reflects proficiency in oral presentation skills in group and/or one-on-one settings
4. Appropriate mathematical skills in collecting, analyzing, and communicating quantitative data
5. Basic computer literacy and evidence of proficiency in concepts, word processing skills and spreadsheet skills

**President’s/Dean’s List Eligibility**

A student will be announced as a President’s List student if he is enrolled full-time in a curriculum program (minimum of 12 credit hours), receives all grades of “A” (4.0 GPA), and has no grades of “I” during the term. The required GPA will be determined by computing grades earned only in credit courses.

A student will be announced as a Dean’s List student if he is enrolled full-time in a curriculum program, receives a grade point average of 3.50 with no grades lower than a
“C,” and has no grades of “I” during the term.
A student graduating with an average of 3.5 or higher in major program courses will be announced as an Honor Graduate.

**Highest Academic Award**
At graduation, the Highest Academic Award will be presented to the graduates who have the highest academic average in four categories: A.A., A.S., A.A.S., and Diploma. These students must have completed 75 percent of their coursework and their last term of study at Central Carolina Community College. Only students with a minimum GPA of 3.5 are eligible to receive this academic award.

**Academic Probation Policy**
Each student will be notified of his academic status at the end of each term. Students who do not earn a 2.0 GPA for any given term will be placed on academic probation. Academic probation is posted to the student’s official transcript for that term. Probation students, who are seeking a degree, diploma, or certificate, will be required to enroll in and successfully complete ACA 090, a three semester hour non-credit course. A reduced course load is recommended. Students may not participate in any athletic events while on academic probation.

**EXCEPTION 1:** Probation students who maintain a cumulative GPA of 3.0 or higher will not be required to enroll in ACA 090 College Study Skills. A reduced course load is recommended.

**EXCEPTION 2:** Probation students who have enrolled in and successfully completed ACA 090 during a previous term will not be required to repeat ACA 090. Students who are placed on academic probation for subsequent terms will only be permitted to enroll in a maximum of 12 credit hours (12 credit hours for a 16 week term, 9 credit hours for a 12 week term, and 6 credit hours for an 8 week term) during the next term of enrollment. Students can enroll in additional credit hours upon obtaining a 2.0 term GPA during the probation term.

If, upon receipt of grades, a student learns that he is on academic probation, he must schedule an appointment with his advisor/counselor immediately. The purpose of this conference is to assist the student in assessing academic problems and exploring ways of improving the student’s academic status. As long as the student remains on academic probation, his advisor/counselor will make recommendations concerning the course load for which the student should register, enrollment in needed developmental courses, or referrals to other college resources.

**Academic Suspension Policy**
If a student has below a 2.0 term GPA for two consecutive terms and an overall GPA of less than 2.0, that student will be suspended from all coursework and all college activities for one term with the exception of enrollment in ACA 090 College Study Skills. Academic suspension is posted to the student’s official transcript for that term. A student may be considered for reentrance after one term of suspension by completing a readmission form and having it approved by the department chairperson, a counselor, and the vice president of student services. ACA 090 will be required during the term of suspension or the term of reentrance.

**EXCEPTION:** If a student applies to change curriculum programs after two terms with a GPA below 2.0, the suspension may be extended for one term. During this suspension extension term, the student will be required to enroll in and successfully complete ACA 090. This extension of suspension must be approved by the department chairperson of the new curriculum and by the Vice President of Student Services. Failure to obtain at least a 2.0 GPA during the subsequent term will result in academic suspension for one term.

**Repeating a Course**
A student may repeat a course to eliminate a failing grade, to attempt to earn a higher grade, or earn credit for which transfer credit has not been granted. All course grades will be recorded on the transcript; however, the highest grade will be used for computing total credit hours attempted and passed, total grade points, and grade point averages. No course may be counted more than once for graduation. No course, except developmental courses, may be repeated more than twice. An exception may be granted for courses that receive a “W” grade. They may be repeated more than twice with approval of the dean.

Certain regulations may prohibit veterans and other financial aid recipients from receiving financial aid for repeating courses previously passed. It is the student’s responsibility to determine status in regard to financial aid.

**Academic Forgiveness**
Students may request academic forgiveness for grades of D or lower guided by the following conditions:
1) Students who (a) were not enrolled in College curriculum courses for 36 consecutive months (three years) or longer, and (b) have been re-admitted to the College, seeking acceptance in a selective admissions program and completed at least 12 credit hours of coursework at the 100-level or above with a minimum quality point average of 2.0.
2) Students meeting the criteria for 1a and 1b should visit the Student Services Office or Admissions Office via telephone and may also contact the Distance Education success coach for assistance with the process.

If the student is granted academic forgiveness, the following conditions apply:
1) Previous grades of D, F, and WF will not be used when calculating the cumulative GPA. Recalculated grades must not have been counted under a previously-granted
A student who wishes to withdraw from school or from an individual course during the academic year should complete an official withdrawal with an admissions counselor. Students are required to have approval from the financial aid department if they are receiving funding. The last date of attendance (including withdrawal resulting from disciplinary suspension or expulsion) from a course can affect the final grade for that course. Distance education students who cannot physically come to campus can initiate withdrawal from a course by phoning or emailing an admissions counselor or academic advisor.

A student may withdraw within the first 75% of the course session or semester and receive a “W” as long as he does not return to class. After the 75% point as specified in the college calendar, withdrawal from a class results in a final grade of “WF.” A grade of “WF” is treated as an “F” and affects the grade point average.

All courses dropped after the 75% point of the course will be dropped with a “WF” except in the case of hardship/medical withdrawal from the college. A hardship/medical withdrawal be requested from the vice-president of student services and documented and filed with the registrar before the end of the term.

When a student has not attended class for two consecutive weeks, has not contacted the instructor, and has not completed an official withdrawal form, the faculty may complete and submit to the registrar a “Student Termination” or the online withdrawal form. The grade assigned to the student on the termination form or withdrawal form will be determined by the last day of attendance; i.e., a “W” if the last day of attendance was on or before the 75% date or a “WF” if the last date of attendance was after the 75% point of the course session.

Readmission
When a student withdraws from the college, he may apply for readmission at the beginning of the next term in which courses are offered and for which he is eligible. A student who is dismissed for unsatisfactory progress may be readmitted after the department chairperson, a counselor, and the dean of admissions or vice president of student services has granted approval.

A student reentering must do so under the provision of the catalog in effect at the time of reentry.

Transcript Policy
Official curriculum transcripts may be requested by two methods. In order to request a transcript, a student’s written or electronic signature is required and all financial obligations to the college must be fulfilled.

Students may request a transcript online through our website for $3.75 per transcript. Online orders may take up to 72 hours or three business days to process although are usually processed daily. Online requests may be sent via US post or electronically to the email address specified by the student. It is the student’s responsibility to ensure the receiving party accepts electronic transcripts. To order a transcript online, go to CCCC’s homepage at www.cccc.edu. At the top of the page, click on the ‘Site A-Z’ listing. Click on ‘T’ and select ‘Transcript Requests.’ Click ‘Transcripts’ on the left hand side of the page. Scroll down to CURRICULUM TRANSCRIPTS. Then click ‘Order online now’. All electronic request transcript fees are collected by a third party agency (Parchment systems) that provides the transcript management and certification system.
for transcripts. All students must digitally sign a FERPA waiver before the transcript is released.

On-demand requests may be made to the Records Office in person for a charge of $5.00 per transcript. On-demand transcripts will only be issued to the student. A photo ID is required. On-demand transcripts cannot be mailed or sent electronically. Payment must be made to the Business Office. Please note the Business Office hours for on-demand requests. The business office hours are from 8am until 5pm Monday through Thursday and from 8am until 3:30pm on Fridays for on-demand payment processing.

CCCC does not fax transcripts or accept faxed transcript requests for curriculum transcripts.

CCCC does not accept third-party transcript requests.

Central Carolina Community College retains the right to not issue an official transcript under the following circumstances: (1) the student owes an outstanding balance to the college, and (2) the student owes outstanding materials to the college.

Current students may view unofficial transcripts through WebAdvisor or Aviso.

Electronic Transcript Policy (E-transcripts)

Central Carolina Community College certifies that an electronic transcript (e-transcript) issued by Parchment Systems as an official college transcript. The acceptability of an e-transcript will be determined by the receiving institution/recipient in accordance with their policies and procedures.

Acceptance of Electronic Transcripts for Admission Purposes

Central Carolina Community College will accept electronic transcripts for admissions purposes if the following criteria are met regarding the transcript:

1. The transcript is certified as official from the college using a third party agency for the certification process. Approved agencies include AVOW Systems, Docufide, National Student Clearinghouse, and Scrip-Safe.
2. The transcript must be a PDF certified document that has no indication of tampering.
3. A college official must receive the transcript from an approved e-transcript service. CCC does not accept forwarded transcripts from unaffiliated college sources unless it has been preapproved by the Registrar.
4. CCC has the right to refuse electronic transcripts or request additional information if there is question about the authenticity of the document.

Graduation

Graduation exercises are held annually for an academic year at the close of the spring term. A student who graduates or anticipates graduation during the academic year may participate in the ceremonies held on graduation day. Students who complete graduation requirements and apply for graduation in the fall or summer term when a ceremony is not held for degrees to be conferred will have credentials released after the Board of Trustees meets during that subsequent quarter and confers students’ credentials. The student must apply for his degree or diploma by the midterm of the term in which coursework is scheduled for completion. A $18.00 graduation fee will be charged to students who participate in graduation exercises. Graduation fees are used to cover costs for degrees, diplomas, certificates, caps, gowns, honorariums, flowers, etc. In compliance with the Student-Right-To-Know and Campus Security Act of 1991, the college’s graduation rate and annual crime statistics are available on request from Student Services.

Conduct and Student Due Process

CCCC has a genuine concern for the integrity of all students enrolled. Students are required to conduct themselves in a mature and responsible manner.

Attendance

Central Carolina Community College values a philosophy that supports the attainment of education, skills, and competencies integrated with a strong awareness of a workplace ethic of responsibility and commitment to excellence. Regular attendance is required and demonstrates a commitment to educational achievement and good workplace ethics. All work missed during absences must be made up to the satisfaction of the instructor, and failure to make up work may adversely affect the student’s final grade.

• At the discretion of the instructor, a student who is absent from class more than 20% of required class meetings may be dropped from the class roster. Factors that may be used for such a decision include but are not limited to: current grade, ability to successfully complete the class, legitimate reasons for the absences, the ability to make-up missed work, etc

• Central Carolina Community College authorizes two absences from classes each academic year for religious observances required by the faith of a student. For the purposes of this policy, an academic year begins on the first day of fall classes in August and ends on the last day of summer classes in July each year. Absences due to religious observance are in addition to allowed absences set forth by 80% attendance requirement.

• Students requesting absence from class for religious observance must obtain approval at least two weeks prior to the date of the absence. Students who miss class for religious observance will be granted the opportunity to make up work missed due to the absence.

• Students withdrawn for missing more than 20% of the class meetings before the last day to drop a course will receive a grade of “W.” Students withdrawn after the last day to drop a course will be assigned a grade of “WF.”

• Making up absences is at the discretion of the instructor or may be guided by internal policies determined by individual departments or programs when necessary to comply with guidelines prescribed by accrediting or
licensing agencies. Allied Health, Barbering, Basic Law Enforcement Training (BLET), Cosmetology, and Esthetics are examples of such programs and courses where external agency requirements may influence attendance guidelines.

- At the discretion of the instructor, a student may be referred to the Student Services Department for counseling relative to absenteeism. The visit must be documented prior to reentry to the class.
- In all cases, instructors are required to maintain accurate attendance records. Absences due to late registration shall be counted as regular absences. If a student has been in attendance prior to the 10% census date, but has been absent, the instructor should not initiate student withdrawals except for students who have never attended class.
  - When the instructor decides to withdraw a student, the instructor will notify the student through the student’s official college email in a timely manner.
  - A student may be suspended from a course for disciplinary reasons at any point during a course.
  - If a student wishes to appeal an instructor’s decision to withdraw him for absences, the student should consult the instructor’s immediate supervisor. Further appeals should be made to the next ranking official up to the vice president of student learning. The official to whom the appeal is made may reverse the withdrawal. The decision of the vice president of student learning is final.
  - Disciplinary withdrawals may be appealed through the procedures outlined under Students Rights (Disciplinary Procedures).
  - Students who anticipate an absence should contact their instructor before the class meets. Should this prior notice to the instructor be impossible, the student should expect to explain his absence upon return to class.
  - Excessive tardiness will be dealt with in a manner similar to that for absences. Three tardies constitute one (1) absence. Students who are late by 10 minutes or more will be marked absent for that hour of class. NOTE: A grade of “W” may adversely affect third-party payments (e.g., financial aid, VA benefits).
  - Attendance or participation in distance education courses is defined as completing and submitting academic work. At the semester start, students must complete the course-specific orientation including a required orientation quiz by the deadline to remain enrolled in the course. Failure to meet this orientation requirement will result in being withdrawn from the course at the student’s expense.
  - Simply clicking into a Blackboard site or related application does not constitute attendance. Students should reference distance education materials and their course-specific syllabi for more detailed requirements for active and appropriate participation in distance education courses. When students do not meet attendance standards in distance education courses as set forth in distance education materials and course-specific syllabi, students will be dropped from the course with the outcomes as described for traditional students.

**Dropping Students from Class Roll**

A student will be dropped when the student gives notice of withdrawal. A student may be dropped when he or she has been absent from class for two consecutive weeks without making personal contact with the instructor indicating intention to continue in the course. Absence must be for a valid reason and the student must make personal contact with the instructor to give or receive information or assignments relative to the course. All work missed during the period of absence must be made up to the satisfaction of the instructor.

A student dropped for two consecutive weeks of absences without contact or for any other reason may be readmitted through the Student Services Department. Permission to reenroll will be given only with approval of the instructor. All work missed must be made up. A student may be dropped from a course for disciplinary reasons.

**Student Rights, Responsibilities, and Judicial Procedures**

*I. Preamble*

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the community. Students should exercise their freedom with responsibility. As members of the academic community, students are subject to the obligations, which accrue to them by virtue of this membership. When a student’s violation of the law adversely affects the college’s pursuit of its recognized educational objectives, the college may enforce its own regulations. When students violate college regulations, they are subject to disciplinary action by the college whether or not their conduct violates the law. If a student’s behavior simultaneously violates both college regulations and the law, the college may take disciplinary action independent of that taken by legal authorities.

**II. Student Rights**

A. Students are free to pursue their educational goals. Appropriate opportunities for learning in the classroom and on the campus shall be provided for by the college. Student performance will be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

B. Students have the right to freedom of expression, inquiry, and assembly without restraint or censorship subject to reasonable and nondiscriminatory rules and regulations regarding time, place, and manner. Freedom of expression must conform to generally recognized community standards of decency and morality.

C. Students have the right to inquire about and to propose improvements in policies, regulations, and procedures affecting the welfare of students through established student government procedures, campus committees, and college officers.

D. The Family Educational Rights and Privacy Act of 1974 provides safeguards regarding the confidentiality of
and access to student records, and this Act will be adhered to by the college. Students and former students have the right to review their official records and to request a hearing if they challenge the contents of these records. Only directory information will be released without the written consent of the student. Directory information includes name, address, academic major, enrollment periods, hours earned, degrees awarded, and awards received. However, a student may request in writing to the vice president of student services that directory information be withheld. The college will not sell address lists of any current students, previous students, or graduates.

E. No disciplinary sanctions other than temporary removal from class or an activity may be imposed upon any student without due process (see Section IV, A.). Due process procedures are established to guarantee a student accused of a student code of conduct violation the right of a hearing, a presentation of charges, evidence for charges, the right to present evidence, the right to have witnesses on one’s behalf and to hear witnesses on behalf of the accuser(s), the right to counsel, and the right of appeal.

F. Grade Appeal—Students have the right to appeal any grade within fifteen (15) business days after the posted date of the grade. Students must follow the student appeal process outlined under Section VI. Student Grievance Procedure and Section VIII. Appeals Procedure—Grade Appeal.

III. Student Code of Conduct

The college reserves the right to maintain a safe and orderly educational environment for students and staff. Therefore, when, in the judgment of college officials, a student’s conduct is a clear and substantial disruption or clearly threatens to create a substantial disruption to the college community, appropriate disciplinary action will be taken to restore and protect the sanctity of the community.

Students are expected to conduct themselves in accordance with generally accepted standards of scholarship and morality. The purpose of this code is not to restrict student rights, but to protect the rights of individuals in their academic pursuits.

The following regulations set forth rules of conduct which prohibit certain types of student behavior. Violation of one or more of the following regulations may result in one of the sanctions described in Section V. This code should not be considered an exclusive list of acceptable and unacceptable behavior.

A. Academic Dishonesty—Central Carolina Community College expects every student to be committed to honesty and academic integrity. To ensure that all students understand CCCC’s expectations, specific examples of cheating and plagiarism, two common forms of dishonesty, are outlined below. The lists are representative, but not all inclusive of various types of academic dishonesty.

Cheating includes copying tests, assignments, projects, presentations, and similar work; submitting work that was previously submitted in another course or at another institution without instructor approval; changing grades without the instructor’s knowledge; using unapproved sources (print, electronic, or web materials, etc.) during tests; receiving and giving assistance with tests or other assignments without instructor approval; and any action which misrepresents or defrauds.

Plagiarism includes representing others’ work (papers, tests, assignments, projects, etc.) in any form, print, electronic, web, etc., as your own; not giving credit to work created or composed by another author (refer to The Publication Manual of the American Psychological Association, the MLA Handbook for Writers of Research Papers, or other approved style guide); or submitting a purchased paper, project, or presentation as your own original work.

Other academic honesty violations include allowing others to copy your work, providing your work to others for submission as their own, lying to improve your grade or others’ grades, changing a graded work and submitting it for regrading, stealing or destroying others’ work, collaborating on work without instructor approval, and impersonating another by taking their examination.

If a student commits an act of academic dishonesty, the consequences may include one or more of the following at the discretion of CCCC administrators: receive a zero grade on that assignment, receive an “F” in that course, and/or be suspended or expelled from the college.

B. Theft of, misuse of, or damage to college property, or theft of or damage to property of a member of the college community or a campus visitor on college premises or at college functions; unauthorized entry upon the property of the college or into a college facility or a portion thereof which has been restricted in use and thereby placed off limits; unauthorized presence in a college facility after closing hours are violations of behavior.

C. Possession of or use of alcoholic beverages or being in a state of intoxication on the college campus or at college-sponsored or supervised functions off campus or in college-owned vehicles is prohibited. Possession, use, or distribution of any illegal drugs, except as expressly permitted by law is prohibited. Any influence, which may be attributed to the use of drugs or of alcoholic beverages, shall not in any way limit the responsibility of the individual for the consequences of their actions.

Furthermore, no one with the smell of alcohol on him, or whose observable behavior leads a college official to believe he is under the influence of alcohol or other drugs, will be allowed at the college or any college activity.

NOTE: Parents are notified when students under age 21 violate drug and/or alcohol laws.

D. Lewd or indecent conduct, including public physical or verbal action or distribution of obscene or

E. Mental or physical abuse of any person on college premises or at college-sponsored or college-supervised functions, including verbal or physical actions which threaten or endanger the health or safety of any such persons or which promote hatred or racial prejudice is prohibited. NOTE: A student who poses a
serious risk of imminent harm (i.e., threat of a violent act against students/or staff), will be expelled immediately. Personal combat will not be tolerated.

F. Any act, comment, or behavior which is of a sexually suggestive or harassing nature and which in any way interferes with a student’s or an employee’s performance or creates an intimidating, hostile, or offensive environment is prohibited.

G. Intentional obstruction or disruption of teaching, research, administration, or disciplinary proceedings, or other college activities, including public service functions and other duly authorized activities on college premises is prohibited.

H. Occupation or seizure in any manner of college property, a college facility, or any portion thereof for a use inconsistent with prescribed, customary, or authorized use is prohibited. In addition to usual disciplinary measures, violation of this rule will result in revocation of all scholarships and grants.

I. Participating in or conducting an assembly, demonstration, or gathering in a manner which threatens or causes injury to person or property; which interferes with free access to, ingress, or egress of college facilities; which is harmful, obstructive, or disruptive to the educational process or institutional functions of the college; remaining at the scene of such an assembly after being asked to leave by a representative of the college staff are prohibited.

J. Possession or use of a firearm, incendiary device, explosive, or any weapon, except in connection with a college-approved activity is prohibited. This also includes unauthorized use of any instrument capable of inflicting serious bodily injury to any person.

K. Setting off a fire alarm or using or tampering with any fire safety equipment, except with reasonable belief in the need for such alarm or equipment is prohibited.

L. Illegal gambling is prohibited.

M. Smoking (and/or using other forms of tobacco products), eating, or drinking beverages in classrooms, shops, and labs or other unauthorized areas is prohibited.

N. Vehicles must be parked in designated areas and the parking permit must be visible. Vehicles will be operated safely, moderately, and courteously. The speed limit on all campuses is ten (10) miles per hour. Vehicles must be registered with the Business Office (Lee County Campus) or the front office (Chatham and Harnett county campuses) at the first occasion they are used on campus grounds. Violators of traffic and parking regulations are subject to a fine for each violation. Student records may be withheld until fines are paid.

O. Forgery, alteration, or misuse of college documents, records, or instruments of identification with intent to deceive is prohibited.

P. Failure to comply with instruction of college officials acting in performance of their duties is prohibited.

Q. Violation of the terms of disciplinary probation or any college regulation during the period of probation is prohibited.

R. Fiscal irresponsibility such as failure to pay college-levied fines, failure to repay college-funded loans, or the passing of worthless checks to college officials is prohibited.

S. Violation of local, state, or federal criminal law on college premises or while attending college activities is prohibited.

T. Students are expected to dress appropriately for the occasion. This includes covering the torso and wearing shoes or sandals. Lewd, indecent, or offensive wording on clothing will not be tolerated.

U. Students are not to bring children to the campus while attending classes or other activities or using the library. Children should not be left unattended in cars while parents attend class or campus business.

V. Curriculum students are permitted to carry pagers and cellular phones on their persons provided that they comply with all the following:
• No texting or emailing during class.
• Cellular phones must be set to silent or vibrate mode or be turned off completely during class time.
• Students will not exit class to respond to messages or calls. If it is an emergency situation, students must notify their instructor prior to exiting class.
• If a student’s pager or cellular phone becomes a classroom disruption, they will be asked to remove the pager or cellular phone from class.

College personnel shall retain the right to remove pagers or persons that become disruptive to the learning process. All students choosing to carry pagers or cellular phones must abide by the policy as outlined above or face disciplinary measures from the college.

W. Library Computer Use: Library computers are provided to conduct research and to communicate with others in support of the college’s educational mission. Students, faculty, staff, public patrons, and campus visitors are expected to use computer resources in an ethical, legal, and responsible manner. By logging on to library computers, users acknowledge that they are aware of and agree to the CCCC Acceptable Use Policy. Any use of library computers that violates college policy, violates federal, state, or local laws, alters computer and/or network settings, promotes commercial activity, intends harm or distress to others, or is obscene or malicious in nature is prohibited. Computer access is a privilege, not a right. Violations may result in loss of access and/or disciplinary action.

X. Policy on Pets: Pets of any type may not be brought on campus or into any college building. This policy is in no way intended to restrict access to the campus for animals specifically trained to aid individuals with disabilities, police dogs, or those pets that are part of the college’s Vet Med program. Pets cannot be left unattended in vehicles while parked on CCCC property.

**IV: Disciplinary Procedures**

A. Immediate Suspension: If an act of misconduct threatens the health or well-being of any member of the academic community or seriously disrupts the function and good order of the college, an instructor or administrative officer may direct students involved to cease and desist such conduct and advise them that failing to cease and desist will result in immediate suspension. If the students fail to cease and desist, the instructor or administrative officer may then suspend them from the class, the activity, or the college until a resolution of the matter can be made.

The instructor or administrative officer invoking such suspension shall notify the vice president of student services in writing of the individuals involved and the nature of the infraction as soon as possible but no more than two (2) days following the incident. The vice president of student services shall resolve the matter in a timely fashion utilizing the steps outlined in section IV. C. Disciplinary Procedures.

B. Responsibility for Implementation: The vice president of student services is responsible for implementing student discipline procedures. (Throughout this code, VP of Student Services refers to the vice president of student services).

C. Disciplinary Procedures: In order to provide an orderly procedure for handling student disciplinary cases in accordance with due process and justice, the following procedures will be followed:

1. Charges: Any administrative official, faculty member, staff member, or student may file charges with the VP of Student Services against any student or student organization for violations of college regulations. The individual(s) making the charge must notify the VP of Student Services in writing stating: name of the student(s) involved, the alleged violation of the specific code of conduct, the time, place, and date of the incident, names of person(s) directly involved or witnesses to the infraction(s), any action taken that related to the matter, and desired solution(s).

2. Investigation and Decision: Within five (5) working days after the charge is filed, the VP of Student Services shall complete a preliminary investigation of the charge and shall schedule a meeting with the student. After discussing the alleged infraction with the student, the VP of Student Services may act as follows:
   a. drop the charges.
   b. impose a sanction consistent with those shown in Section V. Sanctions.
   c. refer the student to a college office or community agency for services.

3. Notification: The decision of the VP of Student Services shall be presented to the student in writing following the meeting with the student. In instances where the student cannot be reached to schedule an appointment with the VP of Student Services or where the student refuses to cooperate, the VP of Student Services shall send a certified letter to the student’s last known address providing the student with a list of the charges, the VP of Student Services’ decision, and instructions governing the appeal process (Section VII. Appeals Procedure – Sanctions or Disciplinary Actions).

**V. Sanctions**

A. Reprimand: This written communication gives official notice to the student that any subsequent offense against the Student Code of Conduct will carry heavier penalties because of this prior infraction.

B. General Probation: An individual may be placed on General Probation when involved in a minor disciplinary offense. General Probation has two (2) important implications. First, the individual is given a chance to show his capability and willingness to observe the Student Code of Conduct without further penalty; second, if he errs again, further action will be taken. This probation will be in effect for no more than two (2) terms.

C. Restrictive Probation: Restrictive Probation results in loss of good standing and becomes a matter of record. Restrictive conditions may limit activity in the college community and/or access to specified college facilities. Generally, the individual will not be eligible for initiation into any local or national organization, and may not receive any college award or other honorary recognition. The individual may not occupy a position of
VI. Student Grievance Procedure

A. Purpose: The purpose of the student grievance procedure is to provide a system to channel student complaints against a college employee. Such complaints include academic grades, alleged discrimination, and alleged harassment.

B. Procedures:

1. Three faculty or staff members appointed by the vice president of student learning.
2. Three student members who are unfamiliar with the student or the complaint, appointed by the student activities coordinator. New students may be selected for each hearing.

   d. The right to present evidence in support of the student’s position.

   e. The right to have the student’s own counsel present the student’s position.

3. If the grievance related to discrimination or harassment is not resolved in step two, the student may appeal to the responsible vice president who will attempt to resolve the conflict.

VII. Appeals Procedure—Sanctions or Disciplinary Actions

A student who disagrees with the decision of the VP of Student Services may request a hearing before the Judicial Committee. This request must be submitted in writing to the VP of Student Services within six (6) working days after the receipt of the VP of Student Services’ decision. The VP of Student Services shall refer the matter to the Judicial Committee together with a report of the nature of the alleged misconduct, the name of the complainant, the name of the student or college employee against whom the charge has been filed, and the relevant facts revealed by the VP of Student Services’ investigation.

A. Committee Composition

   Membership of the Judicial Committee shall be composed of the following:

   1. Three faculty or staff members appointed by the vice president of student learning.
   2. Three student members who are unfamiliar with the student or the complaint, appointed by the student activities coordinator. New students may be selected for each hearing.

         f. Procedures for Hearings Before the Judicial Committee

         1. Procedural Responsibilities of the VP of Student Services include the following:

            The Judicial Committee must meet within ten (10) working days of receipt of a request for a hearing, unless the student (the defendant) requests additional time (not to exceed five (5) days). At least two (2) working days prior to the date set for the hearing, the VP of Student Services shall send a certified letter to the student’s last known address providing the student with the following information:

               a. A restatement of the charge or charges.

               e. The right to have the student’s own counsel present the student’s position.
b. The time and place of the hearing.
c. A statement of the student’s basic procedural rights.

2. Basic procedural rights of students include the following:
   a. The right to counsel. The role of the person acting as counsel is solely to advise the student. The counsel shall not address the committee. If the student opts to bring counsel, the student must inform the VP of Student Services of this intention when the request for the hearing is filed. If the student brings counsel to the hearing without so informing the VP of Student Services, the committee chairperson will give the student the option of proceeding without counsel or postponing the hearing for five (5) working days.
   b. The right to request that the committee chairperson disqualify any member of the committee for prejudice or bias. If a member is disqualified the committee must still have five members (see note below VII. A. 4.) to conduct business. Additionally, if a faculty or staff member is the defendant, the faculty or staff member also has the right to request that a committee member be disqualified for prejudice or bias.
   c. The right to present evidence (including witnesses).
   d. The right to face the person(s) bringing the charge(s).
   e. The right to hear witnesses on behalf of the person bringing the charges.
   f. The right to testify or to refuse to testify without such refusal being detrimental to the student.
   g. The right to appeal the decision of the committee to the president who will review the official record of the hearing. The appeal must be in writing and it must be made within ten (10) working days of the completion of the hearing.

3. The Conduct of the Committee Hearings is as follows:
   a. Hearings before the Committee shall be confidential and shall be closed to all persons except the following:
      (1) The student. (Absence of the student will result in adjournment of the hearing and no further action will be taken.)
      (2) The faculty or staff member bringing the charge against the student or being accused by the student.
      (3) Counsels (see VII. B. 2. a. The Right to Counsel).
      (4) Witnesses who shall:
         (a) Give testimony singularly and in the absence of other witnesses.
         (b) Leave the committee meeting room immediately after completion of the testimony.
   b. The hearings will be tape-recorded. Tapes will become the property of the committee and the president will determine access to them. All tapes will be filed in the vault in the college Business Office and kept for three (3) years. The VP of Student Services will keep copies of all correspondence and rulings surrounding the hearing for three (3) years.
   c. The committee shall have the authority to adopt supplementary rules of procedure consistent with this code.
   d. The committee shall have the authority to render written advisory opinions concerning the meaning and application of this code.
   e. Upon completion of a hearing, the committee shall meet in executive session to determine concurrence or non-concurrence with the original finding and to recommend sanctions, if applicable.
   f. Decisions of the committee shall be made by majority vote.
   g. Within four (4) working days after the decision of the committee, the VP of Student Services shall send a certified letter to the student’s last known address providing the student with the committee’s decision.

C. Appeal to the President

A student who refuses to accept the findings of the committee may appeal in writing to the president within ten (10) working days after receipt of the committee’s decision. The president shall have the authority to:

1. Review the findings of the proceedings of the committee.
2. Hear from the student, the VP of Student Services, and the members of the committee before ruling on an appeal.
3. Approve, modify, or overturn the decision of the committee.
4. Inform the student in writing of the final decision within ten (10) working days of the receipt of the appeal.

VIII. Appeals Procedure – Grade Appeal

A. The purpose of the grade appeal procedure is to provide a system to address student complaints regarding grades awarded for specific assignments and/or courses.

B. Procedures

1. The student initiates the appeal of an individual grade or course grade by completing the biographical and descriptive information prompted on the first page of the Grade Appeal Form. The student then submits the completed form to the instructor of the class in which the grade was assigned.
2. The instructor reviews the description of the problem and any related supporting evidence documented on the form by the student and then renders a decision to either uphold or amend the grade. The instructor records information related to the decision on the form and reports this information to the student. Based on the instructor’s decision, the student indicates on the form whether to accept the instructor’s decision or to continue the appeal process.
3. If the student wishes to continue the appeal process, then the student has the right to appeal the instructor’s decision to the appropriate supervising department chair who will, in turn, respond with a decision to uphold the original grade or to overturn the instructor’s decision. If, after completing this step, the student feels that the issue is still unresolved, then the student has the right to appeal the department chair’s decision to the appropriate supervising
academic dean who will respond with a decision to uphold the original grade or to overturn the department chair’s decision. If the issue is still unresolved, the student may continue the appeal process based on the time frames and sequence specified on the Grade Appeal Form.

Distance Education Student Rights and Grievances

Student rights equally apply and extend to distance education students as described above. Likewise, the requirements, guidelines, and procedures for grievances equally apply and extend to distance education students. Distance education students can refer to the College Catalog or the above for more complete information. Students can also contact the distance education staff for direction.

Campus Sex Crimes Prevention Act

Information

The Campus Sex Crimes Prevention Act is a federal law that requires institutions of higher education to inform the campus community where law enforcement agency information on registered sex offenders is available. Additionally, the law requires persons registered as sex offenders, and who are employed by the institution, who carry on a vocation at the institution, or who attend classes at the institution, to notify the institutions of higher learning of their presence on campus.

Information regarding individuals on the registered sex offenders’ list can be obtained from the sheriff’s office in Chatham, Harnett, and Lee counties. Additionally, the North Carolina Department of Corrections website (www.doc.state.nc.us) provides access to search offender information by the offense committed, the county in which the offense was committed, the date of admission into a correctional facility, and the offender’s status and release date.

Family Educational Rights and Privacy Act

Protecting Distance Student Privacy

The Family Educational Rights and Privacy Act requirements and guidelines equally apply and extend to distance education students.

Verifying and Protecting Distance Student Identity

Central Carolina Community College ensures the integrity of its courses and programs offered via distance education by verifying the identity of students participating in classes and completing course work. Methods for verification include requiring a secure login and pass code to the learning management system and related resources, proctored examinations, use of technologies like Turnitin, and employing authentic assessments. The distance education department does not share distance education students’ protected and identifying information to third parties.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

• Students have the right to inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for students to review the records. Schools may charge a fee for copies.

• Students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the student then has the right to a formal hearing.

After the hearing, if the school still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

• School officials with legitimate educational interest
• Other schools to which a student is transferring
• Specified officials for audit or evaluation purposes
• Appropriate parties in connection with financial aid to a student
  • Organizations conducting certain studies for or on behalf of the school
• Accrediting organizations
• To comply with a judicial order or lawfully issued subpoena
• Appropriate officials in cases of health and safety emergencies
• State and local authorities, within a juvenile justice system, pursuant to specific State law

Schools may disclose, without consent, “directory” information such as a student’s name, address, county of residence, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Students may not have access to the following information:

• Parent’s financial records (without written consent from the parent)
• Law enforcement records
• Medical, psychiatric records, or similar records in connection with the treatment of the student
• Letters/statements of recommendation

Veterans’ Information

Central Carolina Community College’s Veterans Affairs Office is available to assist the veterans and their eligible dependents in processing their VA applications to receive educational benefits (G.I. Bill), as well as to help them solve VA problems. CCCC has a veterans’ coordinator whose office is located in the Student Services Department.

Students eligible for VA educational benefits should
follow the procedures outlined below:
• Notify the veterans’ coordinator of intent to apply for VA benefits.
• Select a program and apply for admission to the college. All admission requirements must be completed before VA benefits can be certified.
• Before registration, contact the veterans’ coordinator to insure that all enrollment and VA document data are correct and complete. Students must inform the veterans’ coordinator of their class schedule each semester. Failure to inform the veterans’ coordinator of changes in students’ schedules may result in a lapse of educational benefits.

Standards of Progress, Attendance, and Conduct
Public Law 93-508 requires that each educational institution approved for veterans to receive educational benefits (G.I. Bill) must establish written policies that clearly state what is expected of the veteran in the areas of academic progress, class attendance, and conduct. These standards are the same for all students, veterans, and non-veterans.

I. Unsatisfactory Progress
A final 2.0 cumulative grade point average is required for graduation in all programs, and a student is expected to maintain this average to be considered in good academic standing. (see Academic Probation Policy). Eligible veterans and dependents are expected to meet the satisfactory progress policy to receive VA benefits (See Eligible Veterans or Dependents). Eligible veterans or dependents who have been decertified may be recertified when they meet satisfactory progress (See Eligible Veterans or Dependents). Eligible veterans or dependents can appeal their termination of benefits by completing the appeal form in the Financial Aid Office. This policy is used as the basis for determining a student’s status for enrollment certification purposes to the Veterans Administration.

II. Attendance Requirements Classroom Attendance
Classroom attendance requirements are the same for veterans and non-veterans and are covered elsewhere in this handbook. Veterans, who receive educational benefits and are dropped from class due to inadequate attendance, may be terminated from receiving educational benefits. Failure to notify the veterans’ coordinator of any change in total semester hours may result in an overpayment in educational benefits and a debt for students.

Serviceman’s Opportunity College (SOC)
CCCC is a Serviceman’s Opportunity College (SOC) and supports the concept that military personnel should be encouraged to begin their post-secondary education while serving their country.
Under the Serviceman’s Opportunity College program, servicemen are encouraged to submit evaluations of CLEP test results, DANTES test results, military service school records, Military Occupation Specialty (MOS) evaluations, and prior college coursework for transfer credit.
CLEP/DANTES must meet the recommended American Council on Education (ACE) minimum scores. All coursework considered for transfer must be equivalent to CCCC courses appropriate to the student’s program of study.

Students are nominated on the basis of grade point average (GPA), leadership potential, and communication skills. All selected Ambassadors receive free tuition and fees, plus all necessary uniforms for that year. Further information may be obtained from the Ambassador advisor in the Student Services Department.

Carolina Student Transfer Excellence Program (C-STEP)
The Carolina Student Transfer Excellence Program, or C-STEP, is an innovative program offered via a partnership
between CCCC and UNC-Chapel Hill that identifies talented low- to moderate-income students while they are still in high school or early in their community-college careers and guarantees their eventual admission to the university if they earn an appropriate associate degree and successfully complete the program. It also offers special events and advising, both at their home college and at Carolina, while they are pursuing their associate degrees.

For more information, contact Mark Hall, CCCC lead humanities instructor/C-STEP coordinator, (919) 718-7422 or mhall@cccc.edu.

Student Government Association (SGA)

The Student Government Association (SGA) is the student body’s self-government. It is the official voice of the student body. The SGA is committed to promoting the student’s personal, social, and academic growth through student activities. The SGA provides the environment for students to create and implement activities as they desire under the direction of the Student Services Department staff.

The SGA’s organizational structure consists of an Executive Committee with the officers of president, a vice president for each of the county campuses, a secretary, treasurer, and a Student Senate composed of elected representatives from each curriculum. The SGA president and vice presidents are elected in the spring term of the preceding year. The other officers and representatives are elected during the fall term by the first week in October. The president of the SGA, who serves as a non-voting member of the Board, represents the students on the CCCC Board of Trustees.

The Chatham and Harnett County campuses elect an SGA vice president and senate representatives for their individual campuses and assist the student activities director with student activities on their campuses.

The Student Services Department staff.

The major portion of the cost for all student activities is financed through the student fee paid by each student. The total amount anticipated is budgeted by the SGA Summer Standing Committee, approved or corrected by the SGA Student Senate at its first meeting, and then submitted by the SGA treasurer to the CCCC Board of Trustees for approval. Any changes in the anticipated amount must be reflected in the budget submitted for approval by the Board.

All student activities are conducted only if student interest and participation are sufficient. The following activities are funded and/or sponsored by the Student Government Association:

1. SGA Student Planner/Handbook

The Student Planner/Handbook is published each year by the SGA with the assistance of the Student Services Department staff. Important dates including registrations, exams, holidays, student activities, and events are listed in the Student Planner/Handbook. The purposes, rules, regulations, activities, and policies governing student affairs at CCCC are also found in the Student Planner/Handbook. The cost is covered in the student fee.

2. Activity Days

Activity Days are scheduled on each campus during the fall and spring terms of each school year and consist primarily of outdoor activities, games, and sports. Curricula enter teams in each of the athletic major events. The events currently being held are basketball, softball, volleyball, various races, pool shooting, and board games. These activities are normally preceded by a meal for the entire student body and faculty with the expense being covered by the student fee.

3. Athletics

a. Bowling: An intramural league is available to men and women and usually operates for a minimum of ten weeks with trophies presented. Participants pay a small fee per game during league bowling.

b. Basketball: CCCC sponsors intercollegiate men’s and women’s teams when there is sufficient student interest. Intramural basketball may also be sponsored if sufficient interest is indicated.

c. Volleyball: CCCC sponsors a women’s volleyball team in intercollegiate play when interest is sufficient. Financial support comes from the student fee.

d. Golf: CCCC sponsors a golf team in intercollegiate play when interest is sufficient.

e. Other Athletics: Other athletic teams may be formed for men and women’s sports as dictated by student interest.

4. Dances/Social Events

Several dances, under the sponsorship of the SGA, are held each year depending upon student interest. The cost of these is covered by the student fee.

5. Special Events

The Student Government Association may sponsor other activities such as socials, films, speakers, and related activities that will be of interest to the students. When such occasions arise, students are notified in advance and encouraged to participate.

6. Other Activities

Various other activities are considered through student suggestions. Some of these, for which non-credit classes or clubs can be set up, include chess, bridge, dancing, drama, chorus, and African-American studies. These or any other activities will be considered if there is sufficient student interest. It is the desire of the Student Services Department staff and the SGA to provide, within budgetary limits and school policy, those activities desired by students, which lead to personal development of the individual.

7. SGA Elections

SGA elections are held twice a year. An election for SGA president and vice president is held in the spring term of the previous school year. The offices of secretary and treasurer are elected by the first week in October. The following rules have been adopted by the SGA to ensure
Library Services

The CCCC Libraries consist of the Lee Campus Library (Sanford), the Harnett Campus Library (Lillington), and the Chatham Community Library (Pittsboro). The Chatham Campus Library merged with the Chatham Public Library in September 2010 to form a joint-use library located on the Pittsboro campus. CCCC is pleased to work with Chatham County in this capacity to provide library services to our students and to the Chatham community. All libraries provide assistance to students, faculty, and community patrons. Library cards are required for everyone to borrow materials. For students, the student ID card is also the library card. Students need to register and activate their student ID for use as a library card at the circulation desk. Library Resources
A variety of print and electronic library resources are available to support the curriculum offerings of the college. The CCCC libraries have a combined collection of over 28,000 books, over 100 print periodical titles, and over 2,000 audiovisuals. The Lee Campus (Sanford) library also has an extensive law collection, a music CD collection, and a movie collection. Nook Color eReaders with pre-loaded eBooks are also available for check-out at all campus libraries.

Electronic resources via the Internet include several CCCC online databases, including access to over 53,000 eBooks. The NC LIVE collection of 78 online databases, provide access to over 18,000 full-text periodical titles, over 173,000 eBooks, over 2,000 eAudio Books, and over 26,000 streaming videos. Students can access all of these electronic resources off campus with the use of a password. Contact the library staff about off-campus access, to obtain the password, or for instruction in the use of these resources.

The online catalog, a central database containing the holdings of CCCC and 49 other North Carolina community college libraries in the CCLINC consortium, provides easy and free access to additional resources. Cooperative agreements giving students borrowing privileges exist between the CCCC libraries and the public libraries in Lee and Harnett counties, as well as Campbell University. The library also participates in interlibrary loan services with other types of libraries in North Carolina and throughout the country. These services allow the library to borrow materials from other libraries for patrons to check out from the CCCC library.

College Success & Student Transitions
The College Success & Student Transitions Department supports students’ needs as they persist towards their academic goals and develop into lifelong learners. Students may visit with a success coach for individual academic coaching sessions, advising sessions, and/or group advising sessions. All students are encouraged to visit a success coach if they have academic issues or experience barriers to their college attendance.

The College Success & Student Transitions Department also offers college success courses (ACA 111, ACA 115, ACA 122) that students typically take during their first semester in college. These courses are designed to help students learn to navigate the college process and accomplish their goals. During the class, students will create individualized college success plans helping them to map their path towards a success career.

Success coaches are located in the Miriello Building on the Lillington Campus, on the second floor of Building 2 on the Pittsboro Campus, and in Science Building (within the AAC) as well as academic buildings on the Sanford Campus.

Developmental Studies Program
Minimum proficiency requirements have been established in English, math, and reading. If a student’s placement test scores are below the minimum requirements, he will take developmental courses designed to help remove deficiencies. The Developmental Studies Program is located in the Guided Studies Building on the Lee County Campus, in the Miriello Building on the Harnett County Campus, and in the Health and Small Business Building on the Chatham County Campus.

Writing and Reading Center
The Writing and Reading Center helps students to develop their writing and reading skills with free services such as one-on-one tutoring, group tutoring sessions, and content-specific workshops. Through these services, students will receive constructive feedback on their writing assignments, various resources to improve writing and reading skills, and a better understanding of why writing and reading really matter.

The Writing and Reading Center tutors will help coach students to refine and revise their work. The Center will not proofread line-by-line, tell you what to write, or tell you what grade you can expect. Instead, tutors will offer guidance, instruction, and resources to help you become a better reader and writer with the ultimate goal of achieving college success.

The Center is located in the Miriello Building on the Lillington Campus, on the second floor in Building 2 on the Pittsboro Campus, and on the Lee Campus in the Science Building.

**The Instructional Program**

Many decisions precede the implementation of any new curriculum program. Surveys are used to determine student interest and the availability of employment. Advisory committees are organized in order that community interest, advice, and counsel may be solicited. Funds must be available for instructors and necessary equipment and instructional space must be available. Only after the approval of the Board of Trustees and the State Board of Community Colleges may a new program be implemented.

A strong asset of the North Carolina Community College System is the flexibility in programs. When the job market no longer provides employment for graduates in certain areas, programs can be phased out so much critical labor needs may be met. It is not the purpose of the college to adopt a fixed curriculum; rather, its aim is to modify all programs to meet the ever-changing needs in the fields of employment.

The college reserves the right to cancel any course or program in cases of low enrollment or decreased budget. The college reserves the right to change any curriculum, and such changes may be made without prior notice. This handbook is not to be read as part of a contractual relationship between the college and a student or prospective student.

**Continuing Education**

Continuing Education provides opportunities for adults, regardless of educational backgrounds, to retrain and update themselves in employment, develop leadership and civic responsibility, improve in-home and community life, expand knowledge in general education, and develop creativity in the fine arts.

The Continuing Education Division awards the Continuing Education Unit (CEU) for appropriate programs. The CEU is a nationally recognized device for substantive noncredit learning experiences. A CEU is defined as “10 hours of participation in an organized continuing education experience under responsible sponsorship and qualified instruction or direction.” The following are continuing education programs for which CEU’s may be earned:

- Community Service programs are offered as a part of the commitment of the college to serve the total community.
Offered on day or evening basis, these courses are designed to meet the educational needs of adults in a variety of areas.

Occupational Extension programs provide pre-employment, on-the-job, and in-service training of personnel for area businesses and industries. Occupational extension courses have been or can be developed for any industrial training need, which can be addressed in a classroom, online, or lab environment. These courses may be offered “on site” or at a college location. Course content can be tailored to meet a particular company’s needs. A group of at least 8-10 people is required for most classes.

Emergency Services programs provide courses to meet the training needs of law enforcement, fire, emergency medical, and rescue services personnel. Its programs develop skilled responders, empowering them to act more effectively in emergencies.

College & Career Readiness

The mission of the College & Career Readiness program is to assist adults to become literate and obtain the knowledge and skills necessary for employment and self-sufficiency, assist adults who are parents to obtain the educational skills necessary to become full partners in the educational development of their children, and assist adults in the completion of a secondary school education. The North Carolina Community College System provides educational opportunities for adults to improve their reading, writing, mathematics, and communication skills through the following major program components:

1. Adult Basic Education
   Adult Basic Education is offered to individuals, 16 years of age or older, who have been out of school at least six months and who desire to improve basic skills in reading, writing, arithmetic, and related subjects. Classes are offered on a non-fee basis in both the day and evening programs at sites throughout Chatham, Harnett, and Lee counties. The intent is to raise the educational standards of individuals to meet the demands of today’s world.

   Individuals are tested, counseled, and placed in informal classes where they may progress in each subject area at their own individual rate.

2. High School Completion Programs
   • Admission: Anyone 16 years of age or older, who has been out of school at least six months, may enroll in the General Educational Development (GED) Program or the Adult High School Diploma Program.
   • Purpose of Programs: The General Educational Development (GED) or High School Equivalency Program and the Adult High School Diploma Program provide the opportunity for adults to complete their high school education. Upon completion of the program of their choice, students receive certificates from either the North Carolina State Board of Community Colleges or diplomas from the local school board of the county in which they reside.

   A high school diploma or certificate is required for admission to colleges, vocational or technical schools, and for certain employment. Graduates who complete either of the adult high school programs will meet all the requirements for high school completion.

   a. General Educational Development (GED): The GED program allows an adult to take a series of tests to demonstrate attainment of the basic skills of the high school graduate without having attended four years of regular high school. Beginning January 2, 2014, the GED will include four tests, will be computer based and will cost a total of $120.00. The tests determine an individual’s ability to think clearly and evaluate information critically.

   b. Adult High School Diploma: A student may earn units of credit and receive a diploma that is issued from a local school board. The number of credits to be earned is determined after an evaluation of the transcripts from all previously attended schools. Credit for each course is earned through the use of traditional and nontraditional methods of instruction in the Continuing Education classes organized in Chatham, Harnett, and Lee counties.

3. Basic Skills Plus
   Eligible students participating in this program will be concurrently enrolled in AHS/GED classes within College and Career Readiness along with occupational classes. These classes will provide employability, occupational, and technical skills alongside earning a high school diploma, a Career Readiness Certificate (CRC) or equivalent employment certificate. Visit www.cccc.edu/ecd for more information about current career focus areas. These classes are offered tuition free.

4. English as a Second Language (ESL)/English Literacy
   The ESL program helps adults with limited English proficiency to achieve their desired level of competency in English through a comprehensive program in speaking, reading, writing, listening, and learning the English language through six skill levels. The Workforce Investment Act of 1998 also refers to English as a Second Language programs as English Literacy programs.

Small Business Centers

The college’s small business centers support the development of new businesses and the growth of existing businesses through training, counseling, and resources. The
college operates three small business centers, one in each of the counties within the college’s service area. Through the centers, seminars are offered related to small business operation for entrepreneurs and prospective small business owners. Direct counseling and resources are provided to small business center clients. A special focus of assistance and loan referral is provided, as well as a small business incubator operated in conjunction with a community partner agency. Additionally, the small business centers work in conjunction with other service organizations in the three-county service area to provide resources and support to small businesses.

**Industry Services & Customized Training**

The customized training program provides education and training opportunities for eligible businesses and industries. Those businesses and industries eligible for support through customized training include manufacturing, technology intensive, regional or national warehousing and distribution centers, customer support centers, air courier services, national headquarters with operations outside North Carolina, and Civil Service employees providing technical support to US military installations located in North Carolina. Resources may support training assessment, instructional design, instructional costs, job profiling, and training delivery for personnel involved in the direct production of goods and services. In order to receive assistance, eligible businesses and industries must demonstrate two or more of the following criteria:

- The business is making an appreciable capital investment
- The business is deploying new technology
- The business is creating jobs, expanding an existing workforce, or enhancing the productivity and profitability of the operations with the state
- The skills of workers will be enhanced by the assistance

In addition to customized training, incumbent workforce development program (IWDP) grants and training are provided to businesses within the four-county local workforce area to include Chatham, Harnett, Lee, and Sampson counties. The primary focus of this grant is to provide layoff aversion for companies. The grant provides training revenue for employees with a one-time maximum of $25,000 and a lifetime maximum of $40,000.

2014 PERFORMANCE FUNDING MEASURES REPORT

Central Carolina Community College

In February 1999, the North Carolina State Board of Community Colleges adopted twelve performance measures for accountability. Recognizing the importance of these measures in the System’s public accountability efforts, the System Planning Council decided to designate the twelve measures, which capture the essential elements of the mission of all community colleges in North Carolina, as the core indicators of student success and include them as the first factor of the Critical Success Factors report.

In 2007, the General Assembly of North Carolina approved a proposal from the State Board of Community Colleges to modify the performance measures. Modifications included changing the standards by which colleges qualify for Exceptional Institutional Performance (formerly Superior College), reducing the number of measures from twelve to eight, and changing the criteria and data collection methods for some of the standards.

For the 2014 reporting year, CCCC was above the college average for 5 of the 8 measures. The full NCCCS Performance Funding Measures Report can be accessed at http://www.nccommunitycolleges.edu/performance-measures

Measures and standards for both Central Carolina Community College (CCCC) and the North Carolina Community College System (NCCCS) are provided below.

Progress of Basic Skills Students

Basic skills students include all adult literacy students. This measure is the percentage of students who progress as defined by an educational functioning level. Performance is based on the number of basic skills students attempting 60 or more contact hours during a program year and complete the program year at a higher educational functioning level. This measure excludes high adult secondary education initial placements. Central Carolina has exceeded the NCCCS performance by 10%. Data Year: 2012 – 2013

| NCCCS Performance – 42% (2012 - 2013 NCCCS Students) |
| CCCC Performance – 54% (2012 – 2013 CCCC Students) |

GED Diploma Passing Rates of Students

This measure includes the percent of students, with an initial placement of Low Adult Secondary Education or High Adult Secondary Education, taking at least one GED test during a program year who receive a GED diploma during the program year. The purpose of this measure is to ensure quality GED preparation and high levels of GED attainment. Data Year: 2012 - 2013

| NCCCS Performance – 72% |
| CCCC Performance – 70% |

Success Rate of Developmental Students in Subsequent College-Level Courses

The performance of developmental completers in subsequent college-level courses are measured. Specifically, performance of students who took developmental English and/or reading courses and subsequently took college-level English courses was assessed. Likewise, the performance of students who took developmental math courses and then took college-level math courses was assessed. The purpose of this measure is to provide evidence that developmental courses equip students with the skills and knowledge necessary for success in their college studies.

Subsequent completion of college-level English with a “C” or higher.

| NCCCS Performance – 64% |
| CCCC Performance – 64% |

Subsequent completion of college-level Math with a “C” or higher.

| NCCCS Performance – 64% |
| CCCC Performance – 69% |

First Year Progression

This indicator includes the percentage of first-time fall credential-seeking students attempting at least twelve hours within their first academic year who successfully complete (“P”, “C” or better) at least twelve of those hours. A fall cohort of credential-seeking students enrolled in curriculum courses at a college for the first time after high school graduation was used. These students must attempt at least twelve hours (including developmental and withdraw) within the first year fall, spring, and summer semesters. Including those dually enrolled previously at the same institution and excluding students previously enrolled at another college; it does not include students who do not attend the class i.e. transfer credits, credit by exam or reported grades of ‘NA’ and ‘NS’. Those within this cohort complete at least twelve hours (including developmental) with a “P”, “C” or better within the first year. Data Year: 2012 – 2013

| NCCCS Performance – 68% |
| CCCC Performance – 68% |

Curriculum Completion

This measure includes the percentage of first-time fall credential-seeking students who graduate, transfer, or are still enrolled with 36 hours after six years. A fall cohort of credential-seeking students enrolled in curriculum courses at a college for the first time after high school graduation. This cohort includes those dually enrolled previously at the same
institution and excludes students previously enrolled at another college. Those within the cohort who by the fall that occurs six years after original cohort designation either graduate, transfer to a four year institution, or are still enrolled during that seventh fall semester previously completing 36 non-developmental hours. Data Year: 2012 – 2013

NCCCS Performance – 43%
CCCC Performance – 46%

Passing Rates on Licensure & Certification Examinations
The percentage of first-time test takers from community colleges passing an examination required for North Carolina licensure or certification prior to practicing the profession. A licensure requirement for an occupation is one that is required by state statute for an individual to work in that occupation. Certification is generally voluntary but may be required by employers or an outside accrediting agency. Purely voluntary examinations are not reported. For privacy and statistical validity, no examination data are reported when the number of first-time test takers was fewer than 10. Depending on the exam, data may be reported on the fiscal or calendar year. Data Year: 2012 – 2013

NCCCS Performance – 85% aggregate institutional passing rate
CCCC Performance – 86% aggregate institutional passing rate

Performance of College Transfer Students
This measure is to ensure the academic success of community college students at a four-year university or college. Cohort 1 includes associate degree recipients who have transferred to a four-year university or college and have earned a GPA of 2.0 or higher after two consecutive semesters at the transfer institution. Cohort 2 includes transfer students completing 30 hours or more of articulated college transfer credit hours at a community college but not completing the degree and have earned a GPA of 2.0 or higher after two consecutive semesters. Data Year: 2012 – 2013

NCCCS Performance – 88%
CCCC Performance – 92%

CCCC Associate Degree Performance – 94%
CCCC 30+ Hours Cohort Performance – 88%

SPECIAL POPULATIONS SERVICES

Central Carolina Community College is in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act signed into law on July 26, 1990. In 1994, Central Carolina Community College established the Special Populations Office to facilitate the provisions of reasonable accommodations for all students with disabilities. This office coordinates services between the faculty and the special populations students. Our instructors and staff have experience working with students who have disabilities to help them obtain the education they need to enter the workforce or transfer to a four-year institution.

Central Carolina Community College has a commitment to its students to help them succeed. Therefore, Central Carolina Community College has adapted the following policy to guide its delivery of services to students with disabilities:

“No otherwise qualified individual shall, by reason of disability, be excluded from the participation in, be denied the benefits of, or subjected to discrimination under any program or activity at Central Carolina Community College. The college will make program modifications in instructional delivery and provide supplemental services to enable students with disabilities to participate in activities compatible with their condition and interests.”

To Receive Accommodations:
1. Student completes standard admission application.
2. Student must identify himself or herself to the Special Populations Office and request accommodations appropriate for his or her disability. (Please request packet from Special Populations Office.)
3. Student may be referred to Special Populations Office by high school officials, community agencies, parents, Central Carolina Community College faculty or staff, or may self-refer. It is the responsibility of the student to request accommodations. Students requesting support services must register with the Special Populations Office at least thirty (30) days in advance to assure accommodations for the start of class.
4. Student must provide documentation of the disability for which accommodations are requested. Documentation must be within the last three (3) years.
5. Once documentation is received, the student and special populations coordinator will meet to determine necessary accommodations and complete a service contract.
6. Student completes a Student Schedule Request at the
beginning of each semester enrolled, giving the special populations coordinator permission to notify instructors of accommodations.

7. Special populations coordinator sends Accommodations Request Form to the student’s instructors each term outlining accommodations to which the student is entitled.

Documentation Requirements

It is illegal for an institution to inquire about disability prior to admission. In postsecondary education, it is the responsibility of the student to notify the Special Populations Office of the need for special accommodations. A student generally will not receive accommodations until documentation of the disability is on file in the Special Populations Office. As the law allows, a student undergoing evaluation or awaiting transmittal of documentation may also receive services and accommodations. Acceptable documentation of disability includes: medical report, physician’s statement, psychological evaluation, psycho-education evaluation, records from Division of Services from the Blind, Services for the Deaf and Hard of Hearing, and Vocational Rehabilitation. This list is not meant to be totally inclusive, but establishes the tone of accepted documentation.

Academic Standards

Students with disabilities are expected to meet the same level of academic standards as all other students. The purpose of an accommodation is to minimize the impact of the disability, not to “water down” a course or requirement. To do otherwise would decrease the credibility of the institution and would also be unfair to the student.

Tobacco-Free Campus Policy

Central Carolina Community College is committed to providing its employees and students with a safe and healthful environment. CCCC also recognizes the use of tobacco products on campus grounds is detrimental to the health and safety of students, staff, faculty and visitors. CCCC also recognizes that it has the legal authority to prohibit tobacco use pursuant to G.S. 143-599. Therefore, CCCC has set the following 100% tobacco free campus policy to be implemented on January 1, 2009. The use of tobacco and tobacco products is prohibited by students, staff, faculty or visitors:

- in all campus buildings, facilities, and outside areas of
the campus.
  • on campus grounds, or in vehicles that are the property of the college
  • at lectures, conferences, meetings, social and cultural events held on campus
  • for the purposes of this policy, tobacco is defined as any type of tobacco product including, but not limited to, cigarettes, cigars, cigarillos, pipes, bidis, hookahs, smokeless or spit tobacco or snuff.

**Enforcement**

Student Enforcement of all College policies and procedures is the responsibility of all faculty and staff members.

**First Offense**

Any student observed smoking or using tobacco products will be asked in a non-confrontational manner to obey the College policy and to stop using the products. Faculty or staff members will identify themselves to the student and ask to see the student’s identification card to verify their student status and to identify the name of the student. Students without a student identification card should produce some form of official picture identification (e.g. driver’s license) and shall be instructed to take the necessary steps to acquire an official student identification card. The faculty or staff member will explain the College’s tobacco-free policy and the possible consequences for violating the policy, and will file a report with the Director of Campus Security giving the student’s name and the date and time of this policy violation. The report shall be made as an e-mail, or memorandum. The Director of Campus Security will keep a record of violations identifying the student, date, time, and name of the faculty or staff member reporting the violation.

**Second Offense**

Faculty and staff members will follow the procedures identified in “First Offense.” When the Director of Campus Security determines that this is the second reported offense for a student, the Director will give the student’s name to the Vice President of Student Services. The Vice President of Student Services will send the student a first-class letter and/or e-mail, if available, warning the student that this is the second violation of the tobacco-free policy and that the student will face suspension or expulsion with any further violations.

**Third Offense**

Faculty and staff members will follow the procedures identified in “First Offense. When the Director of Campus Security determines that this is the third reported offense for a student, the Director will give the student’s name to the Vice President of Student Services. The Vice President of Student Services will suspend the student for the remainder of the current term. The student may re-enroll, subject to any specific program limitations, following the suspension period.
