How to Login into WebAdvisor

Login into WebAdvisor at http://www.cccc.edu/webadvisor or as a quicklink from the current students menu. You may also access the log in page from the icon at the top right hand corner of the college’s website.

Select [LOG IN] at the top or bottom of the WebAdvisor main page.

Your user ID or username is the first initial of your first name, first four letters of your last name, and last three digits of your student ID (found on your welcome letter). This is the same user ID or username as your Cougarmail and Blackboard account. Your initial password for WebAdvisor is your date of birth in a six-digit format with no spaces or hyphens (MMDDYY).

Example
Name: Don Student
Student ID: XXXX104
Birthdate: January 1, 1978
Username/User ID: dstud104
Password: 010178

You will need to change your password the first time you access WebAdvisor. The new password will need to include numbers and letters and must be 6 to 8 characters in length.
