Nurse Aide I Accelerated

This course provides the knowledge and skills needed to care for adults. Emphasis is placed on activity of daily living skills and signs and symptoms of disease. Graduates eligible for the National Nurse Aide Assessment Program (NNAAP) certification. Supplies are required. Criminal background check, immunization records, and drug testing are required before clinical rotation.

L3901	184 Hrs	9/28 - 11/17	M T W	8:00AM - 4:30PM	CWI	CWI, Rm. 144	M. Jacobs	\$191.60
-------	---------	--------------	-------	-----------------	-----	--------------	-----------	----------

Pharmacy Technician

This course provides instruction in technical procedures for preparing and dispensing drugs under the supervision of a registered pharmacist. Emphasis is placed on drug packaging/labeling and customer service. Graduates are eligible for the Pharmacy Technician Certification Board's (PTCB), Certified Pharmacy Technician Examination (CPHT). A textbook is required. This class has campus specific enrollment requirements and textbooks.

L3906	192 Hrs	10/05 - 4/12	M W	5:30PM - 9:30PM	CWI	CWI, Rm. 133	K. Koballa	\$181.60
-------	---------	--------------	-----	-----------------	-----	--------------	------------	----------

Phlebotomy Technician

This course provides instruction in blood/specimen collection techniques and handling. Graduates are eligible for the American Society for Clinical Pathology certification. A textbook, supplies, criminal background check, and immunization records are required. Drug test is required at some clinical locations. Clinical hours may vary from scheduled class times.

L3904	200 Hrs	9/28 - 12/15	M T W Th	9:00AM - 1:00PM	CWI	CWI, Rm. 130	C. Vaughan	\$191.60
-------	---------	--------------	----------	-----------------	-----	--------------	------------	----------

Industrial/Manufacturing

BioWork

The BioWork course can lead to an entry-level position as a process technician. Students will learn foundational principles and skills needed for a career with a biotechnology, pharmaceutical, or chemical manufacturing company. This course articulates to BPM110 Bioprocess Practices, PTC110 Industrial Environment and also prepares students for the State Certification Exam for Process Technicians. Prerequisites: High School Diploma or High School Equivalency (GED, HiSET, TASC) and attend an online information session. Math and reading placement tests may be required. A textbook is required.
