

CENTRAL CAROLINA COMMUNITY COLLEGE FALL 2018 WELCOME WEEK!

MONDAY • 08-13-2018

Newest Tools in Blackboard (Collaborate) 9:00 a.m. - 10:00 a.m.

Presented by: Amanda Carter, Rachel Rabb and Amber Thomas in Library Computer Lab
Join us as the Center for Academic Excellence helps you get started using the newest tools in Blackboard. It will enhance your course whether it is seated, fully online or a combination of both.
Click here to register: <http://bb.eventzilla.net>

Where to Find Learning Resources: Hoonuit & PD Blackboard 10:00 a.m - 11:00 a.m.

Presented by: Daisha Gaines in CFC 810
Come and learn where to find resources and how to use our newest eLearning platform, Hoonuit to empower you to make better decisions, transform learning, and improve student outcomes!
Click here to register: <http://learning.eventzilla.net>

What Can The Library Do For You and Your Course?

11:00 a.m. - 12:00 noon

Presented by: Nora Burmeister and Samantha O'Connor in Library Computer Lab
The Library at CCCC is a leader in digital resources ranging from research guides and databases to online journals. Let them show you the options and how it can be integrated into any course to enhance student learning.
Click here to register: <http://libraryresources.eventzilla.net>

Learn to Use a Lightboard! 12:00 noon - 1:00 p.m.

Presented by Dr. Liza Guzman, Dr. David Baker, and Mandy Colmes from Richmond CC in Wilkinson 214
Don't know what a Lightboard is? Join us as Drs. Guzman and Baker demonstrate a new tool that was funded by a Joyning Up Grant from the CCCC Foundation.
Click here to register: <http://lightboard.eventzilla.net>

Using Open Educational Resources

(OER) Effectively 1:00 p.m. - 2:00 p.m.

Presented by: Dr. James Cook, Center for Transformative Learning, Forsyth Tech, in Wilkinson 214
Open Educational Resources can enhance any course as a free supplement or by replacing a printed textbook. Come and learn how Dr. Cook has used OER to benefit his students by reducing their educational costs.
Click here to register: <http://oer.eventzilla.net>

Cool Tools for Distance Courses and Beyond 2:00 p.m. - 3:00 p.m.

Presented by: Nora Burmeister and Lisa Knight in Library Computer Lab
Looking for a new tool to enhance your course? Come let Nora and Lisa demonstrate many cool features that can be easily incorporated into your seated or online courses.
Click here to register: <http://cooltoolsde.eventzilla.net>
