

# CCCC Angel Tree Program Information Sheet

The annual Angel Tree program is designed to benefit children of CCCC students. Participation in this event is voluntary and is open to current curriculum CCCC students only.

**Current CCCC students may submit an application between Thursday November 5th and Wednesday November 11th.**

**Applications will be available at [CCCC.edu/angeltree](http://CCCC.edu/angeltree)**

*\*Paper applications will not be accepted\**

## **Application Guidelines:**

- Current curriculum CCCC student
- Not receiving additional seasonal support from outside agencies
- Children aged 0-12\*
- Children are dependents of CCCC student
- **A separate section completed for each child in family**
- Please be specific with clothing sizes
- Please be specific with needs and interests
- Dream gifts should not exceed \$50 limit

*\*Every effort will be made to evaluate the applications and accept all children in each family. If you have a child older than 12 years old, you may include them in the application, knowing our target range is 0-12 years old.*

*However, there is no guarantee all children will be placed on the tree.*

To determine eligibility for the program, the Program Coordinator will review all applications, Financial Aid records, and may contact other seasonal support programs. By applying for the CCCC Angel Tree program, you agree to allow the Program Coordinator access to the relevant information. No additional information will be collected, and your information will be accessed only by CCCC staff to determine eligibility.

## **Covid-19 Considerations**

Many families are requesting more assistance during this unprecedented time. While every effort will be made to assist as many student families as possible, please be aware there is an increased chance of being placed on a waitlist.

All application submissions and Angel adoption will be virtual. Gift drop-off and pick-up will be by appointment to maintain social distancing and will be held at the Dennis A. Wicker Civic Center. If selected for the program, you will be able to coordinate with the Student Activities Coordinator to schedule a time to pick up gifts.
