One Google Account for everything Google

New! Google Sign-in Page

- Central Carolina Community College uses Gmail for all student, staff and faculty email accounts.
- Google has recently redesigned their sign-in page.
- Once you are directed to the new Google sign-in page, please use your **FULL email address** with the same password you have always used.

Example for Students:

jdeer398@cougarmail.cccc.edu

Example for Staff & Faculty:

jdeer398@ccc.edu

Quick Password Resets for Cougarmail

Send an email to: ITHelpdesk@ccc.edu with the following information.

Subject: Password Reset

Message: First Name, Last Name, UserID & Contact #

~~ We will contact you about your new password! ~~

First Time Cougarmail Users

Your birthdate password is **8** digits. Ex: 09231901

- If you come to a page that wants you to choose an account and you do not see your email address listed, click **Add account**.
- You will then have boxes that you can add your **FULL email address** with the same password you have always used.
- Please feel free to email the ITHelpdesk@ccc.edu if you have trouble signing into your Gmail account.
