Library Instruction

The goal of the library staff is to help each library user become knowledgeable, comfortable, and independent in accessing information through contemporary library technology and basic resources. To help achieve this goal, a variety of instructional classes is available for students, faculty, and staff. The instructional services librarian will help determine the best class for the type and level of instruction needed. Please contact Janice Pope at 718-7245 or jpope@gw.ccarolina.cc.nc.us.
