Program Planning Guide

Associate Degree Nursing Associate in Applied Science (A45110)

Program Length: 5 Semesters
Program Sites: Lee Main Campus and Chatham Health Sciences Center, seated only

The Associate Degree Nursing curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Course work includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

Limited Enrollment Program:

This is a Limited-Enrollment program, which means the program has a set number of seats available for each entering class. The number of seats is based on factors such as classroom space, available clinical placements, accreditation requirements, and faculty resources. Students interested in this program will work with an Education Navigator to develop an academic plan and register for the courses needed to meet the minimum admission requirements. Once all minimum requirements are completed, a program application can be submitted. Qualified applicants are admitted in the order completed applications are received, as seats become available. For more information, visit the Limited-Enrollment Programs webpage.

Minimum Admission Requirements:

- ☐ Complete a State-Approved Nurse Aide I Training Program and appear on the NC Nurse Aide Registry in good standing.
- ☐ Complete 27 credit hours of Pre-Nursing general education courses (see page 2).
- ☐ Complete BIO 168 & 169 with a B or better.
- ☐ Complete all other general education courses with a C or better.
- ☐ Have a minimum 2.5 GPA based on 27 credit hours of ADN general education courses.
