Program Planning Guide

Associate Degree Nursing Associate in Applied Science (A45110)

Program Length: 5 Semesters
Program Sites: Lee Main Campus and Chatham Health Sciences Center, seated only

The Associate Degree Nursing curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Course work includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

Limited Enrollment Application Overview:

The Associate Degree Nursing (ADN) program is a limited-enrollment program, which means that there are a limited number of seats in this program each year. Students must meet all requirements listed below to enter the ADN program. While they are completing these requirements, pre-ADN Students will be enrolled in the Pre-Nursing program (A55280NR). Applications are accepted year-round and are reviewed as they are received. Eligible students will be notified and placed on the waiting list for the next cohort. Students are admitted to the program based on the date of their application.

ADN Admission Requirements:

Complete 27 credit hours of Pre-Nursing general education courses (see page 2).

- ☐ Complete BIO 168 & 169 with a B or better.
- ☐ Complete all other general education courses with a C or better.
- ☐ Have a minimum 2.5 GPA based on 27 credit hours of ADN general education courses.
- ☐ Complete a State-Approved Nurse Aide I Training Program and appear on the NC Nurse Aide Registry in good standing.
- ☐ Attend a mandatory, in-person program orientation before beginning the program. The date will be provided in the admission acceptance letter.

Provisional Acceptance:

Provisional acceptance will be offered to a student if there are seats available after all fully accepted students have confirmed their acceptance each year, and:

- ☐ The student has earned a grade of C in BIO 168 and/or BIO 169.
- ☐ All remaining general education coursework will be completed by the end of the spring term.
- ☐ Nurse Aide completion documentation will be submitted by April 30.
