I. PRESIDENT SELECTION PROCESS

When a presidential vacancy occurs or is anticipated, the Board shall notify the North Carolina Community College System (the “System”) President and invite the System President or the System President's designee to meet with the board of trustees to discuss legal requirements and other procedural matters while also providing technical assistance to the Board as needed.

In selecting the College's President, the Board shall, at minimum, consider general input from College and community stakeholders on the desired attributes of a college's president and evaluate more than one candidate for the position. The State Board of Community Colleges (the “State Board”) may waive this requirement at the request of the Board if the State Board determines it is in the College's interest to do so.

The Board shall submit at least one (1) candidate to the System President for review at least ten (10) business days prior to the next regularly scheduled State Board Personnel Committee meeting or at least ten (10) business days prior to a special called State Board Personnel Committee meeting.

While completing the review process, the System President or the System President's designee shall confirm that the Board completed a background check to include the following:

1. Social security number verification,
2. Criminal history check,
3. Civil litigation history check,
4. Education verification,
5. Employment verification, and
6. Personal credit history check.

Upon completion of the review process, the System President shall present the name(s) of candidate(s) to the Personnel Committee of the State Board for consideration and assessment.

Following consideration and assessment of the candidate(s), the Personnel Committee of the State Board or the State Board itself shall authorize the System President to communicate the Personnel Committee's or the State Board's assessment to the Board.

The Board shall proceed with the final election process and submit the Board's final election to the State Board for approval. The Board shall submit its recommendation in writing to the System President at least five (5) business days prior to the next meeting of the State Board.

The State Board shall act upon the Board's election at the State Board's regularly scheduled meeting following receipt of the Board's election unless delayed for cause as determined by the State Board.

The North Carolina Community College System Office shall convey in writing to the chairman of the Board the State Board's action on the Board's election. The action of the State Board is final.

Until the State Board votes to approve the final candidate and communicates its approval to the College, the College may not publicly communicate or publicly confirm or deny the name of the final candidate submitted to the State Board for approval.

The Board shall not execute a contract prior to State Board action to approve the Board's presidential election unless it has a provision specifying that the effective date of the contract is subject to the State Board's approval of the presidential election.

II. REELECTION

When the Board reelects the President by the renewal or extension of an existing employment contract with its President (the "Existing Presidential Contract"), the Board shall request that the State Board approve such reelection by taking the following actions:

1. The Board shall ensure that any motion to approve a proposed presidential contract renewal or extension notes that such reelection is contingent upon the approval of such reelection by the State Board.
2. The Chair of the Board shall submit on College letterhead a letter of intent notifying the State Board of its approval of a proposed presidential contract renewal or extension at least ninety (90) days prior to the expiration of the Existing Presidential Contract. The letter of intent shall include the following:
 - a. The expiration date of the Existing Presidential Contract;
 - b. The new expiration date resulting from the proposed presidential renewal or extension;
 - c. Any contractual provision empowering the Board to renew or extend the Existing Presidential Contract and thereby enter into the proposed presidential contract renewal or extension;

- d. Any new contractual provision, or modification of any contractual provision allowing for the amendment of the Existing Presidential Contract, that allows for the Existing Presidential Contract's subsequent renewal or extension;
 - e. An affirmation that the Board approved the proposed presidential contract renewal or extension at a properly noticed and scheduled meeting;
 - f. An affirmation that the proposed presidential contract renewal or extension includes a clause conditioning its effectiveness upon the approval of the reelection of the President by the State Board;
 - g. An affirmation that the Board has completed the President's evaluation in compliance with 1C SBCCC 300.2;
 - h. An affirmation that the Board has complied with the requirements for sound fiscal management practices, as codified in 1A SBCCC 200.4; and
 - i. A request that the State Board approve the reelection of the President.
