III. LEAVE

Full-time, permanent employees shall earn twenty-four (24) hours per calendar year, credited on January 1 of each year. Part-time, permanent employees shall earn community service leave on a prorated basis proportionate to the percentage of full-time equivalent hours worked for the respective position. New employees shall be credited with leave immediately upon their employment, prorated at two hours per month for the remainder of the calendar year. Separated employees that are re-employed within the same calendar year are credited Community Service Leave the same as newly hired employees; however, the combination of re-employment credit

hours and total hours used prior to separation in the same calendar year cannot exceed the annual 24-hour maximum leave benefit.

IV. MISCELLANEOUS

Employees must receive approval from their supervisor to use this leave. The supervisor or other agency/institution manager may require that the leave be taken at a time other than the one requested, based on the needs of the agency. Leave shall only be requested and approved for community service that occurs during the employee's regularly scheduled hours of work. The agency may require acceptable proof that leave is being utilized in accordance with the purpose of this policy. Reasonable travel time may be included in approved time for community service, but only for the time that intersects the employee's regular work schedule. The majority of the leave shall be used for direct volunteer service.

Leave not taken by the end of the calendar year is forfeited; it shall not be carried into the next calendar year. Employees shall not be paid for such unused leave at separation

Partisan political activity during State time and the use of State equipment or property for any community service are not permitted. Special care must be taken to avoid any possible interpretation that the State is, in fact, permitting time off and in so doing supporting a political candidacy.
