## Course Descriptions

### **COS 271            Instructor Concepts I**

*Local Prerequisite: Cosmetology License*

*Corequisite: COS 272*

This course introduces the basic cosmetology instructional concepts. Topics include orientation, theories of education, unit planning, daily lesson planning, laboratory management, student assessment, record keeping, and other related topics. Upon completion, students should be able to identify theories of education, develop lesson plans, demonstrate supervisory techniques, and assess student performance in a classroom setting.

### **COS 272            Instructor Practicum I**

*Local Prerequisite: Cosmetology License*

*Corequisite: COS 271*

This course covers supervisory and instructional skills for teaching entry-level cosmetology students in a laboratory setting. Topics include demonstrations of services, supervision, and entry-level student assessment. Upon completion, students should be able to demonstrate salon services and instruct and objectively assess the entry-level student.

### **COS 273            Instructor Concepts II**

*Prerequisites: COS 271 and COS 272*

*Corequisite: COS 274*

This course covers advanced cosmetology instructional concepts. Topics include practical demonstrations, lesson planning, lecture techniques, development and administration of assessment tools, record keeping, and other related topics. Upon completion, students should be able to develop lesson plans, demonstrate supervision techniques, assess student performance in a classroom setting, and keep accurate records.

### **COS 274            Instructor Practicum II**

*Prerequisites: COS 271 and COS 272*

*Corequisite: COS 273*

This course is designed to develop supervisory and instructional skills for teaching advanced cosmetology students in a laboratory setting. Topics include practical demonstrations, supervision, and advanced student assessment. Upon completion, students should be able to demonstrate competence in the areas covered by the Instructor Licensing Examination and meet program completion requirements.
