Article I: Board Authority, Purpose, & Operations

Section A: Legal Basis

The Board of Trustees (the “Board”) of Central Carolina Community College (the “College”) is a body corporate established under the provisions of Chapter 115D of the General Statutes of North Carolina (the “General Statutes”), possesses all powers of a body corporate for the purpose created by or that may exist under the provisions of law, and is vested with the responsibility of governing the College by the North Carolina General Assembly (the “General Assembly”). The Board functions pursuant to the statutes and regulations of North Carolina and the United States of America, as well as the policies, rules, and regulations of the North Carolina State Board of Community Colleges (the “State Board”) and the North Carolina Community College System (the “College System”).

The official title of the Board shall at all times be “The Board of Trustees of Central Carolina Community College”, and the corporate name of the College shall at all times be “Central Carolina Community College”. The Board shall maintain its office of record in the administrative offices on the main campus of the College, located in Lee County.

Section B: Service Area

By assignment of the College System, the College’s service area covers Lee, Chatham, and Harnett counties.

Section C: Purpose

The purpose of the Board shall be to govern the College within the framework of State law and the policies adopted by the State Board. Further, the purpose of the Board shall be to ensure that adequate and competent administration is provided for the efficient operation of the College and that the objectives of the Board are fulfilled.

Section D: Objectives

The objectives of the Board are:

- To provide to the people of North Carolina, and more specifically to the people of the College's service area, an educational institution that is sensitive and responsive to their educational needs,
- To be continually alert to the changes in our society and be prepared to adjust to the changing needs,
- To be mindful that the education and welfare of the student are the fundamental objectives of the College,
- To provide for the vocational and academic needs in the service area,
- To provide an educational environment that will encourage and promote social and cultural awareness in a culturally diverse student body,
- To encourage all eligible adults regardless of race, ethnicity, age, creed, color, religion, disability, sex, gender, or national origin to make maximum use of the College,
- To ensure that the College is dedicated to strengthening the morality and ethics of its students,
- To provide College personnel with leadership that will nurture, inspire, and stimulate the development of skills, competencies, and understandings necessary for the full realization of an effective institution devoted to the dissemination of knowledge,
- To respond positively to the priority goals of the State Board, and
- To perform the duties of their office fairly, conscientiously, without fear or favor.

Section E: Compliance & Accreditation

Consistent with accreditation requirements, the Board must not be controlled by a minority of board members or be subject to undue pressure from political, religious, or other external bodies. Furthermore, the Board should protect the College administration from similar pressures. The Board is a nonpartisan body with a fiduciary duty to a wide range of stakeholders, including the College's students and employees across its three-county service area. It must remain neutral, avoiding favoritism toward any particular county, industry, or interest group. While Board members bring diverse backgrounds and often have connections to industry, education, politics, and government, they must prioritize the best interests of the College when serving as trustees, setting aside any outside affiliations.

To avoid even the appearance of a conflict of interest, directly or indirectly, each trustee shall fully disclose any potential conflicts of interests to the full Board and shall comply with the State Government Ethics Act, as well as other state laws regarding conflicts of interest, including but not limited to N.C.G.S. § 14-234.

Consistent with accreditation requirements, the Chairperson of the Board and a majority of other trustees must be free of any contractual, employment, personal, or familial financial interest in the College. To ensure that no conflict of interest exists, the Chairperson shall read the ethics statement at the beginning of every committee and full Board meeting, which shall include a reminder that any trustee with an actual conflict of interest or the appearance of a conflict of

interest on any particular matter must recuse themselves from voting on said matter. Trustees are expected to be open and honest about all actual conflicts of interest and the appearance of a conflict of interest. Compliance with this provision shall be ensured through the recording and keeping of committee and full Board meeting minutes which reflect the reading of the ethics statement as well as any recusals and the reasons for said recusals. The official ethics statement reads as follows:

I would like to remind all Board members that it is your duty to avoid all conflicts of interest in your role as a Trustee of this college. Having read the agenda, is anyone aware of a conflict of interest with respect to any matter coming before this Board at this time? If at any time a conflict of interest arises, we are all required to individually state that we are recusing ourselves from discussing or voting upon the matter. Next, I wish to remind you that our accrediting organization requires the Board to be free from undue influence from political, religious, or other external bodies, and to protect the institution from such influence. If at any time a Trustee or college official feels undue influence is being applied, please bring that to the attention of the Board so that we can respond accordingly.

Each trustee shall not take part in any official action regarding the employment of a closely related family member that results in financial gain to the respective trustee. For any official action regarding the employment status of a family member that would result in financial gain to a trustee, the respective trustee shall disclose the conflict to the full Board and will not take part in the official action unless otherwise allowed by law.

Section F: Bylaws

These bylaws govern the internal operation of the Board and are superior to the College's official policies and procedures, and in the event of any conflicts these bylaws shall take precedence. The purpose of the bylaws is to enable the Board to discharge its responsibilities efficiently and effectively. The Secretary of the Board shall be responsible for providing to each trustee a copy of all current bylaws and policies. Amendments to the bylaws may be made from time to time in accordance with Article VI, Section F.

In the event that any provision of these bylaws shall be deemed in conflict with Federal or State law, the State Board Code (the "Code"), a controlling judicial decision or court order, or any other superior legal, judicial or regulatory authority, the conflicting provision shall be null and void, notwithstanding that all other provisions of these bylaws shall remain in full force and effect.

Section G: Policies

College policies are approved by and express the intentions of the Board with regard to the operation of the College. Policies are stated in general terms with the aim of guiding the administration, faculty, staff, and students of the College. Generally, the Board does not make specific rules and regulations. Additions and amendments to College policies may be made upon the recommendation of the College President or a trustee. Any proposed changes to College policies, including but not limited to additions, removals, or amendments, must be approved by the Board in accordance with the parliamentary procedures in effect at the time of the proposal before the changes become effective. Following approval, policies and policy changes are published and implemented unless made effective on a different date. The Board ensures that policies are aligned with institutional purposes, that they support the College mission, and that they are reviewed periodically by the College administration.

Section H: Procedures & Processes

The procedures for implementing College policies shall be developed by the College administration and kept on file in the administrative offices of the College. Procedures shall be approved by the President in consultation with Executive Leadership, as defined in College policy. Individual departments shall be responsible for the development of processes that support and are in alignment with College policies and procedures.

Section I: President of the College

The Board shall also cause notice to be mailed, e-mailed, or delivered to any person, in addition to the representatives of the media listed above, who has filed a written request with the Secretary of the Board. This notice shall be posted and mailed, e-mailed, or delivered at least forty-eight (48) hours before the time of the meeting. The notice required to be posted on the principal bulletin board or at the door of the Board's usual meeting room shall be posted on the door of the building or on the building in an area accessible to the public if the building containing the principal bulletin board or usual meeting room is closed to the public continuously for forty-eight (48) hours before the time of the meeting.

Each newspaper, wire service, radio station, and television station desiring to receive notice must submit a written request, which must be renewed annually on January 1 of each year. Persons other than the media desiring to receive notice must submit a written request, which must be renewed annually on January 1 of each year, and shall be charged ten dollars (\$10.00) per calendar year. This fee shall be waived for notices sent by e-mail.

The President and the Chairperson shall develop an agenda for each special meeting of the Board, with said agenda being distributed to each of the trustees via email no later than seven (7) calendar days prior to the respective special meeting. If the timing of the meeting makes distribution of an agenda within seven (7) calendar days prior to the respective special meeting impractical, then the agenda shall instead be distributed as soon as reasonably possible. Hard copies of the agenda shall be made available upon request.

Section C: Emergency Meetings

Scheduling and Notice

Emergency meetings may be called by the Chairperson, the President, or a majority of the Board. An emergency meeting may only be called because of generally unexpected circumstances that require immediate consideration by the Board.

This notice shall be given either by e-mail, by telephone, or by the same method used to notify the trustees and shall be given immediately after notice has been given to the trustees. This notice shall be given at the expense of the party notified.

In accordance with N.C.G.S. § 143-318.13, if the Board holds an emergency meeting by use of conference telephone or other electronic means, it shall provide a location and means whereby members of the public may listen to the meeting and the notice of the meeting required by this section shall specify that location.

Agenda

Only business connected with the emergency meeting may be considered at a meeting to which notice is given pursuant to this section. Hard copies of the agenda shall be made available upon request if such an agenda is created.

Section D: Remote Meetings During Declarations of Emergency

The Board may meet remotely in accordance with N.C.G.S. § 166A-19.24, when a declaration of emergency is made pursuant to N.C.G.S. § 166A-19.20. When meeting remotely due to a declaration of emergency, the requirement to provide a location and means whereby members of the public may listen to the meeting shall be suspended.

Section E: Parliamentary Procedures

Chairman's Rules of Order

Unless otherwise provided by these bylaws or Board policy, when conducting its meetings the Board shall use the parliamentary procedures as defined in this section, otherwise known as the Chairman's Rules of Order. These parliamentary procedures are based on *Robert's Rules of Order: Simplified and Applied*, Second Edition, and have been modified and adapted to meet the needs of the Board and its trustees.

Open Meetings

All regular, special, and emergency meetings of the Board and all committee meetings of the Board shall be open to the public unless otherwise specified herein. While all Board and

committee meetings are open to the public, the Board is not required by statute, regulation, or otherwise to provide for public comment, whether during normal deliberations or a separate public comment period. The Board may from time to time invite guests to speak at a Board meeting, and guests may only speak upon specific invitation from the Board Chairperson, President, or via an approved motion from the Board. Individuals seeking to speak at a Board meeting should submit a request to the President or the Board Chairperson no later than fourteen (14) calendar days prior to the meeting in question.

Closed Session

Notwithstanding anything to the contrary contained herein, the Board and any of its committees may enter into closed session in accordance with N.C.G.S. § 143-318.11.

Quorums

More than one-half (1/2) of the then-current voting trustees shall constitute a quorum for the transaction of business by the board. More than one-half (1/2) of the then-current voting members of a committee shall constitute a quorum for the transaction of business by the respective committee. Only members of a committee shall be counted for the purposes of establishing a quorum for each respective committee. No business shall be transacted without a quorum present.

Voting

Each member present shall have one vote, and voting by proxy is prohibited.

A two-thirds supermajority vote of the entire membership of the Board shall be required for the approval, amendment, modification, replacement, or repeal of these bylaws. Any such action may only be taken when each trustee is provided with the relevant materials relating to the proposed bylaws action at least fourteen (14) calendar days in advance.

A simple majority vote of the entire membership of the Board shall be required for the following matters:

- The approval, amendment, modification, replacement, or repeal of a policy,
- The election, non-renewal, or termination of a president, and
- The establishment or termination of curricula of the College.

For all other matters, a simple majority vote of all members present shall be required for all business, whether conducted by the Board or a committee. For each committee, only members of the respective committee a) shall be allowed to vote on matters brought before the committee and b) shall be counted in determining the voting majority requirement.

Electronic Votes

In situations where time is of the essence and a vote on a matter is necessary before the next scheduled regular meeting, the President or the Chairperson may initiate an electronic vote via email to all trustees. The email shall state the matter under consideration as well as the motion requested of the Board. Members shall have five (5) calendar days to respond to the email. For an electronic vote to pass, enough votes must have been made by the trustees to constitute a quorum and a majority of votes, in the manner as described in the subsection above (“Voting”), must be in the affirmative. A measure passed by electronic vote remains in effect until the date of the next scheduled regular meeting or special meeting, at which point it must be ratified by the Board or otherwise expire. When ratifying a measure passed by electronic vote, the email chain shall be entered into the record through the relevant meeting agenda. An electronic vote may not be used for actions relating to these bylaws or to the President’s employment.

Discussion & Deliberation

The Board allows for informal discussion and deliberation of matters at its committee and Board meetings. The Presiding Chairperson shall moderate the discussion and deliberation between trustees and College staff as the Presiding Chairperson deems necessary and proper. Individuals who are neither trustees nor members of College staff are not permitted to participate in the discussion and deliberation of committee or Board meetings unless otherwise recognized by the Presiding Chair, who shall do so in their sole discretion. Recognition of participation in the discussion and deliberation of matters by the Presiding Chair in one or more instances shall not serve to establish a precedent or right of individuals other than trustees and College staff to participate in committee or Board meeting discussions and deliberations.

Minutes

In accordance with N.C.G.S. § 143-318.10, the College staff shall be responsible for keeping full and accurate minutes of all official meetings, including any closed sessions held pursuant to N.C.G.S. § 143-318.11. For the purposes of recording minutes, the Board adheres to the standard established by *Maready v. City of Winston-Salem*, 342 N.C 708 (1996), regarding the definition of “full and accurate minutes”, which holds that minutes “should contain mainly a record of what was *done* at the meeting, not what was *said* by the members.” Under this standard, the Board’s minutes shall “reflect matters such as motions made, the movant, points of order, and appeals - not to show discussion or absence of action”.

Minutes shall be kept in writing, whether digital or otherwise, and such minutes shall be made publicly available. When meeting in a closed session, the College staff shall keep a general

account of the closed session such that a person not in attendance would have a reasonable understanding of what transpired during the session. Minutes taken of a closed session may be withheld from public inspection if public inspection would frustrate the purposes of a closed session.

Minutes for committee and full Board meetings are approved as part of the consent agenda at the next regularly scheduled Board meeting. Closed session minutes shall only be made available to voting members of the respective voting body, whether committee or full Board, and to College staff members who materially participate in the issues under deliberation during closed session. Closed session minutes shall be withheld only for as long as is necessary to avoid frustrating the purposes for which the closed session was held. Notwithstanding the foregoing, neither the Board nor the College shall be required to review closed session minutes for public availability until they are the subject of a public records request.

Motions

All motions require a member to make a motion and another member to second the motion before voting on the motion, except for when the full Board considers a matter proposal recommended by a committee for approval. All motions must be made individually, with the sole exception that the Presiding Chairperson may combine the motion to close discussion on a matter with a motion to take action on the matter. The following motions are always available, do not require a second, and are ruled on immediately by the Presiding Chairperson, with the exception of a motion to recess, which requires a majority vote of the membership present:

- Parliamentary Inquiry
- Division of the Assembly
- Call for the Orders of the Day
- Point of Privilege
- Point of Order, Failure to Follow Rules
- Point of Order, Adjourn Due to Lack of Quorum
- Recess
