

**QEP Committee**  
**April 21, 2016, 2:00pm – 3:00pm**  
**Meeting Minutes**

*Members present:* Maryann Aucompaugh, Constance Boahn, David Hartman, Heather McCracken, Mary Parker, Michelle Powell, Morgan Steele, Jamee Stiffler, Amber Thomas, Sandra Thompson

Jamee Stiffler opened the meeting by discussing the status of the purchase order for the RIASEC inventories. The inventories have been ordered for two ACA courses as well as the summer pilot.

The group discussed an assessment to be completed after the student completes the RIASEC inventory. Three questions were discussed:

- 1) After completing this assessment, do you feel more informed about the careers that may be a good fit for your interests?
- 2) Was the assessment easy to complete?
- 3) After completing this assessment, have you reconsidered the major you selected?

Once the student completes the RIASEC inventory, we would like to provide the student with a card indicating their results. The group worked on classifying our majors into the RIASEC areas.

Next meeting April 28

Meeting adjourned at 3:20pm.
