

Self-Identification and Impact Statement for Placement Tests

Central Carolina Community College administers the Accuplacer through the College Board. We have a custom test for our state called the North Carolina Diagnostic Assessment and Placement (NCDAP) test. This placement test is given to students enrolled in a curriculum program or to special credit students interested in taking English, Mathematics, or other courses that require an English or Mathematics prerequisite/corequisite.

Once you provide medical documentation for the disability, to the Office of Student Accessibility Services, they will send the accommodation notice to the assessment specialist. It is the student's responsibility to schedule placement test(s).

The placement tests may be scheduled by contacting your closest county campus:

Lee 919-718-7300 * Chatham 919-545-8029 * Harnett 910-814-8863

Name: _____ Phone: _____

E-mail Address: _____ Anticipated test date: _____
