<https://www.cashcourse.org/registration>

CashCourse is a free, online financial education resource designed specifically for college and university students. Created with input from real students and universities, CashCourse equips students with information that helps them make informed financial decisions, from orientation to graduation and beyond. When you complete the registration it will ask you for college, please select 'none' as CCCC has not created an account yet. If you create an account and use the software please let us know. It counts as a service!
