We have a math tutor at Wake Tech (North campus) as well as a math tutor at the CCCC (main campus). If you anticipate needing tutor help for the spring please ensure you give us at least two weeks notice. Don't wait until classes start to get a tutor.

Please contact Anthony Farrior, Outreach and services coordinator, for assistance with or questions regarding your academic needs and our academic assistance 919-718-7487 or afarrior@cccc.edu

VUB NEWS

VUB book lending program information. If you are taking 8-week classes that start soon you may want to inquire with us to see if we already have your book. If we do, we can fill out a form for you to go pick it up at the library on your campus. Email Sara at Sdelv264@cccc.edu We are not able to buy books.

VUB is looking to come to your meetings. If you belong to a veteran service organization in our service area, we would like to come tell everyone about our program. Just send an email to vub@cccc.edu with the details. Being invited works better than us just showing up at you VFW/Legion/DAV, etc meeting unannounced.

If you are a student at CCCC, we now have student veteran IDs. Swing by the library (Lee main campus) and get yourself a new ID. You will need proof that you are a veteran to get one so take your DD-214, military ID, drivers license with veteran designation on it, or VA card. If you don't have any of that stop by VUB and we may be able to help.
