Tutoring

VUB is only required to provide academic assistance (tutoring) with Math and English, but we try to help with others if possible. We have a math tutor at Wake Tech (North campus) as well as a math tutor at the CCCC (main campus). If you anticipate needing tutor help for the spring please ensure you give us at least two weeks notice. Don't wait until classes start to get a tutor.

Please contact Anthony Farrior, Outreach and services coordinator, for assistance with or questions regarding your academic needs and our academic assistance 919-718-7487 or afarrior@cccc.edu

VUB NEWS

To earn a service (stipend) you must do more than simply “stop by and check in”. We need to make sure that what we have on your academic assistance plan is being worked and your needs are being met. You can also participate in any of our events when we have them.

VUB is looking to come to your meetings. If you belong to a veteran service organization in our service area, we would like to come tell everyone about our program. Just send an email to vub@cccc.edu with the details. Being invited works better than us just showing up at you VFW/Legion/DAV, etc meeting unannounced.
