Tutoring

VUB is only required to provide academic assistance (tutoring) with Math and English, but we try to help with others if possible. We will be looking for a math tutor at Wake Tech (North campus) as well as a math tutor at the CCCC (main campus). If you anticipate needing tutor help for the spring please ensure you give us at least two weeks notice. Don't wait until classes start to get a tutor.

Please contact Anthony Farrior, Outreach and services coordinator, for assistance with or questions regarding your academic needs and our academic assistance 919-718-7487 or afarrior@cccc.edu

VUB NEWS

VUB is completing our annual report for the Department of Education. We may be reaching out to you to ask some questions for clarification. We should submit the report before the Christmas break so please bear with us.

To earn a service (stipend) you must do more than simply "stop by and check in". We need to make sure that what we have on your academic assistance plan is being worked and your needs are being met. You can also participate in any of our events when we have them.
